HomeSend Loan Facility Repayment and Mastercard Facility Increase

12 August 2020

Wameja (LSE: WJA.L & ASX: WJA.AX), a joint venture partner with Mastercard in the HomeSend global payment hub, is pleased to advise that the loan facility provided by Wameja to HomeSend SCRL (as originally announced on 16 May 2019, the "Facility Agreement") has been fully repaid in the amount of €2,497,752.25. The Facility Agreement has now expired.

To support HomeSend's increasing requirements to fund the pre-payment timing gaps in its real time settlement model, and to provide the funds to repay the Facility Agreement, Mastercard has increased the loan facility it provides to HomeSend (as originally announced on 1 July 2020, the "Mastercard Facility") by €10M. There have been no other changes to the terms and conditions of the Mastercard Facility.
