The performance measurement period for the Performance Rights begins on 1 July 2020 and ends on 30 June 2024. If the Performance Rights vest and are exercised, eligible employees, including nib’s Managing Director and CEO, will become entitled to receive one ordinary nib share (“Share”) for each Performance Right. A two year non-disposal period applies to 50% of the Shares allocated on the vesting and exercise of the Performance Rights.

<sup>1</sup> *Exception 13*

An issue of securities under an employee incentive scheme if within 3 years before the issue date:

- (a) in the case of a scheme established before the entity was listed – a summary of the terms of the scheme and the maximum number of equity securities proposed to be issued under the scheme were set out in the prospectus, PDS or information memorandum lodged with ASX under rule 1.1 condition 3; or
- (b) the holders of the entity’s ordinary securities have approved the issue of equity securities under the scheme as an exception to this rule. The notice of meeting must have included:
  - a summary of the terms of the scheme.
  - the number of securities issued under the scheme since the entity was listed or the date of the last approval under this rule;
  - the maximum number of +equity securities proposed to be issued under the scheme following the approval; and
  - a voting exclusion statement.

Exception 13 is only available if and to the extent that the number of +quity securities issued under the scheme does not exceed the maximum number set out in the entity’s prospectus, PDS or information memorandum (in the case of (a) above) or in the notice of meeting (in the case of (b) above).

Exception 13 ceases to be available if there is a material change to the terms of the scheme from those set out in the entity’s prospectus, PDS or information memorandum (in the case of (a) above) or in the notice of meeting (in the case of (b) above).
