## Weekly Net Tangible Asset Backing

QV Equities (ASX: QVE) advises that the estimated Net Tangible Asset backing per share as at 14 August 2020 was:

| ESTIMATED NET TANGIBLE ASSETS (NTA)* | QVE    |
|--------------------------------------|--------|
| NTA before tax (cum div)             | \$0.96 |
| NTA after tax (cum div)              | \$1.00 |

*\*The before and after tax NTA numbers relate to the provision for tax on net profit in addition to deferred tax on the unrealised losses/gains in the Company's investment portfolio. All figures are unaudited and approximate.*

***QV Equities (ASX: QVE) was listed in 2014 with the objective of providing shareholders with a portfolio of companies that sit outside the top 20 of the Australian Stock Exchange, selected by Investors Mutual based on their 'quality and value' investment philosophy.***

***The QVE portfolio aims to deliver consistent returns to investors over time through the growth of the underlying net tangible assets (NTA) of the company and through the provision of a consistent and growing fully franked dividend over time.***
