Dear Ms Kang,

Re: Request for a Trading Halt

Vango Mining Limited ("Vango" or the "Company") (ASX: VAN) requests a halt in trading of Vango's Equity Securities listed on ASX from the commencement of trading on Wednesday 23 September 2020 pending the release of an announcement regarding a material update to drilling results at Marymia.

In accordance with ASX Listing Rule 17.1, Vango provides the following information:

- (a) The reasons for the trading halt are:
 - (i) There is a pending announcement regarding a material update to drilling results at Marymia being finalised by the Company;
 - (ii) There is a material risk that trading in Vango's Equity Securities might occur while the market as a whole is not reasonably informed; and
 - (iii) The trading halt is needed to prevent a false or disorderly market;
- (b) Vango requests that the trading halt lasts until the earlier of re-commencement of Vango Equity Security trading on Friday 25 September 2020, or release of a market announcement regarding a material update to drilling results at Marymia;
- (c) The trading halt, if granted, is expected to be ended by a market announcement regarding a material update to drilling results at Marymia;
- (d) Vango is not aware of any reason why the trading halt should not be granted; and
- (e) Vango is not aware of any other information necessary to inform the market about the trading halt.
