Dear James

**Request for Trading Halt**

Pursuant to ASX Listing Rule 17.1, Aus Tin Mining Limited (ASX: ANW) requests an immediate Trading Halt from ASX to be implemented for its ordinary shares prior to the commencement of trading on 18 September 2020.

In accordance with ASX Listing Rule 17.1, the Company provides the following information regarding this request:

1. The Company requests a Trading Halt pending an application to the Court by the Company regarding rectification of a technical compliance issue. The Company will seek orders from the Court in relation to its inadvertent failure to lodge a Cleansing Notice in relation to shares issued by the Company on 7 August, 11 August and 21 August 2020, within 5 business days of the issue of the shares. Whilst a Cleansing Notice for these issues was lodged on 8 September 2020, this was inadvertently outside the required timeframe for these share issues.
2. The Company requests the Trading Halt until the earlier of the application being heard and determined by the Court, and the commencement of trading on Tuesday, 22 September 2020.
3. The Company is not aware of any reason why the Trading Halt should not be granted.
4. The Company notes that its Entitlement Offer, due to close on 2 October 2020, will remain open during the Company's Trading Halt period.
5. The Company is not aware of any further information necessary to inform the market about the Trading Halt, although it intends to release a short explanatory announcement.

Yours faithfully
