

ASX Announcement

Aus Tin Mining Limited (ASX: ANW)

18 September 2020

**Request for Trading Halt
Delayed Cleansing Notices**

Aus Tin Mining Limited (**Aus Tin**, the **Company**) has today been granted a Trading Halt from the ASX in order to seek rectification of an administrative oversight in the lodgment of Cleansing Notices in relation to certain shares issued during August 2020.

The Trading Halt has been requested to effectively suspend trading in the Company's securities whilst it seeks orders from the Court in relation to its inadvertent failure to lodge a Cleansing Notice in relation to shares issued by the Company on 7 August, 11 August and 21 August 2020, within 5 business days of the issue of the shares. Whilst a Cleansing Notice for these share issues was lodged on 8 September 2020, this was inadvertently outside the required timeframe for each particular issue.

The Company's Rights Issue will remain open during this period and is unaffected by the Trading Halt.
