Next Science announced on 16 September 2020 that it would be undertaking a share purchase plan (**SPP**). The SPP is now open to eligible Next Science shareholders to apply for up to A\$30,000 of new fully paid ordinary shares in Next Science (**SPP Shares**) without incurring brokerage or other transaction costs.

The SPP follows the successful completion of an A\$8m placement to institutional and sophisticated investors at an issue price of A\$1.20 per share and receipt of an additional A\$2m commitment from major shareholder, Mr. Lang Walker, (with completion conditional upon shareholder approval), as announced on 17 September 2020.

- (ii) if their registered address is in New Zealand, they continued to hold shares from the Record Date to the Opening Date.

Shareholders who hold shares on behalf of, or who act for the account or benefit of, persons who reside outside Australia or New Zealand including persons who are in the United States, are not entitled to participate in the SPP.

The SPP Offer

SPP Shares are being offered at the lower of:

- (i) the issue price under the placement announced to the market on 16 September 2020 (being A\$1.20); and
- (ii) the price that is a 2% discount to the VWAP of Next Science shares on the ASX over the five trading days up to, and including, the closing date of the SPP (rounded down to the nearest cent).

The SPP is aiming to raise up to A\$5M million. In the event of oversubscriptions, the SPP will be subject to a scale back of applications at the absolute discretion of the Company.

SPP Shares will rank equally with existing Next Science fully paid ordinary shares on issue.

Participation in the SPP is voluntary.

CHAIRMAN'S LETTER

25 September 2020

Dear Next Science Shareholder

On behalf of the Board of Directors of Next Science, I am pleased to offer Eligible Shareholders an opportunity to participate in Next Science's share purchase plan (**SPP**), which was announced to the ASX on 16 September 2020 in conjunction with a placement of fully paid ordinary shares to institutional and sophisticated investors (**Placement**).

Under the SPP, Eligible Shareholders have the opportunity to subscribe for up to \$30,000 of fully paid, ordinary shares in Next Science (**New Shares**) at an issue price of the lower of \$1.20 per New Share (being the same price paid by institutional and sophisticated investors in the Placement) or the price that is a 2% discount to the volume weighted average price of Shares on the ASX over the five trading days up to, and including, the closing date of the SPP (**SPP Issue Price**), without incurring any brokerage costs or other transactions costs.

The issue price of New Shares under the Placement of \$1.20 per New Share represents a discount of 9% to the last closing price of Shares on the ASX on 15 September 2020 (being \$1.32 per Share) and a 6.25% discount to the volume weighted average price of Shares traded during the five ASX trading days up to and including 15 September 2020.

Use of proceeds

As announced to the ASX on 17 September 2020, Next Science successfully raised \$8 million under the Placement. Next Science's largest shareholder, Mr Lang Walker, has also provided a firm commitment to subscribe for \$2 million Shares at an issue price of \$1.20 per Share. The allocation of Shares to Mr Walker is conditional on shareholder approval which will be sought at an extraordinary general meeting expected to be held in mid to late November 2020. Proceeds from the Placement and the SPP will be used to provide working capital to support the launch of XPerience, Next Science's proprietary surgical rinse, in the US market in the first half of 2021, and for related commercialisation activities. The launch is conditional on clearance by the Food and Drug Administration of the USA (**FDA**).

Further details on the Placement are set out in the announcement lodged with the ASX on 16 September 2020.

Details of the offer under the SPP

The SPP is not underwritten and the total amount to be raised under the SPP is subject to a cap of \$5 million. If the total of the application monies under the SPP is greater than \$5 million, Next Science will scale-back applications in its absolute discretion. Next Science will use its best endeavours to ensure that SPP participants have a reasonable opportunity to participate equitably in the overall capital raising. Accordingly, any scale-back arrangements for SPP participants will be applied on a pro rata basis to all participants based on the number of New Shares that the Eligible Shareholder has applied for above the \$2,000 minimum application amount. In the event of a scale-back, you may be allocated New Shares to a value which is less than the parcel which you applied for and the difference will be refunded to you without interest.

The New Shares issued under the SPP will rank equally with existing Next Science shares quoted on the ASX. Participation in the SPP is optional and is open to Eligible Shareholders, being holders of fully paid ordinary Next Science shares as at 7:00pm (AEST) on 15 September 2020 with a registered address in Australia or New Zealand and who meet certain other conditions set out in this Booklet.

Your right to participate in the SPP is not transferrable.

How to apply

If you are an Eligible Shareholder and wish to participate in the SPP, you may apply to purchase New Shares with a minimum application amount of \$2,000 and any additional New Shares in increments of \$1,000, with a maximum application amount of \$30,000.

You can apply for New Shares by completing your application online and making payment directly by BPAY.

Your online application and BPAY payment must be received by 5.00pm (AEST) on 9 October 2020 (**Closing Date**).

Chairman
Next Science Limited

Important Notice:

You should read these Terms and Conditions carefully as you will be bound by them if you participate in the SPP.

If you participate in the SPP by completing an online application and by making a payment by BPAY, you are accepting the risk that the market price of Shares may change between the date of the Offer, the date you apply for New Shares and the issue of New Shares to you. The value of the New Shares that you apply for, over time, is likely to rise and fall. Importantly, there is a risk that during the period between when you apply for New Shares and when the New Shares are issued to you, you may be able to buy Shares on the ASX at a lower price than the SPP Issue Price. After the issue of the New Shares to you, the value of these New Shares will fluctuate over time and there is no guarantee that their value will not fall below the SPP Issue Price.

1. Eligible Shareholders

1.1 Subject to clauses 1.2 to 1.4, you are entitled to participate in the share purchase plan (**SPP**), if you:

- (a) were registered on the Register of Next Science Limited (**Next Science**) as a Shareholder at 7.00pm (AEST) on 15 September 2020 (**Record Date**);
- (b) have a registered address on the Record Date in Australia or New Zealand; and
- (c) if your registered address is in New Zealand, continue to hold Shares from the Record Date to the Opening Date, (**Eligible Shareholder**).

1.2 Eligible Shareholders who hold Shares as a “custodian” (as defined in ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547) (**Custodian**) may participate in the SPP on behalf of one or more persons whom the Custodian holds Shares on behalf of (**Custodian Beneficiaries**), provided the conditions set out in clause 4 are met.

1.3 Shareholders who hold Shares on behalf of persons who reside outside Australia or New Zealand including those who are “US persons” as defined in Regulation S under the US Securities Act of 1933, as amended (**US Securities Act**) (**US Persons**) or who act for the account or benefit of a US Person are not entitled to participate in the SPP.

1.4 If you are a joint holder of Shares, you are taken to be a single registered holder of Shares for the purposes of determining whether you are an Eligible Shareholder and joint holders are entitled to participate in the SPP in respect of that single holding only.

2. Offer

2.1 Next Science offers each Eligible Shareholder the opportunity to purchase up to \$30,000 worth of fully paid ordinary shares in Next Science (**New Shares**) under the SPP, subject to and in accordance with these Terms and Conditions.

2.2 Participation in the SPP is optional. The Offer is non-renounceable which means Eligible Shareholders cannot transfer their right to purchase New Shares to another person.

2.3 The Offer to each Eligible Shareholder (whether as a Custodian or on its own account) is made on these same Terms and Conditions.

2.4 All references to \$ or dollars in this Booklet are references to Australian dollars unless otherwise indicated.

3. Joint holders

3.1 If you receive more than one Offer due to multiple registered holdings, you may apply for New Shares by way of different Application Forms, but you may not apply for New Shares with an aggregate value of more than \$30,000.

4. Custodians

4.1 If a Custodian applies for New Shares on behalf of a Custodian Beneficiary, Next Science will not issue New Shares under the SPP unless the Custodian certifies the following in writing to Next Science:

(a) either or both of the following:

- (i) that the Custodian holds the Shares on behalf of one or more persons that are not custodians (**Participating Beneficiaries**); or
- (ii) that another custodian (**Downstream Custodian**) holds beneficial interests in Shares on behalf of a Participating Beneficiary, and the Custodian holds the Shares to which those beneficial interests relate on behalf of the Downstream Custodian or another custodian, on the Record Date and that each Participating Beneficiary has subsequently instructed the following persons to apply for New Shares under the SPP on their behalf:

- (i) where sub-paragraph 4.1(a)(i) applies – the Custodian; and
- (ii) where sub-paragraph 4.1(a)(ii) applies – the Downstream Custodian,

(b) the number of Participating Beneficiaries;

(c) the name and address of each Participating Beneficiary, and that each Participating Beneficiary’s address is located in Australia or New Zealand;

(d) in respect of each Participating Beneficiary:

- (i) where sub-paragraph 4.1 (a)(i) applies – the number of Shares that the Custodian holds on their behalf; and
- (ii) where sub-paragraph 4.1 (a)(ii) applies – the number of Shares to which the beneficial interests relate;

(e) in respect of each Participating Beneficiary:

- (i) where sub-paragraph 4.1 (a)(i) applies – the number or the dollar amount of New Shares they instructed the Custodian to apply for on their behalf; and
- (ii) where sub-paragraph 4.1 (a)(ii) applies – the number or the dollar amount of New Shares they instructed the Downstream Custodian to apply for on their behalf;

(f) there are no Participating Beneficiaries in respect of which the total of the application price for the following exceeds \$30,000:

- (i) the New Shares applied for by the Custodian under the SPP in accordance with the instructions referred to in sub-paragraph 4.1(e); and
- (ii) any other Shares issued to the Custodian in the 12 months before the application as a result of an instruction given by them to the Custodian or the Downstream Custodian to apply for Shares on their behalf under an arrangement similar to the SPP;

(g) that a copy of this Booklet was given to each Participating Beneficiary; and

(h) where sub-paragraph 4.1 (a)(ii) applies – the name and address of each Custodian who holds beneficial interests in the Shares held by the Custodian in relation to each Participating Beneficiary,

(**Custodian Certificate**).

- 4.2 A Custodian Certificate can be requested from Link Market Services Limited via email at capitalmarkets@linkmarketservices.com.au.
- 4.3 Applications received from Custodians must be accompanied by a duly completed and signed Custodian Certificate.
- 4.4 If you hold Shares as a trustee or nominee for another person, but are not a Custodian, you cannot participate for beneficiaries in the manner described above. In this case, clause 3 applies.
- 5. Applying for New Shares**
- 5.1 If you are an Eligible Shareholder and wish to participate in the SPP, you may apply to purchase New Shares with a minimum application amount of \$2,000 and any additional New Shares in increments of \$1,000, with a maximum application amount of \$30,000. If you do not wish to participate in the SPP, you may disregard this Booklet.
- 5.2 You can apply for New Shares by completing an online application and making payment directly by BPAY
- 5.3 Your online application and payment must be received by the Share Registry by BPAY by 5.00pm (AEST) on 9 October 2020 (**Closing Date**). The time of your application will be the time at which the Share Registry has received your BPAY® payment. If you submit an online application in 24 hours before the Offer closes you must ensure that your BPAY® payment is processed by your bank so that your application monies are received before 5:00PM (AEDT) on the Closing Date. If your payment is not received by this time, your application will be treated as a late application and may not be processed.
- 5.4 Eligible Shareholders who receive more than one Offer (for example, because they hold Shares in more than one capacity or in different registered holdings) may apply on different Application Forms for New Shares but may not apply for New Shares with an aggregate value of more than \$30,000.
- 5.5 Next Science may either accept or reject your application for New Shares at its absolute discretion. Next Science may reject your application in the following circumstances (among others):
- your Application Form is incorrectly completed, incomplete or otherwise determined by Next Science to be invalid;
 - your online application and BPAY payment is not received by the Closing Date or is otherwise incomplete or invalid. Late payments will be refunded (without interest);
 - Next Science believes that you are applying either directly or indirectly (such as through a trust) to buy more than an aggregate of \$30,000 of New Shares;
 - Next Science believes that you and one or more other registered holders of the same or similar name or address are applying to buy more than an aggregate of \$30,000 of New Shares;
 - Next Science believes you are not an Eligible Shareholder (subject to compliance with any applicable Australian Securities and Investments Commission or ASX requirements); or
 - your name is not recorded in the Register on the Record Date.
- 5.6 If your BPAY payment is for:
- an amount less than \$2,000, Next Science may, at its discretion, reject your application for New Shares and refund your application money in full (without interest); or
 - an amount greater than \$2,000 that is not equal to one of the designated amounts, Next Science may, at its discretion:

- reject your application for New Shares and refund your application money in full (without interest); or
- treat your application as if you had applied for the next lowest parcel of New Shares and refund the excess application money to you (without interest).

6. Issue price of New Shares under the SPP

- 6.1 The issue price per New Share under the SPP will be the lower of \$1.20 per New Share (being the same price paid by institutional investors in the Placement) or the price that is a 2% discount to the volume weighted average price of Shares on the ASX over the five trading days up to, and including, the Closing Date. The issue price under the Placement of \$1.20 per New Share represents a discount of 6.25% to the volume weighted average price of Shares traded during the five ASX trading days prior to and including the Record Date.
- 6.2 The current Share price can be obtained from the ASX and is listed in the financial and business section of major daily newspapers circulating in Australia.
- 6.3 You agree to pay the SPP Issue Price per New Share for the number of New Shares that are allocated to you in accordance with these Terms and Conditions.

7. Number of New Shares to be issued

- 7.1 If you apply for New Shares, you will apply for a certain value, rather than a certain number of New Shares. If your application is accepted, Next Science will divide the value of your application monies by the SPP Issue Price (as specified in clause 6) in order to determine the number of New Shares which, subject to Scale-back, will be issued to you.
- 7.2 If this calculation produces a fraction number, the number of New Shares you are issued will be rounded down to the nearest whole number of New Shares (refer to clause 10 for information on rounding in the event of a Scale-back).

8. The New Shares

- 8.1 New Shares will be issued on the Issue Date.
- 8.2 New Shares issued under the SPP will rank equally in all respects with existing Shares quoted on the ASX, with the same voting rights, distribution rights and other entitlements from issue.
- 8.3 Next Science will apply for the New Shares issued under the SPP to be quoted on ASX.

9. Costs of participation

- 9.1 No brokerage or other transaction costs will apply to the application for, and issue of, New Shares under the SPP.

10. Scale-back

- 10.1 If the total of the application monies under the SPP is greater than \$5 million, Next Science will scale-back the number of New Shares issued to each Eligible Shareholder to the extent and in the manner that it sees fit (**Scale-back**). Next Science will use its best endeavours to ensure that SPP participants have a reasonable opportunity to participate equitably in the overall capital raising. Accordingly, any Scale-back will be applied on a pro rata basis based on the number of New Shares that the Eligible Shareholder has applied for above the \$2,000 minimum application amount.
- 10.2 If a Scale-back occurs, you may receive less than the parcel of New Shares for which you have applied.
- 10.3 If a Scale-back produces a fractional number of Shares when applied to your issue of New Shares, the number of New Shares you will be allocated will be rounded down to the nearest whole number of New Shares.

10.4 If there is a Scale-back, your application monies may be greater than the value of the New Shares you will be issued. In such event, the excess application monies will be refunded to you without interest by direct credit (to your nominated account as recorded on the Register) or cheque as soon as practicable.

11. Risks

11.1 There is a risk that the market price of Shares may change between the date of the Offer, the date you apply for New Shares and the issue of New Shares to you. Accordingly, the value of the New Shares that you apply for, over time, is likely to rise and fall. Importantly, there is a risk that during the period between when you apply for New Shares and when the New Shares are issued to you, you may be able to buy Shares on the ASX at a lower price than the SPP Issue Price. After the issue of the New Shares to you, the price of these New Shares will fluctuate over time and there is no guarantee that their price will not fall below the SPP Issue Price.

11.2 This document is not a prospectus and has not been lodged with ASIC. This document does not contain the types of disclosure required to be contained in a prospectus. You must rely on previous disclosures made by Next Science to the ASX and consult your professional financial and tax advisers before making a decision to participate in the SPP.

12. Effect of applying for New Shares

12.1 If you submit a BPAY payment and complete an online application:

- (b) you acknowledge that you are an Eligible Shareholder and that you are lawfully permitted to accept the Offer and participate in the SPP;
- (c) you acknowledge that you do not reside outside Australia or New Zealand, or within the United States and you are not acting for the account or benefit of a person in the United States;

- (e) you certify that the total of the application price for the following does not exceed \$30,000:

- (f) if you are a Custodian and are applying on behalf of a Custodian Beneficiary on whose behalf you hold Shares, you acknowledge and agree that:
 - (i) you are a Custodian as that term is defined in ASIC Corporations (Share and Interest

Purchase Plans) Instrument 2019/547;

- (k) you acknowledge that no interest will be paid on any application monies held pending the issuance of the New Shares or subsequently returned to you for any reason;
- (l) you accept that Next Science at its absolute discretion can make reductions in issuance of New Shares under a Scale-back;

- (o) you acknowledge that the New Shares have not, and will not be, registered under the US Securities Act or the securities law of any state or other jurisdiction of the United States and accordingly, the New Shares may not be offered, sold or otherwise transferred except in accordance with an available exemption from, or in a transaction not subject to, the registration requirements of the US Securities Act and any other applicable securities laws;
- (p) you agree not to send any materials relating to the SPP to any person in the United States or that is or is acting for the account or benefit of a US Person;

Booklet has been prepared without taking into account the objectives, financial situation or needs of individuals; and

- (t) you are aware, and accept the risk, that the market price of Shares may change including (without limitation) between the date of the Offer, the date you apply for New Shares and the issue of New Shares to you (and accordingly the value of New Shares applied for, over time, is likely to rise and fall) and you accept the risk that during the period between when you apply for New Shares and when the New Shares are issued to you, you may be able to buy Shares on the ASX at a lower price than the SPP Issue Price.
