Federal Court delivers favourable judgment in class action proceedings

Worley is pleased to report that the shareholder class action brought against it in the Federal Court of Australia has been decided in Worley's favour. In a judgment delivered this morning, the class action was dismissed, and this means that Worley has won the case. The judgment also decided that costs be awarded in Worley's favour.

Worley's defence of the class action was funded by Worley's insurers except for the initial deductible amount. Worley previously announced the class action on 29 October 2015.

Authorised for release by Nuala O'Leary, Group Company Secretary.
