

**MARINER CORPORATION LIMITED  
MARCH 2020 QUARTERLY ACTIVITIES REPORT  
AND APPENDIX 4C**

Mariner Corporation Limited (ASX: MCX) (**Company**) is pleased to provide an Activities Report and Appendix 4C for the quarter ending 31 March 2020.

**Details of its business activities in the quarter**

As shareholders would be aware, the Company completed a \$2.4m placement (before costs) in late 2019. The completion of this capital raising was important for the Company, as it allowed the Company to fully discharge and/or restructure its existing debt. As a result, the Company's financial position has significantly improved, and provided the Company and its management the flexibility to focus on identifying and exploring growth opportunities.

This was the first full quarter that the Company's refreshed Board has worked together, which is an exciting milestone for the Company.

During the quarter:

- (a) **Operations review and investments strategy:** The Board and its management undertook a review of the Company's operations, which sets the strategy for the Company moving forward. As part of this review, the Company identified and considered diversified investment opportunities, primarily in the financial services sector. The Board remains cognisant of the challenges presented by COVID-19, however, remains focussed on identifying growth opportunities for the Company and its shareholders.

At this stage, the Company is considering opening an overseas subsidiary office in Asia, which will allow the Company to positively leverage on the Board's significant local and international experience in the financial services and investments sector, and take steps, to build on the Company's future as a diversified investments company.

The Board will continue to progress its operations review and investments strategy this quarter.

- (b) **Measures to address COVID-19 risks:** The Board and its management has taken steps to mitigate against any potential impact of COVID-19 on its operations and work practices. At this stage, the Company does not consider that COVID-19 will have a material impact on its operations.
- (c) **Other quarterly activity report requirements:** The quarter was not included in a period covered by a "use of funds". The Company made Director fee payments to its Directors, which are captured in section 6 of the Appendix 4C.

This announcement has been authorised for release by the Board.

## Notes

1. This quarterly cash flow report and the accompanying activity report provide a basis for informing the market about the entity's activities for the past quarter, how they have been financed and the effect this has had on its cash position. An entity that wishes to disclose additional information over and above the minimum required under the Listing Rules is encouraged to do so.
2. If this quarterly cash flow report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, *AASB 107: Statement of Cash Flows* apply to this report. If this quarterly cash flow report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standard applies to this report.
3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
4. If this report has been authorised for release to the market by your board of directors, you can insert here: "By the board". If it has been authorised for release to the market by a committee of your board of directors, you can insert here: "By the [name of board committee – eg Audit and Risk Committee]". If it has been authorised for release to the market by a disclosure committee, you can insert here: "By the Disclosure Committee".
5. If this report has been authorised for release to the market by your board of directors and you wish to hold yourself out as complying with recommendation 4.2 of the ASX Corporate Governance Council's *Corporate Governance Principles and Recommendations*, the board should have received a declaration from its CEO and CFO that, in their opinion, the financial records of the entity have been properly maintained, that this report complies with the appropriate accounting standards and gives a true and fair view of the cash flows of the entity, and that their opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.
