## Infigen announces Recommended Takeover Offer from Iberdrola

Infigen (ASX: IFN) has today entered into a Bid Implementation Agreement (BIA) with Iberdrola Renewables Australia Pty Ltd (Iberdrola) under which Iberdrola will make an off-market takeover bid for Infigen at a price of 86 cents per stapled security in cash.

Iberdrola's takeover offer price represents a 69.8% premium to the three month volume weighted average price (VWAP) of Infigen stapled securities prior to the announcement of a takeover offer by UAC Energy Holdings Pty Ltd (UAC) on 3 June 2020 and is at a 7.5% premium to the UAC offer.

The offer from Iberdrola follows an extended period of engagement with Infigen regarding potential cooperation or a control transaction.

Iberdrola is a global energy leader, the number-one producer of wind power, and one of the world's biggest electricity utilities by market capitalisation. Iberdrola has over 55GW of installed capacity with leading market positions in Spain, the UK, the US and South America. Iberdrola is listed on all four Spanish stock exchanges and has an American Depository Receipt (ADR) that trades on the New York Stock Exchange. Iberdrola provides energy to 34 million customer billing points worldwide.

Iberdrola has informed Infigen that Iberdrola and Infigen's largest security holders TCI Funds, have entered into a pre-bid agreement under which TCI Funds has agreed to sell 20% of Infigen Stapled Securities to Iberdrola no earlier than two months after commencement of the offer subject to FIRB approval being obtained and no superior proposal emerging or earlier if TCI Funds' acceptance would result in Iberdrola having a relevant interest in more than 50% of Infigen Stapled Securities.

### 1. Infigen's Recommendation in respect of Iberdrola's offer.

The Board unanimously recommends that security holders accept the offer from Iberdrola and each Director intends to accept the offer, or procure acceptance of the offer, in respect of all Infigen securities they control, in each case in the absence of a superior proposal.

In forming its recommendation that Infigen security holders accept Iberdrola's offer in the absence of a superior proposal, the Board noted the following:

- The offer price represents an attractive premium to Infigen's undisturbed security price (i.e. as at 2 June 2020, being the last day before announcement by UAC of its offer) of:
  - 45.8% to the closing price of 59 cents per security at 2 June 2020;
  - 54.2% to the one month VWAP of 56 cents per security; and
  - 69.8% to the three month VWAP of 51 cents per security;

- The offer price is a 7.5% premium to UAC's offer price of 80 cents per security.
- Iberdrola's offer is less conditional overall than UAC's offer, including not being subject to the due diligence and disclosure conditions contained in the UAC offer. Infigen also notes that Iberdrola is aware of the terms of Infigen's debt facilities and has advised that if the corporate facility lenders:
  - Call for a review subsequent to the change in control occurring
  - Require repayment subsequent to the reviewthen if it is necessary, it is Iberdrola's intention to provide an unsecured loan on arm's length terms to Infigen.

Full details of the Board's recommendation will be set out in Infigen's Target's Statement.

## 2. Conditions of Iberdrola's offer.

Detailed conditions of Iberdrola's offer and terms are contained in the attached BIA. Certain key bid conditions are summarised below (Refer Schedule 1 of the BIA):

- Iberdrola's offer is conditional on:
  - approval from FIRB under the Foreign Acquisitions and Takeover Act (1975);
  - there being no material adverse change. A material adverse change is defined as an event which has, or could reasonably be expected to have, the effect of a 15% or greater reduction in Infigen's Net Tangible Assets or EBITDA to 30 June 2020, compared to 30 June 2019 or a 20% or greater reduction in reasonably expected EBITDA for FY21 or FY22, occurring before the Offer becomes unconditional;
  - Iberdrola achieving a relevant interest in more than 50% of Infigen's outstanding securities on a fully diluted basis; and
  - certain other standard conditions set out in full in the attached Bid Implementation Agreement.

Infigen has also agreed to certain exclusivity conditions with Iberdrola in the BIA, including customary 'no shop', 'no talk' provisions (subject to fiduciary exceptions), a matching right in the event of the emergence of a competing proposal and the payment of a reimbursement fee of 1% of the equity value of Infigen implied by the offer in certain circumstances. Full details are set out in the attached BIA.

## 3. UAC Energy – Reject recommendation.

Further to Infigen's ASX release of 3 June recommending investors take no action in relation to UAC's offer, Infigen's Board now unanimously recommends that investors should reject UAC's offer, which is expected to be opened shortly. Full details with respect to this recommendation will be set out in Infigen's Target's Statement in respect of the UAC offer which Infigen expects to send to security holders in the week ending 26 June 2020.

## 4. Next Steps.

Iberdrola is expected to lodge its Bidder's Statement with ASX and ASIC shortly. Infigen intends to dispatch its Target's Statement with respect to the Iberdrola offer to security holders as soon as practical after the release of the Bidder's Statement.

- 5.2 Subject to the Corporations Act and the FATA, the Bidder may declare the Takeover Bid to be free from any Bid Condition or extend the Takeover Bid at any time.

## **6 PAYMENT OF COSTS**

### **Background**

- 6.1 The Target acknowledges that, if they enter into this Agreement and the Takeover Bid is subsequently not implemented, the Bidder will incur significant costs, including those set out in clause 6.3.
- 6.2 In these circumstances, the Bidder has requested that provision be made for the payments detailed in this clause 6, without which the Bidder would not have entered into this Agreement or have otherwise agreed to implement the Takeover Bid.
- 6.3 The Reimbursement Fee has been calculated to reimburse the Bidder for costs including the following:
- 6.3.1 fees for legal, financial and other professional advice in planning and implementing the Takeover Bid (excluding success fees);

- 6.3.2 reasonable opportunity costs incurred in engaging in the Takeover Bid or in not engaging in other alternative acquisitions or strategic initiatives;
- 6.3.3 costs of management and directors' time in planning and implementing the Takeover Bid;
- 6.3.4 out of pocket expenses incurred by the Bidder and the Bidder's employees, advisers and agents in planning and implementing the Takeover Bid; and
- 6.3.5 any damage to the Bidder's reputation associated with a failed transaction and the implications of those damages if the Bidder seeks to execute similar transactions in the future,

and the parties agree that:

- 6.3.6 the costs actually incurred by the Bidder will be of such a nature that they cannot all be accurately ascertained; and
  - 6.3.7 the Reimbursement Fee is a genuine and reasonable pre-estimate of those costs.
- 6.4 The Target confirms that the Target Board:
- 6.4.1 has received external legal advice in relation to this Agreement and the operation of this clause 6; and
  - 6.4.2 having taken advice from its external legal advisers and financial advisers, believes that the Takeover Bid will provide benefits to it and its securityholders and that it is appropriate for it to agree to the payments referred to in this clause 6 in order to secure the Bidder's participation in the Takeover Bid.

#### **Payment of costs incurred by the Bidder**

- 6.5 The Target undertakes to pay the Reimbursement Fee to the Bidder without set-off or withholding if:
- 6.5.1 during the Exclusivity Period, whether or not permitted under this Agreement, any Target Director:
    - 6.5.1.1 fails to make or makes and then, withdraws or adversely changes his or her:
      - (a) recommendation that Target Securityholders accept the Offer made to them under the Takeover Bid (which recommendation may, without triggering an obligation to pay the Reimbursement Fee, be qualified by words to the effect of "*in the absence of a superior proposal*"); or
      - (b) statement of intention to accept, or procure the acceptance of, the Offer made to him or her in respect of all Target Securities he or she owns or control in the absence of a Superior Proposal (which statement may, without triggering an obligation to pay the Reimbursement Fee, be qualified by words to the effect of "*in the absence of a superior proposal*");

other than as a result of the Target validly terminating this Agreement in accordance with clauses 11.1 and 11.3;

- 6.5.2 during the Exclusivity Period, the Target enters into any agreement in relation to, or any Target Director, whether or not permitted under this Agreement, recommends that Target Securityholders accept or vote in favour of or otherwise supports or endorses (including support by way of accepting or voting in favour of) any actual or proposed Competing Proposal (whether or not that Competing Proposal is subject to any pre-conditions and whether or not that Competing Proposal has already been announced or made as at the date of this Agreement);
- 6.5.3 a Competing Proposal of any kind is announced, or varied during the Exclusivity Period (whether or not such proposal is stated to be subject to any pre-conditions) and, within twelve months of the date of such announcement, the Third Party or any Associate of that Third Party acquires (either alone or in aggregate) a Relevant Interest in more than 50% of the Target Securities; or
- 6.5.4 the Bidder validly terminates this Agreement in accordance with clauses 11.1.1, 11.2.1, 11.2.2 or 11.2.3.

#### **Timing of payment**

- 6.6 The Target must pay the Reimbursement Fee to the Bidder without set-off or withholding within 20 Business Days after the receipt by the Target of a written demand for payment from the Bidder. The demand may only be made after the occurrence of an event referred to in clause 6.5.

#### **Refund**

- 6.7 Notwithstanding the occurrence of any event described in clause 6.5:
  - 6.7.1 if the Bidder (together with its Related Bodies Corporate) ultimately becomes, within twelve months of the Announcement Date, the holder of more than 50% of the Target Securities as a result of the Takeover Bid the Reimbursement Fee is not payable, or if it has been paid, the Bidder must be immediately refunded to the Target; or
  - 6.7.2 if the Reimbursement Fee has been paid and within twelve months after the first event triggering the obligation to pay it under clause 6.5, the Bidder (together with its Related Bodies Corporate) subsequently acquires more than 50% of the Target Securities, the Bidder must immediately refund the Reimbursement Fee to the Target.
- 6.8 Clause 6.7 is given for the benefit of, and may be enforced by, any Target Securityholder.

#### **Compliance with law**

- 6.9 This clause 6 does not impose an obligation on the Target to pay the Reimbursement Fee to the extent (and only to the extent) that the obligation to pay the Reimbursement Fee:
  - 6.9.1 is declared by the Takeovers Panel to constitute 'unacceptable circumstances';
  - 6.9.2 is determined by a court to be unenforceable or unlawful; or
  - 6.9.3 is determined by a court to involve a breach of the Target Director's fiduciary or statutory obligations.

- 6.10 The Target must not make or cause or permit to be made, or make submissions in support of any application to the Takeovers Panel or a court for or in relation to a declaration or determination referred to in clause 6.9.

**Reimbursement Fee payable only once**

- 6.11 Where a Reimbursement Fee becomes payable to the Bidder under this clause 6 and is actually paid to the Bidder, the Bidder cannot make any claim against the Target for payment of any subsequent Reimbursement Fee.

**Limitation of liability**

- 6.12 Notwithstanding any other provision of this Agreement, but subject to clause 6.13:
- 6.12.1 the maximum liability of the Target to the Bidder under or in connection with this Agreement, including in respect of any breach of this Agreement or a breach of a Target Representation or Warranty, is limited to an amount equal to the Reimbursement Fee; and
- 6.12.2 if the Target pays the Reimbursement Fee to the Bidder under this Agreement, the Target has no further liability to the Bidder for any Claim under or in connection with this Agreement.
- 6.13 Nothing in clause 6.12 prevents the Bidder from seeking an order for specific performance by the Target of its obligations under this Agreement from a court of competent jurisdiction.

**Compliance with law**

- 6.14 If it is finally determined following the exhaustion of all reasonable avenues of appeal to the Takeovers Panel that all or any part of the Reimbursement Fee (**Unlawful Payment**):
- 6.14.1 would, if paid, be unlawful for any reason;
- 6.14.2 involves a breach of the fiduciary or statutory duties of the Target Board; or
- 6.14.3 constitutes unacceptable circumstances (within the meaning of the Corporations Act) or breaches an order of the Takeovers Panel,
- then:
- 6.14.4 the requirement to pay the Reimbursement Fee does not apply to the extent of the Unlawful Payment; and
- 6.14.5 if the Bidder has received the Unlawful Payment, it must refund it within five Business Days of the final determination being made.
- 6.15 The Target must not seek any such determination and must use all reasonable endeavours to ensure that no such determination is made.

**Survival**

## **SCHEDULE 4: AGREED ANNOUNCEMENT**

17 June 2020

## Infigen announces Recommended Takeover Offer from Iberdrola

Infigen (ASX: IFN) has today entered into a Bid Implementation Agreement (BIA) with Iberdrola Renewables Australia Pty Ltd (Iberdrola) under which Iberdrola will make an off-market takeover bid for Infigen at a price of 86 cents per stapled security in cash.

Iberdrola's takeover offer price represents a 69.8% premium to the three month volume weighted average price (VWAP) of Infigen stapled securities prior to the announcement of a takeover offer by UAC Energy Holdings Pty Ltd (UAC) on 3 June 2020 and is at a 7.5% premium to the UAC offer.

The offer from Iberdrola follows an extended period of engagement with Infigen regarding potential cooperation or a control transaction.

Iberdrola is a global energy leader, the number-one producer of wind power, and one of the world's biggest electricity utilities by market capitalisation. Iberdrola has over 55GW of installed capacity with leading market positions in Spain, the UK, the US and South America. Iberdrola is listed on all four Spanish stock exchanges and has an American Depository Receipt (ADR) that trades on the New York Stock Exchange. Iberdrola provides energy to 34 million customer billing points worldwide.

Iberdrola has informed Infigen that Iberdrola and Infigen's largest security holders TCI Funds, have entered into a pre-bid agreement under which TCI Funds has agreed to sell 20% of Infigen Stapled Securities to Iberdrola no earlier than two months after commencement of the offer subject to FIRB approval being obtained and no superior proposal emerging or earlier if TCI Funds' acceptance would result in Iberdrola having a relevant interest in more than 50% of Infigen Stapled Securities.

### 1. Infigen's Recommendation in respect of Iberdrola's offer.

The Board unanimously recommends that security holders accept the offer from Iberdrola and each Director intends to accept the offer, or procure acceptance of the offer, in respect of all Infigen securities they control, in each case in the absence of a superior proposal.

In forming its recommendation that Infigen security holders accept Iberdrola's offer in the absence of a superior proposal, the Board noted the following:

- The offer price represents an attractive premium to Infigen's undisturbed security price (i.e. as at 2 June 2020, being the last day before announcement by UAC of its offer) of:
  - 45.8% to the closing price of 59 cents per security at 2 June 2020;
  - 54.2% to the one month VWAP of 56 cents per security; and
  - 69.8% to the three month VWAP of 51 cents per security;

- The offer price is a 7.5% premium to UAC's offer price of 80 cents per security.
- Iberdrola's offer is less conditional overall than UAC's offer, including not being subject to the due diligence and disclosure conditions contained in the UAC offer. Infigen also notes that Iberdrola is aware of the terms of Infigen's debt facilities and has advised that if the corporate facility lenders:
  - Call for a review subsequent to the change in control occurring
  - Require repayment subsequent to the reviewthen if it is necessary, it is Iberdrola's intention to provide an unsecured loan on arm's length terms to Infigen.

Full details of the Board's recommendation will be set out in Infigen's Target's Statement.

## 2. Conditions of Iberdrola's offer.

Detailed conditions of Iberdrola's offer and terms are contained in the attached BIA. Certain key bid conditions are summarised below (Refer Schedule 1 of the BIA):

- Iberdrola's offer is conditional on:
  - approval from FIRB under the Foreign Acquisitions and Takeover Act (1975);
  - there being no material adverse change. A material adverse change is defined as an event which has, or could reasonably be expected to have, the effect of a 15% or greater reduction in Infigen's Net Tangible Assets or EBITDA to 30 June 2020, compared to 30 June 2019 or a 20% or greater reduction in reasonably expected EBITDA for FY21 or FY22, occurring before the Offer becomes unconditional;
  - Iberdrola achieving a relevant interest in more than 50% of Infigen's outstanding securities on a fully diluted basis; and
  - certain other standard conditions set out in full in the attached Bid Implementation Agreement.

Infigen has also agreed to certain exclusivity conditions with Iberdrola in the BIA, including customary 'no shop', 'no talk' provisions (subject to fiduciary exceptions), a matching right in the event of the emergence of a competing proposal and the payment of a reimbursement fee of 1% of the equity value of Infigen implied by the offer in certain circumstances. Full details are set out in the attached BIA.

## 3. UAC Energy – Reject recommendation.

Further to Infigen's ASX release of 3 June recommending investors take no action in relation to UAC's offer, Infigen's Board now unanimously recommends that investors should reject UAC's offer, which is expected to be opened shortly. Full details with respect to this recommendation will be set out in Infigen's Target's Statement in respect of the UAC offer which Infigen expects to send to security holders in the week ending 26 June 2020.

## 4. Next Steps.

Iberdrola is expected to lodge its Bidder's Statement with ASX and ASIC shortly. Infigen intends to dispatch its Target's Statement with respect to the Iberdrola offer to security holders as soon as practical after the release of the Bidder's Statement.
