### About Laybuy

Launched in 2017, Laybuy is a rapidly growing fintech company providing buy now, pay later services partnering with over 6,000 retail merchants. Laybuy is available in New Zealand, the UK and Australia. The unique, fully integrated payment platform is helping to revolutionise the way consumers spend. Laybuy is simple. Customers can shop now, receive their purchase straight away, and pay it off over six weekly payments without paying interest. For more information visit [laybuyinvestors.com](https://laybuyinvestors.com).
