

22 September 2020

INVESTOR WEBINAR

Emperor Energy Limited (ASX: EMP) ('**Emperor**' or '**the Company**') advises that it will host an investor webinar at 11.00am AEST on Thursday, 24 September 2020.

Director Phil McNamara will provide an overview on the Company's 100%-owned Judith Gas Field located within the VIC/P47 Permit in the offshore Gippsland Basin, Victoria, as well as summarizing recent progress and near term project objectives.

The briefing will be followed by a Q&A session, and questions can be submitted now to alex@investorstream.com.au or in written form during the webinar.

Anyone wishing to attend the webinar needs to register using the link below.
