About Stockland

We have a long and proud history of creating places that meet the needs of our customers and communities.

OUR STORY

When Stockland was founded in 1952, Ervin Graf had a vision “to not merely achieve growth and profits, but to make a worthwhile contribution to the development of our cities and great country”. Pursuing that vision has seen Stockland grow to become one of Australia’s largest diversified property groups. We develop and manage retail town centres, logistics, workplace properties, residential communities and retirement living villages. With the benefit of our diverse property skills, we connect different types of properties in shared locations, to create places that inspire people to gather, to share and to live life. We recognise our responsibilities to the environment and are a leader in sustainable business practices. For over 65 years, we have worked hard to grow our portfolio of assets and projects. We have a long and proud history of creating places that meet the needs of our customers and communities.

OUR PROPERTY PORTFOLIO

Stockland is one of Australia’s leading diversified property groups. We’re active in retail, logistics, workplace properties, residential communities and retirement living villages. This portfolio identifies all of our properties across Australia.

More information on Stockland’s activities and an online version of the portfolio data is available at www.stockland.com.au

**Somerton Distribution
Centre, Somerton, Vic**

This property consists of three warehouse facilities with adjacent boundaries: 20-50 Fillo Drive, a 31,000sqm warehouse; 10 Stubb Street, a modern 21,000sqm distribution facility; and 76-82 Fillo Drive, a modern 19,000sqm industrial building with future expansion potential.

An artist's impression of the M_Park development in NSW, Australia. The image shows two large, modern office buildings with glass facades, illuminated from within, set against a twilight sky. The buildings are connected by a central section with a textured, metallic facade. In the foreground, there is a landscaped area with trees, a paved walkway, and a road with cars. The overall scene is a vibrant and modern urban environment.

M_Park, NSW*

Located in Macquarie Park, a three hectare site, 12 kilometres north west of the Sydney CBD. Currently consisting of two buildings. Development approval has been granted for the masterplan and first stage of the M_Park development. The new commercial precinct will integrate office, retail and conference facilities. The first stage of development is expected to commence in late 2020.

Altrove 2015, 2017		Schofields	432	1,305 [§]	43%	N/A	Located approximately 40 kilometres north-west of the Sydney CBD, Altrove adjoins Schofields Train Station and is less than eight kilometres to Rouse Hill Town Centre. The community will feature over 400 residential lots, 350 townhomes and 7,000 square metres of park and public space within a town centre featuring a retail precinct, community centre and circa 500 proposed apartments. A 1.6 hectare hilltop park is a key feature of this site with views to the Blue Mountains.
Elara 2012, 2014, 2017		Marsden Park	1,944	4,289 [§]	74%	339,000 - 655,000†	Elara is the largest masterplanned community in Sydney's north-west and features tree-lined streets, parks and green open spaces with views to the Blue Mountains. This community will eventually include over 4,000 homes (including over 500 townhomes). Key features include a proposed neighbourhood retail precinct with a community, medical and child care centre. Elara is also home to St Luke's Catholic College which is already operating and a public primary school is planned. The 280 hectare site is close to key transport links, employment centres and has easy access to Blacktown, Parramatta and the Sydney CBD, which is less than an hour by train from nearby Schofields Train Station.
The Gables 2020		Box Hill	1,080	1,924	N/A	560,000 - 650,000†	The Gables is Stockland's newest development in the thriving North West corridor located at Box Hill. The Gables masterplan features 75 hectares of green space and local parks, a four hectare lake, and a variety of land parcels with lots ranging from 450sqm to 2,000sqm. The Gables also benefits from access to significant existing infrastructure including the Rouse Hill Town Centre and the Rouse Hill and Tallawong Road metro stations, which are both eight kilometres away from the community. Red Hill 2018		ACT	135	108 [§]	N/A	620,000 - 1,655,000	Red Hill is located in one of Canberra's most sought-after neighbourhoods just six kilometres south of the Canberra CBD. Stockland's proposed development plan includes 108 single-dwelling sites comprising 25 land lots and 83 luxury townhomes. Doma Group will separately deliver four buildings comprising 144 apartments and ground floor commercial space.
Willowdale 2011, 2017		Denham Court	1,481	3,686 [§]	81%	340,000 - 590,000†	Willowdale is a picturesque community that is well connected to greater Sydney from its Denham Court location. It is only three kilometres to Leppington railway station, 10 kilometres to the M5 & M7 motorways, and ~50 kilometres from the Sydney CBD. Once complete, Willowdale will feature ~3,700 homes, including ~270 townhomes and a retirement village. Residents already enjoy a community centre, neighbourhood shopping centre with a Coles supermarket and specialty shops, natural riparian corridors and playgrounds. Future plans for this community include sports ovals, child care centre and a proposed school across the 350 hectare site.
