The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

The company as a whole has 71% men and 29% women.</p> <p>The Board will adopt measureable objectives to assist the Company to achieve gender diversity and review the Company's progress in meeting these objectives and the effectiveness of these objectives each year.</p> <p>The Diversity Policy is available on the Company's website.</p>
<p>Recommendation 1.6</p> <p>A listed entity should:</p> <p>(a) have and disclose a process for periodically evaluating the performance of the board, its committees and individual directors; and</p> <p>(b) disclose, in relation to each reporting period, whether a performance evaluation was undertaken in the reporting period in accordance with that process.</p>	<p>Under the Board Charter, each Director's performance is assessed when standing for re-election. Before each annual general meeting, the Chairperson of the Board assesses the performance of any Director standing for re-election and the Board determines their recommendation to shareholders on the re-election of the Director (in the absence of the Director involved). The Board (excluding the Chairperson) conducts the review of the Chairperson.</p> <p>The Company does not currently have a formal process for evaluating the performance of the Board. The Board conducts an introspective annual discussion of its performance on a collective basis to identify general aspects of its performance that could be improved upon, and such analysis includes the roles played by each Board member. Such reviews therefore encapsulate collective discussion around the performance of individual Board members, their roles on specific projects during the financial year, and where relevant, how their role could be modified or suggestions for individual development or performance improvement for the future.</p> <p>Until such time as the Company expands to justify an expansion of Board members, the Board is of the current opinion that such performance evaluation is suitable for the Company.</p>

In assessing the performance of the individual, the review includes consideration of the senior executive's function, individual targets, group targets, and the overall performance of the Company.</p> <p>Due to the small size of the Company this performance evaluation has not been conducted in this reporting period.</p>
<p>Principle 2 – Structure the board to add value</p> <p><i>A listed entity should have a board of an appropriate size, composition, skills and commitment to enable it to discharge its duties effectively.</i></p>

The Board therefore performs the function of such a committee which includes the identification of skills and competencies required for the Board and related committees, as well as nomination, selection and performance evaluation of non-executive directors. The Board does not actively manage succession planning and instead relies upon the Board's extensive networking capabilities and/or executive recruitment firms to identify appropriate candidates when a Board vacancy occurs or when a vacancy is otherwise envisaged. Attributes of candidates put forward will be considered for 'best-fit' to the needs of the Board which are assessed at the time of the vacancy.</p> <p>The Nomination and Remuneration Committee Charter is available on the Company's website.</p>

Until such time as the Company is of a size that warrants the appointment of additional non-executive and independent directors, the Board is of the view that the absence of a majority of independent directors is not an impediment to its operations, shareholders or other stakeholders.</p>												
<p>Recommendation 2.5</p> <p>The chair of the board of a listed entity should be an independent director and, in particular, should not be the same person as the CEO of the entity.</p>	<p>The Chairperson of the Board is Matthew Driscoll, who is an independent, non-executive director.
