## **Explanatory Notes**

These Explanatory Notes have been prepared to help Shareholders understand the business to be put to Shareholders at the forthcoming Annual General Meeting ("AGM").

#### 1. Financial Statements and Reports

The financial reports and the reports of the Directors and of the auditor for the financial year ended 31 December 2019 will be laid before the AGM, as required by section 317 of the Corporations Act. The Corporations Act does not require a vote of Shareholders on these reports.

The Company's 2019 Annual Report (which includes the Directors', Auditor's and Financial Reports) is available on the Company's website <u>www.soonmining.com</u>.

During this item of business, shareholders will be given a reasonable opportunity to ask questions about, and make comments on, those reports and the business and management of the Company.

Shareholders will also be given a reasonable opportunity to ask a representative of the Company's auditor, RSM, questions relevant to the conduct of the audit, the preparation and the content of the Auditor's Report, the accounting policies adopted by the Company in relation to the preparation of financial statements or the independence of the auditor in relation to the conduct of the audit.

## 2. Remuneration Report

The Corporations Act requires that the section of the Director's Report dealing with the remuneration of Directors ("Remuneration Report") be put to a vote of Shareholders for adoption by way of a resolution. The Remuneration Report commences on page 9 of the 2019 Annual Report which is available from the Company's website (www.soonmining.com).

The Report:

- describes the policies behind, and the objectives and structure of, the remuneration arrangements of the Company; and
- sets out the remuneration arrangements in place for each Director and for each of the key management personnel (KMP) of the Company.

The Corporations Act provides that the vote on the resolution is advisory only and will not bind the Directors or the Company, however the Board will take the outcome of the vote into consideration when reviewing the remuneration practices and policies.

If more than 25% of the votes are cast against two consecutive annual section 250R(2) resolutions, the Corporations Act requires a shareholder vote on whether to convene a special meeting at which all Directors (other than a managing director) who were in office when the second 250R(2) resolution was passed must stand for re-election.

At the Company's last annual general meeting, the votes cast against the 2018 remuneration report represented less than 25% of the total votes cast.

The Chair will give Shareholders a reasonable opportunity to ask questions about, or to make comments upon, the Remuneration Report before the resolution is put to the vote.

A voting exclusion statement applies to this item of business, as set out on page 4.

#### Board recommendation

The Directors recommend that Shareholders vote in favour of adopting the Remuneration Report.

#### 3. Election of Directors

#### **Retirement by rotation**

The Company's Constitution requires that one-third of the Directors (other than alternate Directors and the Managing Director) must retire at the AGM (retirement by rotation). If eligible, the retiring Director may offer himself or herself for reelection.

Accordingly, Mr Frederic Ferges has agreed to retire by rotation as a Director of the Company at the AGM and, being eligible, offers himself for re-election.

Biographical details for Mr Frederic Ferges follow:

#### **Mr Frederic Ferges**

Frederic is an accomplished professional with over 15 years of experience in executive management, corporate transformation, finance and audit. He has extensive global experience and has operated from both an executive management and advisory capacity. Frederic is also a CPA, Registered Company Auditor, and holds a Bachelor of Science degree.

More recently, Frederic is engaged by various companies in Australia, Asia and Europe, where he provides strategic and transformation consultancy, and/or outsourced CFO services.

Frederic was appointed as a Non-Executive Director and Company Secretary on 1 October 2019.

#### Board recommendation

The Board, other than Mr Ferges, considers that it is in the best interests of Shareholders that this Director remains on the Board of the Company and recommends that Shareholders votes in favour of the election of Mr Ferges.

#### 4. Approval of additional 10% placement capacity

#### Listing Rule 7.1A

Under Listing Rule 7.1A, certain eligible entities (being companies that are outside the S&P/ASX 300 index and that also have a market capitalisation of \$300 million or less) may issue Equity Securities up to a further 10% of its share capital within a 12 month period without further Shareholder approval if Shareholders have passed a special resolution under Listing Rule 7.1A at the Company's AGM. The 10% capacity is in addition to the 15% placement capacity under Listing Rule 7.1.

The number of Equity Securities that may be issued is to be determined in accordance with the following formula prescribed in Listing Rule 7.1A.2:

#### (A x D) – E

Where:

- **A** is the number of fully paid Shares on issue 12 months before the date of issue or agreement:
  - plus the number of fully paid Shares issued in the 12 months under an exception in Listing Rule 7.2;
  - plus the number of partly paid Shares that became fully paid in the 12 months;
  - plus the number of fully paid Shares issued in the 12 months with approval of Shareholders under Listing Rule 7.1 and 7.4. This does not include an issue of fully paid shares under the Company's 15% capacity pursuant to Listing Rule 7.1 without Shareholder approval; and
  - less the number of fully paid Shares cancelled in the 12 months;
- **D** is 10%; and

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of Shareholders under Listing Rule 7.1 or 7.4.

The Company is not a member of the S&P / ASX 300 Index and has a market capitalisation of approximately \$31.64 million (as at market close on 30 June 2020). The Company is therefore an 'eligible entity' for the purpose of Listing Rule 7.1A.

Refer to Annexure A for additional disclosures required in accordance with Listing Rule 7.3A.

A voting exclusion statement applies to this item of business, as set out on page 4.

#### Board recommendation

The Directors recommend that Shareholders vote in favour of the additional 10% placement capacity.

If you do not do so, your proxy will not be able to vote on your behalf on resolution 2.

#### Entitlement to vote

The Board has determined that a shareholder's voting entitlement at the Annual General Meeting will be taken to be the entitlement of the person shown on the register of members as at 07:00 pm (Brisbane time) on Wednesday, 23 September 2020. Accordingly, share transfers registered after that time will be disregarded in determining entitlements to attend and vote at the meeting.

In order to vote at the meeting (other than by proxy – see below for instructions), a corporation that is a shareholder must appoint a person to act as its representative. The appointment must comply with the Corporations Act. A letter of representation must be either lodged with the registrar, prior to the commencement of the meeting or the representative must bring to the meeting evidence of his or her appointment including any authority under which it is signed.

A proxy can be either an individual or a body corporate. Should you appoint a body corporate as your proxy, that body corporate will need to ensure that it:

 appoints an individual as its corporate representative to exercise its powers at meetings, in accordance with section 250D of the Corporations Act; and

• provides the Company with satisfactory evidence of the appointment of its corporate representative prior to commencement of the meeting. If such evidence is not received before the meeting, then the body corporate (through its representative) will not be permitted to act as a proxy.

A member may appoint no more than two proxies or attorneys. Each proxy or attorney must be appointed to represent a specified proportion of the member's voting rights.
