VOTING INFORMATION AND NOTES

A. Voting entitlement on a poll

On a poll, each Shareholder present (in person, by proxy, attorney or representative) has one vote for each fully paid Share they hold.

B. Proxies

A Shareholder entitled to attend and vote at this meeting is entitled to appoint a proxy to attend and vote on the Shareholder's behalf. If the Shareholder is entitled to cast two or more votes at the meeting, the Shareholder may appoint up to two proxies to attend and vote on the Shareholder's behalf.

If a Shareholder appoints two proxies, each proxy must be appointed to represent a specified proportion or number of the Shareholder's votes. Absent this specification, on a poll, each proxy may exercise half the votes.

A proxy can be either an individual or a body corporate and need not be a Shareholder of the Company. If a Shareholder appoints a body corporate as proxy, the body corporate will need to appoint an individual as its corporate representative and provide satisfactory evidence of this appointment.

If a Shareholder's instruction is to abstain from voting for a particular item of business, the Shareholders' votes will not be counted in computing the required majority on a poll.

To appoint a proxy, a proxy form must be signed by the Shareholder or the Shareholder's attorney duly authorised in writing. If the Shareholder is a corporation, the proxy form must be signed in accordance with section 127 of the Corporations Act. To be effective, a proxy form (and, if it is signed by an attorney, the authority under which it is signed or a certified copy of the authority) must be received by the Company not later than 48 hours prior to the commencement of the meeting. Proxy form and authorities may be lodged:

- by post to:
Link Market Services Limited, Locked Bag A14, Sydney South, NSW 1235; or
- by facsimile to Link Market Services on: (within Australia) (02) 9287 0309
(outside Australia) +61 2 9287 0309; or
- by hand to: Link Market Services at 1A Homebush Bay Drive, Rhodes NSW 2138
or Level 12, 680 George Street, Sydney NSW 2000; or
- online at www.linkmarketservices.com.au

Shareholders who forward their proxy forms by fax must make available the original executed form of the proxy for production at the meeting, if called upon to do so.

Chairman acting as proxy

Shareholders may appoint the Chairman as their proxy.

Where the Chairman is appointed as a proxy by a Shareholder entitled to cast a vote on a particular Resolution and the proxy form specifies how the Chairman is to vote on the Resolution (that is, a directed proxy), the Chairman must vote in accordance with that direction.

In respect of proxies where no voting direction has been given (undirected proxies), the Chairman intends to vote all available proxies in favour of each Resolution.

In relation to Resolution 1, if the Shareholder has appointed the Chairman as their proxy and no voting direction has been given, the Shareholder will be expressly authorising the Chairman to exercise the undirected proxy in respect of Resolution 1 even though the resolution is connected with the remuneration of members of the KMP of the Company. Please read the directions on the proxy form carefully, especially if you intend to appoint the Chairman of the meeting as your proxy.

The Remuneration Report is set out in the 2020 Annual Report and is available from the Company's website: www.marmota.com.au

A reasonable opportunity for discussion of the Remuneration Report will be provided at the meeting.

Shareholders appointing a proxy for this Resolution should note the following:

- (a) If you appoint a member of the Key Management Personnel as your proxy (other than the Chairman) whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member as your proxy you must direct the proxy how they are to vote on this Resolution. Undirected proxies granted to these persons will not be voted and will not be counted in calculating the required majority if a poll is called on this Resolution.
- (b) If you appoint the Chairman as your proxy (where he is also a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member) you do not need to direct your proxy how to vote on this Resolution. However, if you do not direct the Chairman how to vote, you must mark the acknowledgement on the Proxy Form to expressly authorise the Chairman to exercise his discretion in exercising your proxy even though this Resolution is connected directly or indirectly with the remuneration of Key Management Personnel.
- (c) If you appoint any other person as your proxy you do not need to direct your proxy how to vote, and you do not need to tick any further acknowledgement on the proxy form.

RECOMMENDATION: *The Board recommends shareholders vote in favour of adopting the Remuneration Report.*

2. Re-election of Dr Kevin Wills as a Director

Dr Wills retires in accordance with the requirements of the Company's Constitution and ASX Listing Rule 14.4, and, being eligible, has offered himself for re-election as a Director.

3. Ratification of issue of shares and options on 22 July 2020

Resolution 3 seeks ratification of the allotment and issue by the Company of 122,641,510 Shares at an issue price of \$0.053 per Share and the issue of 61,320,755 free attaching options on the basis of one option for every two shares issued to sophisticated and professional investors. These Shares were issued within the Company's existing capacity under ASX Listing Rule 7.1 and 7.1A. Refer to the Company's Appendix 3B lodged with the ASX on 15 July 2020.

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period. ASX Listing Rule 7.4 provides that an issue by a company of equity securities made without approval under ASX Listing Rule 7.1 is treated as having been made with approval for the purposes of ASX Listing Rule 7.1 if the issue did not breach ASX Listing Rule 7.1 and the company's members subsequently approve it.

While the outcome of Resolution 3 will have no effect on the issue of the Shares in question, Shareholder approval will restore the Company's ability to issue further equity securities under ASX Listing Rule 7.1 in the next 12 months from the date of issue, to the extent of the 122,641,510 Shares and 61,320,755 options.

RECOMMENDATION: *The Board recommends that eligible shareholders vote in favour of the ratification of the previous issues of shares and options.*

4. Approval of Issue of options to Directors

4.1 Background

Shareholder approval has been sought under Resolution 4A and 4B to potential future issues of securities to employees, certain contractors and directors of the Company, under the terms of a Director and Employee Share Option Plan (**DESOP**) as an exception to Listing Rule 7.1.

Shareholder approval is now sought for the proposed issue of 2,000,000 Options to Dr K Wills (or his nominee) and 2,000,000 Options to Mr S Barker (or his nominee). Approval for the issue of the DESOP Options is sought in accordance with Listing Rule 10.14 by virtue of the fact that Dr K Wills and Mr S Barker are Directors of the Company.

4.2 Listing Rules

Listing Rule 10.14 provides that an entity must not permit a director of that entity to acquire securities under an employee share plan such as the DESOP without shareholder approval.

4.3 Corporations Act

Under Chapter 2E of the Corporations Act, a public company cannot give a 'financial benefit' to a 'related party' unless one of the exceptions to the section apply or shareholders have in a general meeting approved the giving of a financial benefit to the related party.

In the current circumstances, the issue of the DESOP Options to Dr K Wills (or his nominee) and Mr S Barker (or his nominee) would constitute a 'financial benefit' as defined in the Corporations Act. A related party of a listed company includes a director of the listed company, a spouse or a defacto spouse of a director or any other person specified under section 228 of the Corporations Act to be a related party. Accordingly, the proposed issue of the DESOP Options to Dr K Wills and Mr S Barker will constitute the provision of a financial benefit to a related party of the Company.

Section 211 of the Corporations Act provides an exception to the provisions of Chapter 2E of the Corporations Act where the financial benefit is given to a related party as an officer of the Company and to give remuneration would be reasonable given the circumstances of the Company and the related party's circumstances (including the responsibilities involved in the office or employment).

The Company considers the proposed issue of DESOP Options, the subject of this Resolution 4, is reasonable remuneration:

- (a) for a company of the size and nature of the Company; and
- (b) which, given that the Company has other preferred use for its available cash, is an appropriate alternative for providing incentives to the Directors,

and for those and other reasons, as such, falls within the exception set out in section 211 of the Corporations Act.

4.4 Additional Information

Dr K Wills' remuneration (inclusive of superannuation) is \$55,919 per annum, or as may vary with additional time allocation.

Mr S Barker's remuneration (inclusive of superannuation) is \$11,734 per annum, or as may vary with additional time allocation.

Under the DESOP, Dr K Wills will be provided with 2,000,000 DESOP Options and Mr S Barker will be provided with 2,000,000 DESOP Options.

For the purposes of Listing Rule 10.15 and for the benefit of Shareholders in considering this Resolution, the Company advises as follows:

- (a) Options will be offered to Dr K Wills (or his nominee) and Mr S Barker (or his nominee);
- (b) the maximum number of DESOP Options that will be issued to Dr K Wills (or his nominee) is 2,000,000 and the maximum number of DESOP Options that will be issued to Mr S Barker (or his nominee) is 2,000,000;
- (c) the Company has not issued any DESOP Options to persons listed in ASX Listing Rule 10.14 since the 2016 AGM;
- (d) Dr K Wills, Mr S Barker and Dr C Rose are the only persons referred to in Listing Rule 10.14 who are entitled to participate in the DESOP.
- (e) details of any options issued under the DESOP will be published in the Annual Report in respect of the period in which DESOP Options are issued;
- (f) a voting exclusion statement is set out in relation to Resolution 4 in the Notice of Meeting;
- (g) there are no loans in relation to the DESOP Options;
- (h) the DESOP Options are intended to be issued to the Participating Directors within one (1) month from the date of the Meeting, but in any event will be issued by no later than twelve (12) months from the date of the Meeting;
- (i) the DESOP Options will be issued in accordance with the terms of the DESOP and in particular will have the following terms:
 - each Option will be issued free;
 - have an exercise price of \$0.10 (being 2 times the closing price of the Shares on 9 October 2020);
 - have an expiry date of 3 years from the date of issue of the Options; and
 - If the director ceases to be engaged by the Company, all options which have not been exercised will lapse the earlier of the expiry date of the Options or 6 months after the date of such cessation of engagement, whichever is the earlier; and
- (j) no funds are being raised by the grant of the DESOP Options and the Company has not previously obtained approval under Listing Rule 10.14 for the issue of securities under the DESOP for the period from the 2016 AGM to the date of this Notice of Meeting.

Save as set out in this Explanatory Memorandum, the Directors are not aware of any other information that will be reasonably required by Shareholders to make a decision in relation to benefits contemplated by Resolution 4A and 4B.

RECOMMENDATION: *The Board (other than the directors who are the subject of this resolution) recommends that shareholders vote in favour of approving the issue of options to Dr K Wills and Mr S Barker.*

5. Appointment of Auditor

Following a competitive tender of external audit services, the Board selected BDO Audit (SA) as the proposed new auditor of the Company.

Grant Thornton, the Company's auditor since 2007, has advised the Company that it has applied to the Australian Securities and Investments Commission (ASIC) for consent to resign as auditor of the Company with effect from the close of the Meeting.

The Corporations Act requires the Company to obtain the approval of Shareholders for the appointment of BDO Audit (SA) as auditor of the Company.

In accordance with section 328B of the Corporations Act, a shareholder of the Company has nominated BDO Audit (SA) for appointment as auditor of the Company. A copy of the nomination is reproduced below. BDO Audit (SA) has consented to the appointment and, as at the date of the Notice, has not withdrawn its consent.

Subject to the consent of ASIC being received and the approval of Shareholders being obtained, the appointment of BDO Audit (SA) as auditor of the Company will become effective from the date of the Meeting.

RECOMMENDATION: The Board recommends shareholders vote in favour of approving the appointment of BDO Audit (SA) as Auditor.

6. Approval of 10% placement capacity

6.1 Background

ASX Listing Rule 7.1A enables eligible entities to issue Equity Securities (as that term is defined in the ASX Listing Rules) up to 10% of their issued capital through placements over a twelve month period after the Annual General Meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% placement capacity under ASX Listing Rule 7.1.

An eligible entity for the purposes of ASX Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

The effect of this resolution will be to allow the Directors to issue the Equity Securities under ASX Listing Rule 7.1A during the 10% Placement Period separate to the Company's 15% placement capacity under ASX Listing Rule 7.1.

As at the date of this Notice of Meeting, the Company has the capacity to issue 15,385,780 shares under ASX Listing Rule 7.1.

The Company is now seeking shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility. Resolution 6 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The exact number of Equity Securities (if any) to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1.A.2 (refer to Section 5.2 (c) below). The Company may use funds raised from any 10% Placement Facility for funding specific projects and/or general working capital. It may also use the 10% Placement Facility for non cash

consideration purposes such as joint venture or project acquisitions (although the Company presently has no intention to do so).

The Directors of the Company believe that Resolution 6 is in the best interests of the Company and unanimously recommend that Shareholders vote in favour of this resolution.

6.2 ASX Listing Rule 7.1.A

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an annual general meeting.

(b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of the Notice, has one class of Equity Securities being Shares.

(c) Formula for calculating 10% Placement Facility

ASX Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 12 month period after the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

(A x D) – E

A is the number of shares on issue 12 months before the date of the issue or agreement:

- (i) plus the number of fully paid shares issued in the 12 months under an exception in ASX Listing Rule 7.2;
- (ii) plus the number of partly paid shares that became fully paid in the 12 months;
- (iii) plus the number of fully paid shares issued in the 12 months with approval of holders of shares under ASX Listing Rules 7.1 and 7.4;
- (iv) less the number of fully paid shares cancelled in the 12 months.

Note: A has the same meaning in ASX Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under ASX Listing Rules 7.1 or 7.4.

(d) ASX Listing Rule 7.1 and ASX Listing Rule 7.1A

The ability of an entity to issue Equity Securities under ASX Listing Rule 7.1A is in addition to the entity's 15% placement capacity under ASX Listing Rule 7.1.

The actual number of Equity Securities that the Company will have capacity to issue under ASX Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (refer to Section 5.2(c) above).

(e) Minimum Issue Price

The issue price of Equity Securities issued under ASX Listing Rule 7.1A must be not less than 75% of the volume weighted average price of Equity Securities in the same class calculated over the 15 Trading Days (as defined in the ASX Listing Rules) immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
 - (ii) if the Equity Securities are not issued within 5 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (f) **10% Placement Period**
 Shareholder approval of the 10% Placement Facility under ASX Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the earlier to occur of:
- (i) the date that is 12 months after the date of the annual general meeting at which the approval is obtained; or
 - (ii) the date of the approval by shareholders of a transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).
- (the 10% Placement Period)**

6.3 Specific Information required by ASX Listing Rule 7.3A

Pursuant to and in accordance with ASX Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- (a) **Minimum Price**
 Any Equity Securities issued will be issued at an issue price of not less than 75% of the volume weighted average price for the Company's Equity Securities over the 15 Trading Days immediately before:
- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
 - (ii) if the Equity Securities are not issued within 5 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (b) **Risk of Voting Dilution**
 If Resolution 6 is approved by the Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company would be diluted as shown in the below table (in the case of unlisted options, only if the unlisted options are exercised). There is a risk that:
- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Annual General Meeting; and
 - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date, which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The table below shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in ASX Listing Rule 7.1A(2) as at the date of this Notice of Meeting.

The table also shows:

- (i) two examples where variable "A" has increased by 50% and 100%. Variable "A" is based on the number of ordinary shares the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro-rata entitlements issue or scrip issued under a takeover offer) or future specific placements under ASX Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (ii) two examples of where the price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

The table has been prepared on the following assumptions:

- (i) The Company issues the maximum securities available under the ASX Listing Rule 7.1A being 10% of the Company's shares on issue at the date of the Meeting;
 - (ii) No unlisted options are exercised into fully paid ordinary securities before the date of the issue of securities under ASX Listing Rule 7.1A. The Company has 75,820,755 unlisted options on issue at the date of this Notice of Meeting;
 - (iii) The table does not demonstrate an example of dilution that may be caused to a particular shareholder by reason of placements under ASX Listing Rule 7.1A, based on that shareholder's holding at the date of the Meeting;
 - (iv) The table only demonstrates the effect of issues of securities under ASX Listing Rule 7.1A. It does not consider placements made under ASX Listing Rule 7.1, the "15% rule";
 - (v) The price of ordinary securities is deemed for the purposes of the table above to be \$0.05 cents, being the closing price of the Company's listed securities on ASX on 9 October 2020 (**Deemed Price**). The Deemed Price is indicative only and does not consider the 25% discount to market that the securities may be placed at;
 - (vi) The table does not demonstrate the effect of listed options being issued under ASX Listing Rule 7.1A. It only considers the issue of the fully paid ordinary securities; and
 - (vii) The table does not take into account resolutions to be put before this Meeting.
- (c) *Date of Issue*
The Company will only issue and allot the Equity Securities during the 10% Placement Period. The approval under Resolution 6 for the issue of the Equity Securities will cease to be valid in the event that Shareholders approve a transaction under ASX Listing Rule 11.1.2 (a significant change to the nature or scale of activities or ASX Listing Rule 11.2 (disposal of main undertaking)).
- (d) *Purpose of the Issue under the 10% Placement Capacity*
The Company may seek to issue the Equity Securities for the following purposes:

- (i) non-cash consideration including for joint venture, licensing or collaboration agreements or the acquisition of new projects (although the Company presently has no proposal to do so). In such circumstances, the Company will provide a valuation of the non-cash consideration as required by ASX Listing Rule 7.1A.3; or
- (ii) cash consideration. In such circumstances, the Company intends to use the funds raised towards advancing exploration of the Company's prospects, which includes the Company's Gawler Craton Gold Project and/or its Yorke Peninsula Copper Project in South Australia and/or its Uranium Project in South Australia and/or general working capital.

The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.

(e) *Allocation Policy*

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to factors including but not limited to the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing security holders can participate;
- (ii) the effect of the issue of the Equity Securities on the control of the Company;
- (iii) the financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice of Meeting, but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

Further, if the Company were to pursue an acquisition and were it to be successful in acquiring new resources assets or investments, it is possible that the allottees under the 10% Placement Facility will be the vendors of the new resources assets or investments.

(f) *Previous Approval*

The Company obtained Shareholder approval under ASX Listing Rule 7.1A at the 2019 AGM.
