Printed Copy of Annual Report

It has come to our attention that, due to a printing error, a small number of printed copies of the annual report may not have included all pages.

Flight Centre sent replacement annual reports to all shareholders who elected to receive a printed copy. Following is the correspondence sent to those shareholders late yesterday.

The annual report on fctl.com and on the ASX market announcements platform is complete and is unaffected by this issue.

Yours sincerely

A handwritten signature in blue ink, appearing to read "David Smith".

Dear Shareholder

It has come to our attention that the printed copy of the annual report you recently received may not have included all pages. Please find enclosed a replacement copy.

We apologise for any inconvenience caused.

Yours sincerely

David Smith
