Further information regarding share consolidation

Following the announcement on 30 November 2020, Evolve Education Group Limited (Evolve) (NZX:EVO, ASX:EVO) advises that the timetable for its share consolidation has been updated to reflect discussions with the ASX, NZX and Evolve's share registrar since that date. As a result of these changes, trading is expected to be halted for a two day trading day period, with the last day for trading in pre-consolidation shares now Monday 14 December 2020.

Every 8 shares held in Evolve on 16 December 2020 will be consolidated into 1 share, with all fractional entitlements rounded to the nearest whole number of shares (and a fractional entitlement to half a share being rounded up). As a result of the consolidation, the number of shares on issue in Evolve will be reduced from 1,118,603,993 to approximately 139,825,499 shares.

The timetable for the share consolidation is as follows:

Monday 14 December 2020	Last day for trading in pre-consolidation shares on the NZX Main
	Board and ASX.
Tuesday 15 December 2020	Ex-date for the consolidation. EVO' shares are expected to enter
	a two day trading halt from this date until the consolidation is
	completed.
Wednesday 16 December	Record date for the consolidation.
2020	
Thursday 17 December 2020	Commencement of trading in post-consolidation shares on the
	NZX Main Board and ASX.

Shareholders will receive a statement from Evolve's share registrar, Link Market Services, a few days after the effective date of the consolidation notifying them of their new shareholding. Preconsolidation holdings in the same name will be aggregated for calculation of entitlements and Evolve reserves the right to aggregate holdings held by associated shareholders where it considers that holdings have been split in order to take advantage of rounding.

The Corporate Action Notice filed alongside this announcement replaces Evolve's earlier notice of 30 November 2020 regarding the share consolidation.

This announcement has been authorised for release by the Evolve Board of Directors.
