STOCK EXCHANGE ANNOUNCEMENT

23 July 2020

Commerce Commission releases further draft reasons paper

The Commerce Commission has released a further draft reasons paper on the fibre input methodologies.

The Commission will be releasing further consultation documents next month.

Chorus will be considering the inter-relationship between the various documents already released and still to be released. The published timetable indicates last submissions are due late September.

The final decision on Input Methodologies (excluding financial loss asset) is due on 13 October 2020. The final decision on Input Methodologies on financial loss asset is due 3 November 2020.
