

ASX Announcement

10 September 2020

Issue of AGC shares complete

Regeneus Ltd (ASX: RGS) (Regeneus or the Company), a clinical-stage regenerative medicine company, today announces it has issued a total of 22,459,393 shares to Japan-based manufacturer AGC Inc (AGC), following the previous announcement made on 20 December 2019 to mutually terminate the exclusive manufacturing and joint venture agreement.

Leo Lee, CEO and Executive Director of Regeneus noted: “We welcome AGC as a strategic investor in Regeneus and are pleased they have shown confidence in our progress and commercialisation strategy. Their support is further recognition of the commercial opportunity for Progenza for the treatment of knee osteoarthritis in Japan.”
