BluGlass to present at Semiconductor Investment Conference

- BluGlass is presenting at the 2020 *Stocks Down Under – Semiconductor Investment Conference* on Tuesday 17 November, 10.30am AEDT
- This virtual conference is free to attend by Shareholders and interested parties by registering via the link below.

Australian semiconductor technology developer, **BluGlass Limited (ASX:BLG)** has today announced that the Company's Managing Director, Giles Bourne, is presenting at the *Stocks Down Under – Semiconductor Investment Conference* on Tuesday 17 November from 10.30am AEDT.

The virtual event co-hosted by Stocks Down Under and Baker McKenzie is free to attend. Shareholders and interested parties can register at the following link: https://bakermckenzie.zoom.us/webinar/register/WN_7u_1yQb5TF2fCqqyinZRFw

This announcement has been approved for release by the board.

About BluGlass

BluGlass Limited (ASX: BLG) is a global leader commercialising a breakthrough technology using Remote Plasma Chemical Vapour Deposition (**RPCVD**) for the manufacture of high-value semiconductor devices such as **laser diodes**, next generation **LEDs** and **microLEDs**. BluGlass has invented a new process using RPCVD to grow advanced materials such as gallium nitride (GaN) and indium gallium nitride (InGaN). These materials are crucial to the production of high-efficiency devices used in next-generation devices from lighting, displays, virtual reality systems and industrial cutting and welding.

RPCVD's unique low temperature, low hydrogen growth platform offers many potential benefits to electronics manufacturers over existing growth techniques; including higher efficiency, lower cost, greater substrate flexibility and has the potential to enable novel applications.

In 2019, BluGlass launched its direct-to-market Laser Diode business unit to exploit its unique tunnel junction technology capability in the high-value and high-margin laser diode market. BluGlass expects to launch its first laser diode commercial product in 2021. **Contact:** Stefanie Winwood +61 2 9334 2300 swinwood@bluglass.com.au
