

## ASX Release

13 November 2020

### Local Court of NSW proceedings

Lindsay Australia Limited (**LAU**) announces that the National Heavy Vehicle Regulator (NHVR) has issued court documents in respect of group companies for alleged breaches of the Heavy Vehicle National Law.

The proceedings were issued in the Local Court of NSW in relation to Lindsay Transport Pty Ltd and Lindsay Brothers Management Pty Ltd.

The offences are alleged to have occurred between 30 September 2018 and 14 November 2018 at Boambee NSW, and relate to an accident, and consequential fatality of a Lindsay employee at Loganlea Qld on 14 November 2018.

Relevant authorities including Queensland police inspected the accident site and company equipment. The company has duly assisted and responded to all enquiries made by authorities but is not aware of the outcome of those investigations.

The company is determining its response to the proceedings.

Authorised for release by the board of directors.
