Dear Mr Lian,

### **Request for Trading Halt: Atomo Diagnostics Limited (ASX Code: AT1)**

Pursuant to ASX Listing Rule 17.1, Atomo Diagnostics Limited (**Atomo**) requests that a trading halt be granted in respect of its securities pending a market update announcement by Atomo regarding its COVID-19 related business operations (**Announcement**).

Atomo notes that ASX has established particular procedures for the review of COVID-19 related announcements prior to their release. The review procedures apply to all ASX listed entities and involve a specialised review of the announcement.

Atomo has requested a trading halt to allow ASX sufficient time to undertake this specialised review of the Announcement.

Atomo wishes the trading halt to remain in place until the earlier of such time as it makes the Announcement or the commencement of normal trading on Thursday, 29 October 2020.

Atomo is not aware of any reason why the trading halt should not be granted or of any information necessary to inform the market about the trading halt.

The Chairman of Atomo has authorised this letter to be given to ASX.

Yours sincerely

Gillian Nairn  
Company Secretary
