Dear Melissa,

**Request for Trading Halt**

Magnis Energy Technologies Ltd ["Magnis" or the "Company"] [ASX:MNS] requests that an immediate trading halt be granted by the Australian Securities Exchange [ASX] with respect to its ordinary shares.

The trading halt is requested for the purpose of considering, planning and executing a capital raising.

In accordance with ASX Listing Rule 17.1, the Company advises that:

1. The trading halt is necessary to assist the Company in managing its continuous disclosure obligations as the Company expects to make an announcement to the market in relation to the stated purpose above;
2. Magnis requests the trading halt in line with a possible capital raising and that the trading halt remains in place until the earlier of either the commencement of normal trading on Friday, 4 September 2020 or when an anticipated announcement regarding the stated purpose is released to the market; and
3. Magnis is not aware of either any reason why the trading halt should not be granted or of any other information necessary to inform the market about the trading halt.

Yours sincerely,
