

ASX ANNOUNCEMENT

Oneview Healthcare to host investor webinar with NYU Langone Health

27 July 2020. Oneview Healthcare PLC (ASX: ONE) a global healthcare technology company, advises that investors & shareholders are invited to join a virtual webinar session at **9:00am AEST, Wednesday August 5th 2020**.

Hosted by Oneview's Chief Strategy & Product Officer, Niall O'Neill, and NYU Langone's Senior Director, Digital Strategy & Innovation, Mike Mainiero, items for discussion in the webinar include insights into:

- NYU Langone's experience in rolling out the Oneview solution at the height of the pandemic;
- How digital technology is helping to improve the patient experience;
- How COVID-19 has made digital infrastructure at the bedside and agile innovation more important than ever; and
- Oneview's strategy for growth and product vision.

To register your attendance, please follow this link:

About Oneview Healthcare PLC

For healthcare systems who lead on exemplary care, Oneview Healthcare (www.oneviewhealthcare.com) provides digital tools for patients, families and caregivers to improve the care experience. Unifying a facility's systems, content and services into one digital Care Experience Platform at the point of care, Oneview helps providers to measure and improve experience, optimize patient flow, deliver virtual care and enable patients and families with dedicated touch and TV devices. Oneview has partnered with leading healthcare systems in the US, Australia, the Middle East and Asia to unify the care experience.
