Application for quotation of +securities

Information or documents not available now must be given to ASX as soon as available. Information and documents given to ASX become ASX's property and may be made public.

Appendix 1 - Summary of CNI's Employee Stapled Security Scheme Plan Rules (Plan)

Administration and Board discretion

The CNI board (**Board**) will administer the Plan and may:

- (a) determine appropriate procedures and make regulations and policies for operating and administering the Plan provided they are consistent with the Plan rules;
- (b) terminate or suspend the operation of the Plan at any time, provided that the termination or suspension does not adversely prejudice the rights of participants; and
- (c) delegate all or any of its functions and powers under the Plan rules.

If the Plan rules provide for a determination, decision, approval or opinion of CNI or the Board, such determination, decision, approval or opinion will be in its absolute discretion and final.

Offers

The Board may from time to time at its discretion offer Stapled Securities under the Plan to eligible employees selected by the Board. An offer under the Plan is such form and with such terms and conditions, including holding locks and restrictions, as the Board determines in its discretion. Offers under the Plan are personal to a specified eligible employee and may not be transferred to any other person, unless explicitly specified. The Board will determine from time to time the issue price of Stapled Securities under the Plan.

Rights attaching to Stapled Securities and ranking

A participant is entitled to all of the rights that ordinarily accrue to a holder of a Stapled Security, other than the right to deal with the Stapled Security whilst a holding lock applies to it. Stapled Securities issued to participants under the offer of Stapled Securities will rank equally with all other existing Stapled Securities in all respects, including voting rights at meetings of the holders of Stapled Securities and entitlement to participate in dividends and in rights issues.

Restrictions

During the "restriction period" (being the 3 year period on and from the issue date or such other period that the Board determines in its discretion from time to time and notifies in writing to participants) :

- (a) a participant must not assign, transfer, sell, grant an encumbrance over or otherwise deal with their Stapled Securities (**Restriction**); and
- (b) each participant by accepting an offer under the Plan is taken to have undertaken not to request (or permit or procure another person to request) removal of any holding lock.

CNI may enter into arrangements as it considers necessary to enforce the Restriction and participants are deemed to agree to such arrangements including, without limitation placing a holding lock on the Stapled Securities or having the Stapled Securities held on behalf of the participants by the trustee of a trust established by CNI to assist with the operation of the Plan.

Forfeiture

Notwithstanding any other provision of the Plan rules, unless otherwise determined by the Board, a participant (and any person claiming through him or her) will forfeit all its Stapled Securities, any rights attaching to those and any other rights or entitlements under the Plan if:

- (a) the participant is dismissed for cause;
- (b) in the Board's reasonable opinion the participant acts fraudulently or dishonestly or is in material breach of duty (under a contract or otherwise) to CNI; or
- (c) in the Board's reasonable opinion, the participant has brought CNI into disrepute.

Termination

The Board may terminate or suspend the Plan at any time, provided that no Stapled Securities remain subject to the Restriction at that time. The Plan must be immediately terminated if an order is made or an effective resolution is passed for the winding up of CNI, other than for the purpose of amalgamation or reconstruction.

Reorganisation of capital

If there is a reorganisation of capital of CNI, then the rights of the participants are changed to the extent necessary to comply with the ASX Listing Rules in respect of a reorganisation of capital at the time.

Breach by the participant

Subject to the Corporations Act 2001 (*Cth*), Listing Rules or any other applicable law, if a participant breaches any of their obligations under the Plan rules, CNI may set-off the value of any benefit derived or held by that participant and any loss incurred by CNI as a result of such breach, against any amounts payable by CNI to the participant, whether such amounts are payable on termination of employment or otherwise.
