**30 June 2020** - Identitii Limited (**Identitii, Company**) (**ASX:ID8**), the award winning FinTech creating a global ecosystem for financial information using existing systems, has appointed three new financial services industry veterans to accelerate global sales and business development activities. The new hires bring over 30 years' experience in selling to financial institutions both in Australia and around the world.

#### Commenting on the announcement, John Rayment, CEO, Identitii, says:

"Increasing value for shareholders in the near-term means closing the deals in front of us and continuing to focus on sales and marketing to drive new business," says John Rayment, CEO, Identitii. "Engaging talented individuals who have worked in and with some of our target accounts, is a key part of our strategy to accelerate business development activities. Peter, Nick and Andrew each bring a wealth of knowledge and industry contacts to Identitii, to support our existing efforts to close the deals in front of us and to continue to increase new deals in the pipeline. We're thrilled to have them on board and look forward to providing updates in due course."

Before joining Identitii, Peter Agnew held the position of Head of Payments, Asia Pacific and Middle East at Travelex, the global foreign exchange business, where he was responsible for delivering sales growth against Travelex's global payments strategy through new business acquisition of financial institution partners. Prior to that, Peter spent six years with Western Union Business Solutions, a division of Western Union and provider of cross-border payment solutions, where he was responsible for sales and increasing growth across the organisation's corporate and financial institution customer base in Australia and New Zealand. Peter is based in Melbourne.

Nick Barrett, former Global Chief Operating Officer for Corporate Banking Coverage at Deutsche Bank is based in London. Prior to joining Identitii, Nick spent 12 years at Deutsche Bank, holding various roles in Singapore and the United Kingdom. Most recently, Nick was responsible for Deutsche Bank's global multinational corporate and financial institution clients across cash management, trade finance and foreign exchange products.

Andrew Creighton is the former Global Transformation Head for Integrated Middle Office (IMO) at Standard Chartered Bank (SCB) in Singapore, where he was responsible for creating and executing the banks' transformation program across Banking Platforms covering operations, risk and technology. Prior to SCB, Andrew held roles with UBS in Singapore and National Australia Bank (NAB) in Melbourne, leading transformation, compliance and robotic process automation (RPA). Andrew is based in Melbourne.

This announcement has been approved and authorised to be given to ASX by the Board of Identitii Limited.
