Small Shareholders

The Company previously wrote to shareholders with less than a “marketable parcel” (i.e. less than \$500 worth by market value) of shares in the Company giving them the option to either remain a shareholder of the Company or have the Company sell their shares on their behalf and account to them for the proceeds.

The matter has now been completed with the Company having sold 915,981 shares (of a total of 210,719,329 shares in the Company on issue) at an average of 3.378 cents per share. The Company has met all costs of the sale and will account to the former owners of the shares for the proceeds of the sale.

This announcement is authorised by the Board.

About Techniche

Techniche Limited (ASX: TCN) is a niche global software house with many Fortune 100 clients using our asset & network management applications. With offices and teams in the 3 regions of EMEA, APAC and the North America, our focus is to continue to grow revenues with our current products while developing a new platform to address the emerging need to manage the increasing range of IP enabled operational assets (IoT) on a network, particularly in light industry, where asset reliability and availability is critical. Techniche has two existing product lines known as Statseeker and Urgent.
