Australian Securities Exchange Announcement

Leaf Resources Annual Report to Shareholders for the Year Ended 30 June 2020

The Company has today released the Annual Report to Shareholders for the Year Ended 30 June 2020 and wishes to advise that there was one material difference between the final annual report and the preliminary final report lodged with the ASX on 1 September 2020.

The anticipated R&D tax incentive for the Group increased by \$118,000. This resulted in the following impacts to the financial statements.

	Annual Report	Preliminary Final Report
Consolidated statement of profit and loss and other comprehensive income		
Other income	668,832	480,721
Consolidated statement of financial position		
Trade and other receivables	386,477	198,284

All other differences are not considered material

About Leaf Resources Ltd (ASX: LER)

Leaf Resources is one of the world's leading companies in converting plant biomass into industrial sugars. Our proprietary process for converting biomass-to-functional industrial sugars enable a myriad of downstream technologies for the production of renewable chemicals that will substitute petrochemicals used in manufacturing today. With our project development and continued technical innovation we are building a robust global business centered on renewable carbon containing products to deliver environmental and economic benefits to our shareholders and our planet.
