EXPLANATORY STATEMENT (CONTINUED)

Executive remuneration is determined by the non-executive members of the Board, having consideration of relevant market practices and the circumstances of the Company on an annual basis. It is the view of non-executive members of the Board that it is in the interests of Shareholders for selected executives (the Participants) to receive part of their total remuneration package in the form of at-risk equity that will vest based on performance against indicators that are linked to Shareholder benefit (Vesting Conditions) during a defined Measurement Period. This is also considered best practice with regards to evident market practices. It should therefore be considered appropriate to provide some equity-based remuneration to executive directors of the Company instead of cash only.

If shareholder approval is not obtained, the Board will consider alternative arrangements to appropriately remunerate and incentivise Tony Klim and Martin Deda.

Details of any securities issued under the BSLEIP will be published in the annual report of the Company for the year ending 30 June 2021, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14.

Any persons covered by ASX Listing Rule 10.14 and not named in this notice may not participate in the BSLEIP until approval is obtained for them under ASX Listing Rule 10.14.
