MARKET RELEASE

1 December 2020

Update on SkyCity Adelaide, Including Opening of Adelaide Expansion

SkyCity Entertainment Group Limited (SKC.NZX/SKC.AX) ("**SkyCity**") advises that, from today, its Adelaide casino and entertainment facilities are no longer subject to a maximum capacity limit of 100 people per venue following the announcement by the South Australian Government to further lift certain COVID-19 restrictions implemented in November 2020 in response to a new COVID-19 cluster in Adelaide.

Physical distancing and hygiene requirements will however remain in place, including:

- initially, a total capacity limit of 1,000 patrons across the gaming floor (until the implementation of an approved COVID-19 management plan);
- for an initial two-week period, a density requirement of one person per four square metres indoors and one person per two square metres outdoors;
- configuring electronic gaming machines to allow appropriate physical distancing, limiting customers at each gaming table and ensuring appropriate spacing when dining; and
- enhanced hygiene protocols.

From today, the SkyCity Adelaide expansion development will open in a staged manner to the public, including:

- **New gaming areas** – opening exclusively to SkyCity Premier Rewards members on 1 and 2 December 2020 and to the public from 3 December 2020;
- **Eos by SkyCity**, a new 120-room luxury hotel – opening on 1 December 2020;
- **Sol Bar and Restaurant**, a new immersive rooftop bar and restaurant destination celebrating the best of South Australia – opening on 1 December 2020;
- **ITL**, a new modern Italian restaurant adjoining the Festival Plaza – opening on 1 December 2020; and
- **The District at SkyCity**, a new entertainment venue on Level 1 of the existing Railway Building featuring live entertainment, the Pirate Life brewery, the Sports Bar, Poker Zone and Bistro - opening on 3 December 2020.

Up to date opening times for the casino, Eos by SkyCity and food and beverage outlets are available on the SkyCity Adelaide website at www.skycityadelaide.com.au.

SkyCity will provide further updates as new material information becomes available.
