ABOUT AMAYSIM

amaysim is an asset light subscription utility provider. We have adopted the philosophy of putting our customers first by delivering them the best mobile and energy plans and we do this by providing clear and transparent plans and excellent customers service.

amaysim launched in 2010 and is Australia's fourth largest mobile service provider with over one million subscribers and a proven market disruptor.

amaysim is bringing the best of its ground-breaking approach to mobile into the energy sector with subscription energy services to help drive a fundamental shift in the industry towards simplicity and flexibility. amaysim is a technology-driven company, and offers customers smart tools, DIY account management and award winning, online-first customer support. All of amaysim's services also feature no lock-in contracts and are built to deliver a great customer experience and convenience. For more information about amaysim visit amaysim.com.au.
