Energy Technologies Limited (ASX:EGY) - Request for a Trading Halt

Energy Technologies Limited (EGY) requests that an immediate trading halt be granted by ASX in respect of ordinary shares from the commencement of trading on 22nd June 2020.

The trading halt is requested pending an announcement by EGY in relation to a proposed capital raising.

In accordance with ASX Listing Rule 17.1, EGY provides the following information:

- a) EGY requests that the trading halt continue until the earlier of commencing of normal trading on Wednesday 24th June 2020 and when the company makes an announcement to the market and requests the trading halt to be lifted;
- b) EGY is not aware of any reasons why the trading halt should not be granted; and
- c) EGY is not aware of any other information to inform the market about the trading halt.

About Energy Technologies

Energy Technologies Limited (ABN 38 002 679 469) seeks to develop business opportunities in niche sectors of the electric power industry either by the introduction and manufacturing of innovative new products with market dominance potential due to their unique nature or by the acquisition of established but tired manufacturing brands that offer market dominance potential via a sustained turnaround and the infusion of new ideas, people and capital. In both cases the company follows strict investment criteria and relies on the proven experience of its management and advisory team to determine which products or companies it should develop and how such development should take place. The Company has a 100% ownership of Bambach Wire and Cables Pty Ltd, a manufacturer of low voltage copper insulated cables, as well as a strategic holding in Dulhunty Poles Pty Ltd, a manufacturer of fiber reinforced cement distribution poles. It also owns 100% of Cogenic Pty Ltd, a development company focused on the renewable energy sector. **Learn more about Energy Technologies at www.energytechnologies.com.au**
