About iSentric (ASX:ICU):

iSentric Limited provides fintech and digital commerce software and services that enable its institutional customers to securely authenticate end-user customers and process banking, purchase and payment transactions.

The Company's core technology platform enables large customer communities to extend their information technology applications to any mobile device and integrate mobile technology throughout their existing business. The Company's business divisions consist of Mobile Banking, Digital Payments and Digital Services which service the top 20 banks in Malaysia and leading corporates including utilities, insurance companies and telco's in Malaysia & Indonesia. iSentric also works with telecommunication network providers to provide mobile OTT (over-the-top) services that leverage their subscriber base to build active communities and digital commerce business volumes.
