

## ASX RELEASE

29 May 2020

### Megaport Limited - Appointment of Chief Financial Officer

Megaport Limited ACN 607 301 959 (**Megaport**) (**ASX: MP1**) today announced that Mr Sean Cassidy has been appointed to the role of Chief Financial Officer (CFO) and will join the Company on 15 July 2020.

Mr Cassidy will be responsible for overall financial management, reporting, budgeting, taxation, risk management, audit, and compliance. He will report directly to Megaport's Chief Executive Officer, Vincent English.

An experienced CFO, Mr Cassidy joins Megaport after having spent two years as CFO at Blu Wireless Technology Limited in the UK. In the four years prior to that, Sean held CFO Commercial Operations and Senior Vice President Finance - Consumer Group roles at Cable & Wireless Communications in Miami, USA. Prior to joining Cable & Wireless, Sean held senior finance roles with Digicel Group in Jamaica and Marks and Spencer in the UK.

"We are delighted to welcome Sean to the Megaport executive team," said Vincent English, Chief Executive Officer, Megaport. "His deep experience with global network and communications businesses will be of great value to Megaport as we continue to innovate new services and expand our global reach."

Sean holds a Bachelor of Science with Honours in physics from the University of Manchester, and is a qualified Chartered Accountant.

Authorised by the Board of Megaport Limited.

Celia Pheasant  
Company Secretary

## About Megaport

Megaport is a global leading provider of Elastic Interconnection services. Using Software Defined Networking (SDN), the Company's global platform enables customers to rapidly connect their network to other services across the Megaport Network. Services can be directly controlled by customers via mobile devices, their computer, or our open API. Megaport connects more than 1,777 customers in 601 enabled data centres globally. Megaport is an Alibaba Cloud Technology Partner, AWS Technology Partner, AWS Networking Competency Partner, Google Cloud Interconnect Partner, IBM Direct Link Cloud Exchange provider, Microsoft Azure Express Route Partner, Nutanix Direct Connect Partner, Oracle Cloud Partner, Salesforce Express Connect Partner, and SAP PartnerEdge Open Ecosystem Partner.

## About Megaport Cloud Router

Launched in January 2018, Megaport Cloud Router (MCR) enables customers to instantly provision and control virtual routers through Megaport's web-based portal. Enterprises and Service Providers can unlock powerful use cases such as cloud-to-cloud networking and deploy Virtual Points of Presence (VPOPs) without the need to purchase or maintain physical routing equipment. MCR enables customers to rapidly deploy services, granularly control traffic, and reduce total cost of ownership. More information about MCR can be found at: <https://www.megaport.com/services/megaport-cloud-router/>
