As part of the assessment of Richard's independence, the board specifically reviewed whether his tenure with the company had impacted on his independence. ### Directors' recommendation

The directors, with Mark Gray abstaining, recommend that shareholders vote in favour of Resolution 3, and the Chairman of the meeting intends to vote undirected proxies in favour of this resolution.

### Item 5: Approval to Issue of Rights to a related party: Mr Laurence Baynham (Resolution 4)

Laurence Baynham is Managing Director and Chief Executive Officer of the company, and a related party of the company by virtue of him being a director.

Accordingly, the company seeks shareholder approval for the purposes of ASX Listing Rule 10.14 and for all other purposes to grant a maximum of 27,510 performance rights with the key terms detailed below ("**Rights**") and any fully paid ordinary shares ("**Shares**") issued on vesting of those Rights to Laurence Baynham (or his nominee).

Subject to obtaining the required shareholder approval detailed below, the Rights will be issued under and subject to the terms of the Data#3 Limited Long Term Incentive Plan ("LTIP") approved at the annual general meeting for the company held in 2018, and otherwise on the terms set out below ("Rights Issue").

ASX Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire securities under an employee incentive scheme:

- 10.14.1 a director of the company;
- 10.14.2 an associate of a director of the company;
- 10.14.3 a person whose relationship with the company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders, unless it obtains the approval of its shareholders.

The Rights Issue falls within Listing Rule 10.14.1 and therefore requires the approval of Data#3's shareholders under Listing Rule 10.14.

The board has decided to grant these Rights as part of Laurence Baynham's remuneration package, and in recognition of his contribution to the company. The board considers the grant of Rights to be a cost-effective long-term incentive method, which further aligns the interests of the Managing Director and Chief Executive Officer with shareholders by linking long-term incentives to growth in the company's earnings per share.

If Resolution 4 is passed, the company will be able to proceed with the Rights Issue on the terms (and with the effects) detailed below.

If Resolution 4 is not passed, the company will not be able to proceed with the Issue and will consider other ways to recognise Laurence Baynham's contribution to the company and incentive methods.

If approval is obtained pursuant to ASX Listing Rule 10.14, the company is entitled to rely on ASX Listing Rule 10.12 (exception 8) as an exception to any requirement that may otherwise apply requiring shareholder approval under ASX Listing Rule 10.11. Similarly, approval will not be required under Listing Rule 7.1.

### Key terms of the Rights

The Rights will be subject to the following key terms and conditions:

- each Right is a right for Laurence Baynham (or his nominee) to be issued one Share upon satisfaction of the following vesting conditions ("**Relevant Vesting Conditions**"):
  - Laurence Baynham remains an employee of the company on the date the Relevant Vesting Conditions are satisfied;
  - the Rights will vest on a straight-line proportional basis, from 0 up to a maximum of 27,510 Shares based on the actual cumulative earnings per share over a 3 year period ending on 30 June 2023 ("Vesting Period") compared to a target as determined by the board;
- notwithstanding the specific vesting conditions outlined above, in accordance with the LTIP rules the board may, in its absolute discretion, waive or alter the Relevant Vesting Conditions;
- prior to vesting the Rights will not be transferrable other than with the written consent of the board;
- prior to vesting the Rights do not carry any dividend or voting rights; and
- the Rights will automatically vest (subject to another determination by the board) such that the corresponding number of Shares will be delivered for the benefit of Laurence Baynham upon satisfaction of the Relevant Vesting Conditions.

In accordance with the requirements under ASX Listing Rule 10.15

(a) Laurence Baynham is a director ("LR 10.14 Party");

- (b) the number of Rights that may be acquired by Laurence Baynham in accordance with this resolution is 27,510 calculated based on a volume weighted average price of the Shares for the 5 day trading period commencing on the day after the 19 August 2020 announcement to the ASX of the company's results for the year ended 30 June 2020, being \$5.816 per Share;
- (c) for the purposes of ASX Listing Rule 10.15.4, the details of Laurence Baynham's current total remuneration package, excluding the proposed Rights Issue, are detailed in the company's 2020 annual report, and a summary is set out below:

	\$
Cash salary	531,000
Increase in accrued long service leave	15,312
Superannuation	21,003
Short-term bonus	280,732
Long-term incentive	297,406
Total remuneration package for FY20	1,145,453

- (d) for the purposes of ASX Listing Rule 10.15.5, Laurence Baynham has previously been granted the following Rights under the LTIP:
  - 98,160 Rights as disclosed in the company's 2019 annual report; and
  - 65,574 Rights as disclosed in the company's 2020 annual report, ("Previous Issues").
- (e) for the purposes of ASX Listing Rule 10.15.5, the average acquisition price for the Previous Issues was nil and they have a nil exercise price;
- (f) for the purposes of ASX Listing Rule 10.5.6, Rights are being issued rather than Options (being the two types of Securities that are able to be issued under the LTIP), for consistency with the Previous Issues;
- (g) for the purposes of ASX Listing Rule 10.15.8, the Rights will be granted for nil consideration on the basis their grant represents an incentive for future performance, and will be subject to the Relevant Vesting Conditions, and the Rights have a nil exercise price;
- (h) whilst participating in the LTIP is open to all executive and non-executive directors, the board has determined that Laurence Baynham, as the company's current executive director, is the only director eligible to participate in the LTIP at this time;
- (i) subject to shareholder approval, it is intended that the Rights will be issued within five days after the annual general meeting, but in any event will be issued no later than twelve months after the meeting in accordance with ASX Listing Rule 10.15.7;
- (j) for the purposes of ASX Listing Rule 10.15.10, there are no loan arrangements with Laurence Baynham in relation to the acquisition of the Rights; and
- (k) for the purposes of ASX Listing Rule 10.15.11:
  - Details of any Rights or Options issued under the LTIP will be published in the company's annual report relating to the period in which they were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14.
  - Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an
    issue of Rights or Options under the LTIP after the resolution is approved and who were not named in
    the notice of meeting will not participate until approval is obtained under that rule.

### Other general terms of the Rights

The other general terms of the Rights are:

- should the company undergo any reconstruction of capital, the number of Rights may be adjusted in the board's discretion in accordance with the ASX Listing Rules and other laws as applicable at the time of the reorganisation;
- all Shares issued pursuant to vesting of the Rights will, subject to the constitution of the company, rank
  equally in all respects (other than in respect of dividends, rights issues or bonus issues declared prior to
  allotment) with the existing Shares at the date of issue and allotment;
- the Rights do not entitle the holder to participate in any new issues by the company without having vested into Shares; and
- the Rights will not be quoted on the ASX.

### **Corporations Act**

Under Chapter 2E of the Corporations Act a public company cannot give a financial benefit to a related party unless an exception applies or shareholders have, in a general meeting, approved the giving of that financial benefit.

Laurence Baynham is a related party of the company due to the fact that he is a director. The issue of the Rights will constitute the giving of a financial benefit to a related party for the purposes of section 229(3)(e) of the Corporations Act.

The board of the company (excluding Laurence Baynham) considers that the issue of the Rights to Laurence Baynham constitutes reasonable remuneration within the meaning of the exception in section 211 (1) of the Corporations Act on the basis that the Rights are a necessary part of the incentive and remuneration package for Laurence Baynham in his current role and having regard to the circumstances of the company, the duties and responsibilities of Laurence Baynham and market levels of remuneration for people in his position in similar sized companies.
