ATTENDANCE & VOTING AT THE MEETING

In accordance with Corporations Regulation 7.11.37, the Board has determined that Capral shares are taken, for the purposes of determining the right of shareholders to attend and vote at the EGM, to be held by persons who held them at **7:00 pm** (Sydney time) on **Monday, 19 October 2020**. If you are not the registered holder of a relevant share at that time you will not be entitled to vote in respect of that share.

You may vote by attending the EGM in person or by proxy (see below).

Resolution 1 is an ordinary resolution. Ordinary resolutions require the support of more than 50% of the votes cast by those shareholders voting in person, by proxy, by representative or by attorney. Resolution 2 is a special resolution. For a special resolution to be passed, at least 75% of the votes cast by shareholders present and entitled to vote on the resolution must be in favour of the resolution.

It is intended that voting on each of the proposed resolutions at the EGM will be conducted by a poll, rather than on a show of hands.

Upon a poll, every person who is present in person or by proxy, or by representative or by attorney, will have one vote for each share held by that person.

PROXIES

A shareholder who is entitled to attend and vote at the EGM may appoint a person, who need not be a shareholder of Capral, as the shareholder's proxy to attend and vote on behalf of the shareholder.

If you are entitled to cast two or more votes, you may appoint two proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If you do not specify a proportion or number, each proxy may exercise half of the votes. If you require a second proxy form, please contact Capral's share registry Computershare Investor Services Pty Limited on **1300 855 080 (within Australia)** or **+61 3 9415 4000 (outside Australia)**.

A proxy form accompanies this Notice. Should you wish to appoint a proxy, please complete the proxy form and return it (and any supporting documents attached) by no later than **10:00 am** (Sydney time) on **Friday, 30 October 2020** by one of the following methods:

- **by mail** to Capral's share registry, Computershare Investor Services Pty Limited, GPO Box 242, Melbourne, VIC 3001, Australia (a reply paid envelope is enclosed with this Notice of Meeting); or
- **in person** to Capral's registered office, c/o Company Secretary, 71 Ashburn Road, Bundamba, QLD 4304, Australia or to Capral's share registry, Computershare Investor Services Pty Limited, Level 3, 60 Carrington Street, Sydney, NSW 2000, Australia; or
- **by facsimile** to Capral's share registry, Computershare Investor Services Pty Limited, facsimile number: 1800 783 447 (within Australia) or +61 3 9473 2555 (outside Australia).

The Chairman will vote undirected proxies in favour of all resolutions.

If you appoint the Chairman as your proxy, or the Chairman is appointed your proxy by default, and the proxy form does not specify whether to vote "For", "Against" or "Abstain", your appointment will be taken as a direction to the Chairman to vote in accordance with his stated voting intention, which is to vote in favour of all resolutions.

Shareholders always have the ability to appoint the Chairman as their proxy and direct him to vote contrary to the Chairman's stated voting intention or to abstain from voting on a resolution.

Attorney

If the appointment is signed by an attorney, the original power of attorney or a certified copy of it must be sent with the proxy form, unless it has been provided previously to Computershare Investor Services Pty Limited.

Corporate Representatives

A body corporate that is a shareholder, or that has been appointed as a proxy, is entitled to appoint any person to act as its representative at the EGM. Such appointment must comply with the requirements under section 250D of the Corporations Act 2001 (Cth) (**Corporations Act**). The representative should bring to the EGM a properly executed letter or other document confirming its authority to act as body corporate's representative.

SHAREHOLDER QUESTIONS

If you wish a question to be put to the Chair of the EGM in relation to the business to be conducted at the EGM, please send your question to the Company Secretary via Capral's share registry by one of the methods detailed above. To allow time to collate questions and prepare answers, questions are to be received by **5:00 pm** (Sydney time) on **Wednesday, 14 October 2020**. Questions submitted will be put to the Chair at the Board's discretion.

Shareholders will be able to submit questions and make comments during the EGM using the online webcast facility.

EXPLANATORY MEMORANDUM

This explanatory memorandum has been prepared to assist shareholders to understand the business to be put to shareholders at the EGM and forms part of the Notice of Meeting.

1. Resolutions

Resolution 1. Approval of Share Consolidation

General

Under section 254H of the Corporations Act, a company may convert its shares into a smaller number of shares by an ordinary resolution of shareholders at a general meeting.

Capral proposes to consolidate its share capital through the conversion of every thirty (30) ordinary shares into one (1) ordinary share (**Consolidation**).

The share consolidation ratio was determined on the basis of a proposed valuation of Capral of approximately A\$64.6 million¹ which results in a value per share of approximately A\$3.90.

The market capitalisation of Capral will remain the same post the proposed Consolidation. This means the Consolidation will have a negligible impact on the value of a shareholder's investment in Capral.

Additional information relating to the proposed Consolidation, including the information required under ASX Listing Rule 7.20 is provided below.

Timing

¹ Being the market capitalisation of Capral based on Capral's closing share price on 31 August 2020.

If the Consolidation is approved, the Consolidation will take effect on and from the Effective Date (as indicated in the table below). Notices will be issued to holders of ordinary shares confirming their post-Consolidation holdings.

Reasons for the share consolidation

The Company currently has 496,859,189 ordinary shares on issue. The Consolidation is expected to result in a more appropriate and effective capital structure for the Company and a more appealing share price to a wider range of investors.

The Board believes the following factors may be minimised as a result of the Consolidation:

- reducing any poor market perception as investors equate the low share price with the perception of a poorly performing company;
- vulnerability to speculative day-to-day trading and short selling, which generates share price volatility; and
- discouraging quality, long term institutional investors, equity funds and lending institutions seeking stability and long term growth.

Effect of the share consolidation

If the proposed Consolidation is approved by shareholders, the number of ordinary shares on issue in Capral will decrease from 496,859,189 to approximately 16,562,000 (subject to fractional rounding).

As the Consolidation applies equally to all Capral fully paid ordinary shareholders, individual shareholdings will be decreased in the same ratio. Assuming no other market movements or impacts occur, the Consolidation will therefore have no material effect on the percentage interest or value of each ordinary shareholder investment in Capral (other than minor variations resulting from rounding). The Consolidation will not result in any change to the substantive rights and obligations of existing shareholders.

Fractional entitlements

Where the Consolidation results in an entitlement to a fraction of a share or a share right (as applicable), that fraction will be rounded up to the next whole number of shares or share right. Each shareholder's

proportional interest in Capral's issued capital will, however, remain unchanged as a result of the Consolidation (other than minor variations resulting from rounding).

Proposed treatment of convertible securities

As at the date of this Notice, Capral has a total of 21,000,000 unlisted convertible securities on issue to employees under Capral's Long Term Incentive Plan as detailed below:

- 3,700,000 performance rights which may expire on 1 March 2021;
- 2,200,000 performance rights granted to Tony Dragicevich with shareholder approval which may expire on 1 March 2021;
- 4,250,000 performance rights which may expire on 1 March 2022;
- 2,350,000 performance rights granted to Tony Dragicevich with shareholder approval which may expire on 1 March 2022;
- 5,420,000 performance rights which may expire on 1 March 2023; and
- 3,080,000 performance rights granted to Tony Dragicevich with shareholder approval which may expire on 1 March 2023.

The terms of the Long Term Incentive Plan established by Capral permit convertible securities to be treated in accordance with the Listing Rules in the event of a reorganisation of capital.

As such, if the proposed Consolidation, as set out in this Resolution 1, is approved by shareholders, pursuant to ASX Listing Rule 7.21, all performance rights issued by Capral will be consolidated in the same ratio as shares. Accordingly, Capral will have approximately 700,000 performance rights (subject to rounding) on issue as detailed below:

- 123,333 performance rights which may expire on 1 March 2021;
- 73,334 performance rights granted to Tony Dragicevich with shareholder approval which may expire on 1 March 2021;
- 141,667 performance rights which may expire on 1 March 2022;
- 78,334 performance rights granted to Tony Dragicevich with shareholder approval which may expire on 1 March 2022;
- 180,666 performance rights which may expire on 1 March 2023; and
- 102,667 performance rights granted to Tony Dragicevich with shareholder approval which may expire on 1 March 2023.

Tax implications for shareholders

The summary in this section is general in nature. In addition, particular taxation implications will depend upon the circumstances of each shareholder. Accordingly, shareholders are encouraged to seek and rely only on their own professional advice in relation to their tax position. Neither Capral nor any of its officers, employees or advisors assumes any liability or responsibility for advising shareholders about the tax consequences for them from the proposed Consolidation.

The proposed Consolidation will be undertaken in accordance with section 254H of the Corporations Act. There will be no change to the proportionate interests held by each shareholder in Capral as a result of the Consolidation.

No capital gains tax (CGT) event will occur as a result of the Consolidation.

Indicative timetable

Director recommendation

The Board unanimously recommends that shareholders vote in favour of Resolution 1.

Resolution 2. Approval to Modify Constitution

General

The Company's current Constitution was adopted by shareholders at Capral's March 2001 Annual General Meeting.

The Company proposes that the Company's Constitution be amended so that in the future, the Company may provide an enhanced opportunity for shareholders to participate in general meetings.

The amendments will allow shareholders to vote directly on resolutions considered at a general meeting or class meeting either online before or during the meeting or by completing and submitting a personalised direct voting form prior to the meeting, without the need to appoint a proxy or having to physically attend the meeting in person.

The inclusion of a direct voting provision in the Company's Constitution will mean that shareholders entitled to vote at a general meeting or class meeting can exercise their voting rights even where they do not attend the meeting in person and do not transfer their voting rights to a third party by appointing a proxy.

Direct voting will operate concurrently with and will not replace the proxy system currently provided for in the Company's Constitution and the Corporations Act. Shareholders will still be entitled to appoint a proxy. Direct voting will be an alternative to appointing a proxy or corporate representative. However, if a shareholder appoints a proxy for a particular meeting, and then subsequently lodges a direct vote, the Company will regard the proxy appointment as having lapsed for that meeting and accordingly, the shareholder's direct vote will be effective.

The Company also wishes to seek approval to modify the Constitution to address changes in the law since the Constitution was adopted (eg removal of the seal requirement; replacement of the SCH business rules and changes to the law regarding restricted securities).

Section 136(2) of the Corporations Act states that amendment to the Company's Constitution requires a special resolution, meaning it will only be passed if at least 75% of the votes cast on this Item are in favour of the Resolution.

A copy of the proposed amended Constitution is available for review by shareholders at the

Company's website at <https://www.capral.com.au/about-capral/for-investors/> and at the office of the Company. Shareholders are also invited to contact the Company if they would like a copy.

Proposed modifications

Many of the proposed changes are administrative or relatively minor in nature. The material amendments that are proposed are set out in Appendix A.

Director recommendation

The Board unanimously recommends that shareholders vote in favour of Resolution 2.

END

Appendix A – Key Proposed modifications to Capral’s Constitution

Article	Proposed Amendment
1.	Proposed deletion of definition of ‘ Member Present ’ to permit fully virtual, physical or hybrid meetings.
	Proposed deletion of definition of ‘ SCH Business Rules ’ and all other references within the Constitution to SCH Business Rules, as they no longer exist. 	Proposed deletion of definition of ‘ Seal ’, deletion of reference to a Seal in Article 5 and deletion of Article 93. The requirement for a seal was abolished in 2001 and Capral does not use a seal.
2.	Proposed new rule of interpretation regarding <i>a member participating, attending, being present at or being admitted to a meeting of members</i> to allow for a member to be present by attending a meeting using any technology (whether electronic or otherwise) and including an instantaneous communication device that gives members as a whole a reasonable opportunity to participate.
32	Proposed amendment to reflect amendments made to Chapter 9 of the ASX Listing Rules which provide that restricted securities cannot be disposed of, or agreed or offered to be disposed of, during the Escrow Period, except as permitted by the Listing Rules or the Exchange.
47, 48 & 57	Proposed amendments to general meeting requirements to allow for fully virtual, physical or hybrid meetings.
54	Proposed new Article 54 so that in future, shareholders who are entitled to vote at a general meeting can exercise their voting rights even where they do not attend the meeting in person and do not transfer their voting rights to a third party by appointing a proxy.
63	Proposed amendments to provide for proxy appointments to be made in such manner as the law and Listing Rules allow.
70	Proposed amendment to provide that directors who are required to submit themselves for re-election as they have been appointed to fill a casual vacancy, will count towards the requirement in the Listing Rules that an election of directors be held.
94	Proposed amendment to provide that the directors may alter or rescind any determination to pay a dividend before the payment is made.
