Disclaimer

IMPORTANT NOTICE

This presentation has been prepared by Change Financial Limited (Change Financial) in good faith. No express or implied warranty is given as to the accuracy or completeness of the information in this document or the accompanying presentation. All statutory representations and warranties are excluded, and any liability in negligence is excluded, in both cases to the fullest extent permitted by law. No responsibility is assumed for any reliance by any person on this document or the accompanying presentation.

Summary information

The information contained in this presentation is a summary overview of the current activities of Change Financial. This presentation does not purport to be all inclusive or to contain all the information that a prospective investor may require in evaluating a possible investment. This presentation is for general information purposes and is not intended to be and does not constitute an offer to sell or a solicitation of an offer to buy or sell securities, a prospectus, product disclosure statement, pathfinder document or other disclosure document for the purposes of the Corporations Act and has not been, and is not required to be, lodged with the Australian Securities & Investments Commission. This presentation should be read in conjunction with all other periodic and continuous disclosure announcements lodged by Change Financial with the Australian Securities Exchange, available at www.asx.com.au.

Not financial product advice

The material contained in this presentation is not, and should not be considered as, financial product or investment advice. This presentation is not an offer, invitation or recommendation to acquire New Shares, and does not take into account the investment objectives, financial situation or particular needs of any particular investor. You must make your own independent assessment and review of Change Financial, and the information contained, or referred to, in this presentation, including its financial condition, assets and liabilities, financial position, profits and losses, prospects and business affairs, including the merits and risks involved. Nothing in this presentation constitutes investment, legal, tax or other advice. You should seek legal, financial, tax and other advice appropriate for your jurisdiction.

Past and future performance

This presentation contains information as to past performance of Change Financial. Such information is given for illustrative purposes only, and is not – and should not be relied upon as – an indication of future performance of Change Financial. The historical information in this presentation is, or is based upon, information contained in previous announcements made by Change Financial to the market. These announcements are available at www.asx.com.au.

This presentation contains certain “forward looking statements”. Forward looking words such as “expect”, “should”, “could”, “may”, “will”, “believe”, “forecast”, “estimate” and other similar expressions are intended to identify forward-looking statements. Such statements are subject to various known and unknown risks, uncertainties and other factors that are in some cases beyond Change Financial's control. These risks, uncertainties and factors may cause actual results, performance or achievements to differ materially from those expressed or implied by the forward-looking statements and from past results, performance or achievements. Change Financial cannot give any assurance or guarantee that the assumptions upon which management based its forward-looking statements will prove to be correct or exhaustive beyond the date of its making, or that Change Financial's business and operations will not be affected by other factors not currently foreseeable by management or beyond its control. Such forward-looking statements only speak as at the date of this announcement and Change Financial assumes no obligation to update such information.

- World class management and technical team

Change Platform – where we fit in the banking ecosystem

Change is the critical infrastructure provider that connects existing licensed banks with modern API-driven brands (e.g. fintechs). This infrastructure layer is called Banking as a Service (**BaaS**).

Platform Revenue Model

Customers have different requirements and revenue lines vary depending on payments and products. Change can earn revenue from its customers in the following ways:

Proven Technology Platform

Platform Functionality

BaaS • APIs • Mobile Solution
Data Insights • Dynamic Controls • Multi-Currency
Prepaid Cards • Debit Cards • Credit Cards
EMV • Virtual Cards

Platform Benefits

Designed For The Future

A modern payments and card issuing platform allowing delivery of innovative new financial products and services.

Speed To Market

Fully integrated infrastructure and partnerships improving time to market.

Flexibility and Control

Providing the management and control to implement and modify your payment and card products.

Industry Agnostic Solution

Change's Platform can power payment and card solutions across a wide range of industries.

Growth Strategy

Upgrading current existing Platform with new features from acquisition – addressable market increases x10 with addition of debit and credit card features

On boarding of +10 customers in America

Upgrade of existing acquired customers to new card management software. 3 customers identified with a further ~9 additional opportunities over medium term

Investing in sales and marketing which has been significantly under invested by previous owners
