

WAM Capital Commences Processing CLF Acceptances

19 October 2020
ASX announcement

WAM Capital Limited (ASX: WAM) refers to the unconditional off-market takeover bid for Concentrated Leaders Fund Limited (ASX: CLF) on the terms set out in its bidder's statement dated 3 September 2020, supplemented on 7 October 2020 and as varied on 12 October 2020 (**Offer**).

WAM reminds CLF Shareholders that on 13 October 2020 it freed the Offer from all the Defeating Conditions and the Offer is now **unconditional**. The Offer from WAM has been **extended** and is currently scheduled to close at 7.00pm (Sydney time) on 16 November 2020 (unless otherwise extended or withdrawn).

Processing of Valid Acceptances under the Offer

As the Offer is now unconditional, WAM is also pleased to advise that it intends to process all valid acceptances received under the Offer efficiently so that CLF shareholders who have accepted will receive their Offer consideration as soon as practicable.

WAM currently expects that valid acceptances will be **processed daily** and new WAM Shares will be issued to accepting CLF Shareholders as soon as possible and by no later than four business days after processing of the valid acceptances.

To **ACCEPT** the Offer, complete the form previously mailed to you or call 1300 737 760 to request a replacement. The Offer is currently scheduled to **CLOSE** on 16 November 2020.

WAM commenced processing valid acceptances received under the Offer on Friday, 16 October 2020 and expects to issue new WAM Shares as consideration under the Offer on Thursday, 22 October 2020.

The Offer from WAM values CLF Shares at \$1.276 per share¹, representing:

- a **28.9% premium** to CLF's Share price before the announcement of the Offer; and
- a **21.5% premium** to CLF's 30 September 2020 pre-tax net tangible assets (NTA).

If you accept the Offer you will receive the WAM fully franked final dividend of 7.75 cents per WAM Share² on 27 November 2020.

The Offer provides you with a choice:

- (a) remain a WAM Shareholder; or
- (b) utilise WAM's superior on-market liquidity to exit your position.

When you accept the Offer you will receive 2 new WAM Shares for every 3.7 CLF Shares. The ASX-listed price of WAM Shares and CLF Shares is the only tangible and realisable value of those shares. Outside of WAM's Offer, the CLF Share price is the sole value that shareholders can currently exit (or enter) their investment at, notwithstanding CLF's NTA.

¹ Based on the WAM share price of \$2.36 as at 19 October 2020, the CLF 30 September 2020 reported pre-tax NTA of \$1.05 per share and the CLF Share price of \$0.99 as at 2 September 2020, being the date before the announcement of the WAM Offer.

² This assumes you accept the Offer and continue to hold the WAM Shares issued to you on 20 November 2020. The WAM fully franked final dividend of 7.75 cents is payable on 27 November 2020.

CLF Shareholders who do not wish to become long-term WAM Shareholders can accept the Offer and utilise WAM's superior on-market liquidity to exit their position at a significant premium to both the CLF Share price and the CLF NTA. Without the Offer from WAM, CLF Shareholders have no alternative mechanism to exit their investment at a premium.

While there are many factors that may influence the market price of CLF Shares, the recent improvement in the CLF Share price is as a direct result of WAM's Offer; it does not reflect the substantial discount to CLF's NTA before the announcement of the Offer.

There is a real risk that CLF Shares may fall to at or below the pre offer CLF share price after the close of the Offer from WAM if you do not accept.
