

ASX ANNOUNCEMENT

Activities Report and Appendix 4C Cash Flow Statement

- Group Gross Profit up 107% quarter on quarter with strong final contribution from the Ginger business
- Sale of the Ginger business completed on 30 September 2020
- Cash balance increased to \$14.9 million for the quarter
- Macadamia continues to see improved gross margin performance in retail branded products, despite challenging trading conditions and limited tourist activities in Hawaii
- Macadamia continues to increase market share in our current categories

Brisbane, 29 October 2020: Buderim Group Limited (ASX:BUG) trading as Health and Plant Protein Group (**Company**) presents its Activities Report and Appendix 4C for the quarter ended 30 September 2020. Executive Director Dennis Lin said “The last quarter marks one of our milestone moments, as we completed sale of the Ginger business and embark on our strategy as Health and Plant Protein Group, anchored by our core business in branded macadamia nuts.

As we look to move with agility, the Company is excited about the opportunities in the health and plant protein space with a global team that has deep brand and consumer led experience with intimate knowledge of supply and value chains in the relevant market segments.”

Business Overview

The Company performed consistently despite challenging trading conditions. In particular, the macadamia business continued to see improved gross margin performance in retail branded products while increasing market share within the category. This has been achieved through a combination of better product and channel mix as the Company continues to drive consumer engagement and loyalty to our brands and products.

Growing conditions at the Company’s orchard remain favorable, and the peak harvest season is due to commence shortly.

Strategy Update

The Company has also issued a strategy update that provides Company shareholders a better understanding of the key plans that would underpin the refreshed and focused direction as Health and Plant Protein Group, which will be anchored by the macadamia business.

Cash Position

The sale of Ginger business contributed significantly to the Company’s cash balance, positioning the Company strongly in pursuing its strategy and leveraging opportunities

This announcement has been authorised for release to the ASX by the Board.

EDITORS NOTES**About the Company**

The Company, through its RHO and MacFarms brands, is the largest vertically integrated orchard to retail macadamia nut processor and marketer in the USA. Macadamia nut contains rich nutrients and beneficial plant compounds, and the Company makes its products from wholesome and unmodified ingredients. The macadamia business forms the basis of the Company's strategic ambitions in becoming a leading independent participant in health and plant based protein food categories.
