ASX RELEASE

Government Agency Order

DroneShield Ltd (ASX:DRO) (“DroneShield” or the “Company”) is pleased to announce it has received an order for its DroneGun Tactical™ hand-held counter-drone products from a major intelligence Government agency of a Five Eyes country (a signals intelligence alliance between countries comprising of the US, Canada, Australia, UK and New Zealand).

The order is for approximately \$900,000, and is expected to be filled and paid for, through 4Q20 and 1Q21.

This is the first order for this customer, following an evaluation process.

Oleg Vornik, DroneShield’s CEO, has commented, “We are excited to see continued conversion of our extensive pipeline, following the hard work in last the several years with this and other customers. This order cements our relationship with this customer, continuing to set the DroneShield products as the go-to counterdrone solutions for key Government agencies globally, in terms of further DroneGun™ orders, sales of complementary products such as RfPatrol MKII™ and our vehicle and fixed site systems, and opening the door for custom larger projects in the EW/signals intelligence domain.”

The sale is subject to pending relevant export approvals.
