## **FREAK Entertainment Update**

**Indoor Skydive Australia Group Limited (ASX:IDZ) (ISA Group)** is pleased to provide an update on Freak Entertainment, ISA Group's consumer virtual reality brand.

### **COVID-19 Restrictions**

After the closure of the Penrith facility on the 22<sup>nd</sup> March due to government regulations, operations have now resumed under the COVID-19 health guidelines.

### **Gold Coast Expansion**

After a successful pilot program at Penrith, Freak Entertainment has commenced fit out on its second facility, FREAK Gold Coast. The new site will be located within the iFLY Gold Coast building in the heart of Surfers Paradise. The venue will feature a single "Arena" show casing our two flagship games, Arizona Sunshine and Ghost Patrol. Both games are only available at FREAK venues within Australia.

FREAK Gold Coast is expected to open to the public in August 2020.

### **FREAK In A Box**

During the COVID-19 closures, FREAK introduced a home delivery service of premium equipment and pre-paid games for customers to play within their own homes. Due to the popularity of this service, FREAK in a Box will continue as an ongoing product in NSW and will be introduced into QLD as part of the Gold Coast operations.

ISA Group CEO, Wayne Jones said, "with the re-opening of FREAK Entertainment, we now have all operations open again in time for the school holidays in NSW and QLD. We expect operating restrictions to continue for the foreseeable future and remain cautious and diligent in complying with emerging government and regulatory guidelines."
