Purpose of the meeting

- The meeting is to consider the proposal relating to the following matters

 - The replacement of E&P Investments Limited (**E&P Investments**) as Responsible Entity of the Fund.
 - Changes to the Constitution of the Fund.
- Resolutions 1 and 2 are inter-conditional, so that if either of these Resolutions is not passed by Unitholders, the Proposal will not proceed.
- Separate to the Proposal Resolutions previously mentioned, E&P Investments Limited, is seeking Unitholder approval to refresh the Fund's buyback program.

Overview of the Proposal

- The Proposal comprises two key parts:
 - transition of the Fund from a listed investment trust (LIT) to an open-ended unit trust; and
 - replacement of E&P Investments Limited as Responsible Entity of the Fund by The Trust Company (RE Services) Limited (**Perpetual**).
- To optimise the structure of the Fund for growth and to best position the Fund to continue to deliver strong performance, E&P Investments has undertaken a review of the options available.
- Several alternative options to the Proposal were considered, including maintaining the status quo and a wind-up of the Fund.
- The Board of the out-going Responsible Entity concluded that the Proposal is superior to both the existing arrangements and the other alternatives considered.
