Details of transactions and events giving rise to substantial holding

Details of the transactions or other events requiring disclosure:

1. Share Incentive Scheme – Share transfer restrictions

The SIS is an employee share scheme operated by PPH to incentivise employees. Participants in the SIS must comply with the rules of the SIS and the trust deed for the SIS. Legal ownership of the Shares issued under the SIS is held by Pushpay Trustees Limited (a wholly-owned subsidiary of Pushpay) as the trustee of the SIS pending the transfer of legal title to an employee on satisfaction of vesting criteria.

Clause 7.1 of the SIS rules restricts an SIS participant’s ability to sell, transfer or otherwise dispose of the Shares held by the trustee for the participant’s benefit (as beneficial owner) under the SIS, until legal ownership in their shares are transferred to the participant.

Certain employees who are participants in the SIS have entered into SIS Participant Undertakings under which they have agreed, subject to certain exceptions, not to sell, transfer or otherwise dispose of those Shares for a minimum of 12 months after the Shares were allocated to them. No additional consideration was provided for the SIS Participant Undertakings.

In the period since 15 August 2020 (being the date that is four months before the date on which PPH began to have the substantial holding described in this notice):

- Legal title to 45,020 Shares⁴ was transferred to certain employees of PPH under PPH’s SIS. No additional consideration was paid for the transfer of legal title.

³ M316 is a charitable foundation, incorporated and registered as a 501(c)(3) non-profit corporation in Washington, United States of America, which is controlled by Christopher Benjamin Heaslip and Sarah Heaslip.

⁴ This figure represents the number of Shares that were transferred on a post-share split basis. All of these Shares were transferred prior to PPH’s 30 November 2020 share split. At the time of the relevant transactions, 11,255 Shares were transferred.

- Pushpay Trustees Limited acquired the beneficial ownership of 118,256 Shares⁵ from SIS participants who ceased to be employees of the PPH group prior to those persons becoming entitled to legal ownership of those Shares under the SIS. The aggregate amount paid to acquire beneficial ownership of those Shares was \$116,745.49.

Appendix 1 to this notice sets out:

- the number of Shares subject to clause 7.1 of the SIS rules and, where applicable, SIS Participant Undertakings; and
- the dates on which legal ownership of SIS Shares is due to be transferred to their beneficial owners.

2. Restricted Share Units – RSU Participant Undertakings

Separate to the SIS, PPH has established the RSU Plan for employees, under which selected employees of the PPH group are granted RSUs as part of their remuneration package. An RSU is a conditional agreement by PPH to issue Shares to an employee, subject to the satisfaction of certain vesting criteria. The vesting criteria and other terms of an employee’s RSU are set out in the RSU Plan and in an RSU Agreement entered into between PPH and the employee.

When an RSU vests and PPH issues Shares to an employee, those Shares are subject to an RSU Participant Undertaking, under which the employee agrees to certain restrictions, including:

- An undertaking, subject to certain exceptions, not to sell, transfer or otherwise dispose of those Shares for 12 months after the issue of the Shares.
- A separate undertaking not to sell, transfer or otherwise dispose of those Shares for a period of up to 180 days following the effective date of any registration statement filed by PPH under the US Securities Act (or such other period to accommodate certain regulatory restrictions).⁶

It is a requirement of the RSU Plan for employees to provide RSU Participant Undertakings. No additional consideration was provided for the RSU Participant Undertakings.

Appendix 1 to this notice sets out the number of Shares subject to RSU Participant Undertakings.

3. Lock Up Deed

On 13 December 2019, PPH and Fowler entered into a Lock Up Deed under which Fowler agreed, subject to certain exceptions, not to sell or transfer Shares held by Fowler (the “**Relevant Restrictions**”) as follows:

⁵ This figure represents the number of Shares that were acquired on a post-share split basis, and includes 6,764 Shares (on a post-share split basis) that were acquired prior to PPH’s 30 November 2020 share split. 1,691 Shares (on a pre-share split basis) were acquired at the time of the relevant transaction.

⁶ PPH has been advised that this is a standard restriction contained in RSU arrangements of this nature. PPH is not currently seeking the registration of shares or other securities under the US Securities Act.

- in respect of 3,252,857 Shares until the close of business on 13 June 2020 (New Zealand time);
- in respect of a further 1,626,429 Shares, until the close of business on 13 December 2020 (New Zealand time); and
- in respect of the remaining 1,626,428 Shares held by Fowler, until the close of business on 13 June 2021 (New Zealand time).

The Lock Up Deed was attached as Appendix 2 to PPH's substantial product holder notice dated 13 December 2019.

As a result of PPH's share split on 30 November 2020, the 3,252,857 Shares that were then subject to the Relevant Restrictions were converted into 13,011,428 Shares (representing 1.18% of the total issued Shares).

Following the release of 6,505,716 Shares from the Relevant Restrictions (as disclosed in PPH's substantial product holder notice dated 14 December 2020), Pushpay retains a relevant interest in 6,505,712 Shares held by Fowler (representing 0.590% of the total issued Shares). These Shares remain subject to the Relevant Restrictions until 13 June 2021.

4. Underwriting Agreements

On 15 December 2020, PPH entered into:

- an underwriting agreement with Woodhill Investment Company LLC and The Mission 316 Foundation relating to an underwritten bookbuild process to facilitate a sell down of the Shares held by Woodhill Investment Company LLC and a partial sell down of the Shares held by The Mission 316 Foundation; and
- an underwriting agreement relating to an underwritten bookbuild process to facilitate a partial sell down of the Shares held by Fowler,

(each, an "**Underwriting Agreement**", and together, the "**Underwriting Agreements**").

Under the Underwriting Agreements, Woodhill Investment Company LLC proposes to sell 39,479,162 Shares (representing 3.581% of the total issued Shares), The Mission 316 Foundation proposes to sell 2,193,287 Shares (representing 0.199% of the total issued Shares) and Fowler proposes to sell 13,011,428 Shares (representing 1.180% of the total issued Shares) (collectively, "**Block Trade Shares**"). The Block Trade Shares represent 4.959% of the total issued Shares.

Copies of the Underwriting Agreements are attached to this notice at Appendix 2.

Clause 4.1(f) of each Underwriting Agreement provides PPH with a contractual right to determine the allocation of the Block Trade Shares subject to that Underwriting Agreement in consultation with the Underwriter (as defined in that Underwriting Agreement) in accordance with any relevant statements in the Investor Presentation.

Clause 4.1(g) of each Underwriting Agreement provides PPH and the Underwriter (as defined in that Underwriting Agreement) with a contractual right to determine any necessary scaling of applications for the Block Trade Shares subject to that Underwriting Agreement.

The operation of these clauses, together with other provisions of each Underwriting Agreement, give PPH the power to control the disposition of the Block Trade Shares (and, therefore, a relevant interest in the Block Trade Shares).

5. Escrow Deed and Accession Deed

On 3 July 2019, PPH entered into an escrow deed with DDS Trustee Services Limited and The Mission 316 Foundation ("**Escrow Deed**") which restricted the sale or disposition of Shares held by those entities until 4 January 2021. Woodhill Investment Company LLC subsequently agreed to be bound to the restrictions in the Escrow Deed under a deed of accession dated 13 December 2019 ("**Accession Deed**").

A copy of the Escrow Deed was attached as Appendix 3 to PPH's substantial product holder notice dated 3 July 2019. A copy of the Accession Deed was attached as Appendix 3 to PPH's substantial product holder notice dated 13 December 2019.

On 14 December 2020, PPH approved the transfer of 4,386,574 Shares (representing 0.398% of the total issued Shares) then held by Woodhill Investment Company LLC to The Mission 316 Foundation.

On 15 December 2020, PPH waived the remaining term of the sale and transfer restrictions under the Escrow Deed and Accession Deed to permit the sale of Block Trade Shares under, and conditional upon the entry by all parties into of, the applicable Underwriting Agreement by Woodhill Investment Company LLC and The Mission 316 Foundation (see heading "4. Underwriting Agreements" above).

11. COMPANY WARRANTIES

- 11.1 **Company:** Subject to any matter that is disclosed in the Investor Presentation or that has been fully and fairly disclosed by way of an announcement by the Company to NZX and ASX or in writing to the Underwriter prior to the date of this Agreement (for the avoidance of doubt, including as may be fully and fairly disclosed through the Underwriter's participation in the Company's due diligence processes and the receipt of any information or reports as part of, or as a result of, those processes), the Company represents and warrants to and, where applicable, agrees with the Underwriter and the Vendors (with the intent that each of the Underwriter and the Vendors should rely on such representations, warranties and agreements in entering into this Agreement) in the terms set out in Schedule 1. 11.3 **Company to notify:** The Company undertakes to the Underwriter and the Vendors to notify the Underwriter and the Vendors forthwith upon the happening of any event that either constitutes or is likely to constitute a breach of any Warranty and of any matter that may have the effect of making any Warranty incorrect or untrue or misleading by omission or otherwise.

11.4 **Truth of warranties:** The Company acknowledges that it has agreed for the benefit of the Underwriter and the Vendors that:

- (a) the truth of the statements contained in the Warranties;
- (b) the fulfilment by the Company of all of its material obligations under this Agreement; and
- (c) disclosure by the Company to the Underwriter and the Vendors prior to the Termination Date of any matter or event that does or is likely to constitute a breach of any Warranty and of any matter or event that has or is likely to have the effect of making any Warranty incorrect, untrue or misleading (were it not disclosed),

12. VENDOR WARRANTIES

12.1 The Vendor Warranties contained in Schedule 2 are given to the Underwriter and the Company by the Vendors at the same time as the Warranties given by the Company under this Agreement, and clauses 11.1 to 11.4 of this Agreement shall apply, *mutatis mutandis*, in respect of the Vendors and the Vendor Warranties.

13. UNDERWRITER'S WARRANTIES

13.1 **Underwriter:** The Underwriter represents and warrants to the Vendors and the Company (with the intent that the Vendors and the Company should rely on such representations and warranties in entering into this Agreement in the following terms) that:

- (a) (*status*) it is a body corporate validly existing under the laws of its place of incorporation;
- (b) (*power*) it has legal capacity and power to enter into and comply with all of the terms and conditions of this Agreement;

- (g) *(no directed selling efforts)* none of it, any of its Affiliates, nor any person acting on behalf of any of them has engaged or will engage in any "directed selling efforts" (as that term is defined in Rule 902(c) under the US Securities Act);

- (i) *(no stabilisation or manipulation)* neither it, nor its Affiliates, nor any person acting on behalf of any of them, has taken or will take, directly or indirectly, any action designed to, or that might reasonably be expected to, cause or result in the stabilisation or manipulation of the price of the Block Trade Shares in violation of any applicable law.

Each sub-clause of this clause 13.1 will be construed independently and no sub-clause will be limited by implications arising from any other sub-clause.

13.2 **Warranties repeated:** Each of the Underwriter Warranties are given as at the date of this Agreement and will be deemed to have been repeated and reaffirmed by the Underwriter on each date from the date of this Agreement until the later of the Termination Date and the Trading Date, as if it had been made on and effective as at each of those dates.

13.3 **Underwriter to notify:** The Underwriter undertakes to the Vendors and the Company to notify the Vendors and the Company forthwith upon the happening of any event that either constitutes or is likely to constitute a breach of any Underwriter Warranty given by it and of any matter that may have the effect of making any Underwriter Warranty given by it incorrect or untrue or misleading by omission or otherwise.

13.4 **Truth of warranties:** The Underwriter acknowledges that it has agreed for the benefit of the Vendors and the Company that:

- (a) the truth of the statements contained in the Underwriter Warranties given by it;
- (b) the fulfilment by it of all of its material obligations under this Agreement; and
- (c) full disclosure by it to the Vendors and the Company prior to the Termination Date of any matter or event that does or is likely to constitute a breach of any Underwriter Warranty given by it and of any matter or event that has or is likely to have the effect of making any Underwriter Warranty given by it incorrect, untrue, or misleading (were it not disclosed),

are essential to the Company.

14. INDEMNITY

14.1 **Indemnity:** Subject to clause 14.2, the Vendors and the Company hereby irrevocably and jointly and severally agree to indemnify and hold harmless each of the Indemnified Persons, on demand, at all times fully and effectively, from and against any and all Losses to the extent incurred by an Indemnified Person arising out of or in connection with the Block Trade, or the appointment of the Underwriter as underwriter pursuant to the Agreement, including:

- (a) Losses directly or indirectly incurred by an Indemnified Person arising out of any statement in information released publicly by the Vendors or the Company in connection with the Block Trade (whether in the Investor Presentation or otherwise); and
- (b) Losses directly or indirectly incurred by an Indemnified Person arising out of:
 - (i) the Vendors or the Company failing to perform or observe any of its obligations under this Agreement;

 - (iii) any representation or Warranty made or deemed have been made by the Vendors or the Company under this Agreement proving to have been untrue or incorrect or any undertaking given by the Company under this Agreement having been breached; or
 - (iv) any Claim that an Indemnified Person has any liability under the FMCA or any other applicable law in relation to the Block Trade.

Each of the paragraphs in this clause 14.1 shall be construed independently and no paragraph is limited by implications arising from any other paragraph.

14.2 **Extent of Indemnity:** Each of the Vendors and the Company will have no obligation to indemnify any Indemnified Person under clause 13.1 if and to the extent that:

- (a) the relevant Loss results from the fraud, gross negligence or wilful misconduct of that Indemnified Person;
- (b) the relevant Loss has resulted from any loss of Underwriter Fee or other fees and expenses which may have been (but had not yet become) payable under this Agreement, if this Agreement had not been terminated in accordance with its terms;
- (c) the relevant Loss is the direct cost of being transferred the Block Trade Shortfall Shares or is directly attributable to any Loss suffered by an Indemnified Person as a result of a change in the value of the Block Trade Shortfall Shares following transfer;
- (d) the relevant Loss arises out of or in connection with the Other Sale (for clarity, without limiting, in relation to the Company, any indemnification as agreed in any documentation relating to the Other Sale); or

- (e) the obligation to so indemnify is illegal, void or unenforceable under any applicable law,

provided that, in respect of any particular Claim or Loss, such limitation applies only to the Claim or Loss or portion of the Claim or Loss resulting from the matter set out in this clause 14.2, but not otherwise.

14.3 Release: The Vendors and the Company agree that:

- (a) no Claim may be made by either of them against any Indemnified Person, and they unconditionally and irrevocably release and discharge each Indemnified Person from any Claim that may be made by them, to recover from any Indemnified Person any Loss suffered or incurred by it arising directly or indirectly as a result of the participation of any Indemnified Person in relation to the Block Trade, except in relation to matters where the Loss is caused by the fraud, gross negligence or wilful misconduct of such Indemnified Person, other than to the extent that Loss is caused, induced or contributed to by the Vendors or the Company or their Affiliates, or caused by an Indemnified Person's reliance on information contained in the Investor Presentation or other information provided by or on behalf of the Vendors or the Company or its Affiliates;
- (b) the Indemnified Persons are not liable in any circumstance for any indirect or consequential loss or damage;
- (c) in any event, no proceedings may be threatened or taken by or on behalf of the Vendors or the Company or their Affiliates against any individual who is an Indemnified Person in connection with any Claim the Vendors or the Company may have against the Underwriter or any of its Affiliates arising out of or in connection with the Investor Presentation or the Block Trade; and
- (d) where the net liability of an Indemnified Person is increased as a result of a limitation or exclusion of liability arising under a contract between the Vendors or the Company and a third party who would otherwise be jointly and severally liable for any part of the losses, by operation of statute or because of a third party's death, bankruptcy or insolvency, the liability of that Indemnified Person shall be no more than it would have been in the absence of that limitation or exclusion of liability, statute, or death, bankruptcy or insolvency (as applicable).

14.4 Notice:

- (a) If an Indemnified Person receives notice of any act, matter or thing which in the opinion of the Indemnified Person could reasonably be expected to give rise to a Claim or Loss, it must notify the Vendors and the Company of the act, matter or thing as soon as reasonably practicable.
- (b) The Vendors and the Company agree that if they become aware of any Claim relevant for the purposes of this clause 14 or any matters which may give rise to a Claim (whether or not the Indemnified Person is an actual or potential party to such actual or potential Claim) they shall promptly notify the Underwriter and promptly provide the Underwriter with such information and copies of such documents relating to the Claim as the Underwriter may reasonably request.

14.5 Failure to Notify: The failure of an Indemnified Person to notify the Vendors or the

Company under clause 14.4(a) will not release the Vendors or the Company from any obligation or liability which it may have to the relevant Indemnified Person under this Agreement, except that its liability in respect of that Indemnified Person is reduced to the extent to which the amount of the Claim which is the subject of the indemnity under clause 14.1 has increased (including as a result of any defence no longer being available) as a result of the failure to so notify.

- 14.6 **Preservation of Rights:** Subject to the other provisions of this clause 14, the rights of an Indemnified Person under this clause 14:
- (a) are not in any way be prejudiced or affected by:
 - (i) any approval given by that party in relation to the Investor Presentation;
 - (ii) any knowledge (actual or constructive) of any:
 - (aa) non-compliance by the Vendors or the Company or a subsidiary of the Company with any statutory, Governmental Agency, NZX or ASX requirement concerning the Block Trade or the Investor Presentation;
 - (bb) failure by the Vendors or the Company to perform or observe any of its obligations under this Agreement; or
 - (cc) representation or Warranty made or deemed to have been made by the Vendors or the Company under this Agreement proving to have been untrue or incorrect;
 - (iii) any valid termination of this Agreement by the Underwriter;
 - (iv) any consent to be named in the Investor Presentation or document issued in connection with the Block Trade;
 - (v) the Vendors or the Company becoming entitled to institute or defend legal or other proceedings; or
 - (vi) any other fact, matter or thing which might otherwise constitute a waiver of, or in any way prejudice or affect, any right of an Indemnified Person other than a waiver in writing;
 - (b) are in addition to any liability which the Vendors or the Company might otherwise have, or any other rights which any Indemnified Person might otherwise have; and
 - (c) are fully enforceable in accordance with their terms notwithstanding any act, omission, matter or thing that, but for this provision, would or might give rise to a defence or counterclaim to such enforcement.
- 14.7 **Obligations of Indemnified Persons:** Subject to clause 14.8, the Underwriter must (and must procure that its Indemnified Persons must):
- (a) keep the Vendors and the Company informed on a timely basis of any developments in relation to any Claim in respect of which the indemnity in clause 14.1 will apply;

- (b) promptly take such reasonable action as the Vendors or the Company requests to avoid, dispute, resist, appeal, compromise or defend any Claim in respect of it;
- (c) not admit liability in respect of all or part of, or settle or compromise or consent to the entry of judgment in, any Claim without the prior written consent of the Vendors and the Company (not to be unreasonably delayed or withheld);
- (d) give all reasonable assistance and co-operation to the Vendors and the Company in the conduct of any Claims; and
- (e) do anything reasonably necessary or desirable to ensure that the Vendors are and/or the Company is (as appropriate) subrogated to and able to enjoy the benefit of the rights of that Indemnified Person in relation to any cross-claims,

provided that a breach of any such requirement does not affect the other provisions of this clause 14.

14.8 Conditions Precedent to Indemnified Persons' Obligations: An Indemnified Person is under no obligation:

- (a) under clause 14.7(b) to (e) unless, at the time the Vendors request or the Company requests that Indemnified Person to take any action, the Vendors or the Company (as appropriate) irrevocably and unconditionally agrees to indemnify the Indemnified Person against all Loss incurred by it in taking the action required, as and when it falls due, including legal costs and disbursements of its lawyers on a full indemnity basis and the cost of any involvement of any senior officers of the Underwriter at normal commercial rates; or
- (b) to take or refrain from taking action under clause 14.7 if to do so would, in the reasonable opinion of the relevant Indemnified Person or the Underwriter:
 - (i) cause it to lose or breach legal privilege; or
 - (ii) breach any statutory or regulatory obligation which it owes to any third party other than the Underwriter; or
- (c) to take or refrain from taking any action under clause 14.7(d) or (e) if to do so would, in the reasonable opinion of the relevant Indemnified Person or the Underwriter, lead to a material risk of damage to the reputation, standing or business of the relevant Indemnified Person or the Underwriter.

14.9 Separate Representation:

- (a) Without prejudice to its right of indemnity under clause 14.1, an Indemnified Person shall be entitled at its election, to be separately represented, and to be indemnified in each case for the costs and expenses of such representation under clause 14.1, in relation to any proceedings against an Indemnified Person in relation to which the indemnity in clause 14.1 applies, as and when they fall due, in any of the following circumstances:
 - (i) the Vendors or the Company (as appropriate) not choosing legal counsel satisfactory to the Indemnified Person (acting reasonably);

- (ii) a conflict arises for legal counsel chosen by the Vendors or the Company, or between the interests of the Vendors or the Company on the one hand and the interests of the Indemnified Person on the other hand;
 - (iii) where there may be defences available to the Indemnified Person that are different from or additional to those available to the Vendors or the Company or another Indemnified Person represented by such legal counsel and the counsel appointed by the Vendors or the Company does not mount and pursue those defences on behalf of the Indemnified Person to the reasonable satisfaction of such Indemnified Person; or
 - (iv) the Indemnified Person reasonably believes it desirable to do so in order to protect the Indemnified Person's reputation, standing or business.
- (b) For the avoidance of doubt, each Indemnified Person shall be entitled at its election to have separate legal representation in relation to any proceedings arising under clause 14.1 in any other circumstance, with the costs of such separate representation at its own cost.

14.10 **Conduct of Proceedings:**

- (a) Subject to clause 14.10(b), the Vendors or the Company, at its own cost, may have sole conduct of the defence of any Claim referred to in clause 14.1 and for that purpose to defend any legal and other proceedings brought against the Indemnified Person in relation to the Claim (but, for clarity, only to the extent that the Claim is brought against the relevant Indemnified Person) and/or to institute such legal and other proceedings in the name of the Indemnified Person ("**Proceedings**"), provided that:
- (i) the Vendors and the Company:
 - (aa) each acknowledge, and continue to acknowledge, that it is liable to indemnify the relevant Indemnified Person under clause 14.1 in respect of such Claim, but such acknowledgement shall not bind the Vendors or the Company if it subsequently discovers in the course of the proceeding that as a consequence of the actions or omissions of an Indemnified Person the indemnity is excluded by clause 14.2 (in which case the Vendors or the Company (as appropriate) shall immediately notify the Indemnified Person in writing of that fact);
 - (bb) each pays (and continue to pay) for all legal and other costs in connection with the defence of the Claim as they arise;
 - (cc) each satisfies (and continue to satisfy) the Indemnified Person of its financial ability to indemnify the Indemnified Person under clause 14.1;
 - (dd) obtain legal advice from a Queen's Counsel or other senior lawyer experienced in the relevant area that there is a reasonable prospect of successfully defending the Claim and the Queen's Counsel or other senior lawyer remains of that

view;

- (ii) the relevant Indemnified Person has the right to information from, and consultation with, the Vendors and the Company, and the right to its own independent legal representation, concerning or with respect to the development and defence of any litigation or threatened litigation (where the circumstances in clause 14.9 exist, such representation will be paid for by the Vendors or the Company (as appropriate) under the indemnity in clause 14.1, otherwise costs will be met by the relevant Indemnified Person);
 - (iii) the Vendors and the Company must have reasonable regard to preserving the reputation, standing and (as applicable) business of the relevant Indemnified Person in conducting the defence of the Claim; and
 - (iv) the Vendors and the Company must not:
 - (aa) without the written consent of the relevant Indemnified Person (not to be unreasonably withheld or delayed), effect the settlement or compromise of, or consent to the entry of any judgment with respect to, any pending or threatened Claim or action in respect of which indemnification may be sought under this Agreement (whether or not the Indemnified Person is an actual or potential party to such Claim or action) unless the Vendors or the Company (as appropriate) first consult reasonably with the relevant Indemnified Person and such settlement, compromise or judgment:
 - (1) includes an unconditional release of each Indemnified Person from all liability arising out of such Claim or action; and
 - (2) does not include a statement as to an admission of fault, culpability or a failure to act by or on behalf of any Indemnified Person; or
 - (bb) otherwise make on behalf of such Indemnified Person or otherwise any admission of liability or compromise whatsoever in connection with the Claim or the Proceedings without the prior written consent of each relevant Indemnified Person and the Underwriter (such consent not to be unreasonably withheld or delayed).
- (b) Without affecting the indemnity in clause 14.1 (including, for the avoidance of doubt, in relation to the Vendors' or the Company's liability for costs associated with any assumed or reassumed control or defence of any Claim under this clause 14.10(b)), an Indemnified Person has a right at any time at its discretion to assume or reassume the control or defence of any Claim referred to in clause 14.1 in the name of the relevant Indemnified Person. If an Indemnified Person does this:
- (i) it will have the right to conduct the proceedings under its management and control, provided it must consult reasonably and co-operate with the Vendors or the Company (as appropriate) in respect of the conduct of

those proceedings;

- (ii) prior to any settlement, admission of liability, or consent to the entry of any judgment with respect to, any pending or threatened Claim which would entitle the Indemnified Person to recover under the indemnity in clause 14.1, the Indemnified Person must first obtain the Vendors' and the Company's prior written consent to that settlement, admission of liability or consent to entry of any judgment (not to be unreasonably withheld or delayed); and
- (iii) the Vendors and the Company must:
 - (aa) render, upon request, all reasonable assistance and co-operation to the Indemnified Person in the conduct of any such Claim; and
 - (bb) do anything reasonably necessary or desirable to ensure that the Indemnified Person is subrogated to and enjoys the benefits of the rights of the Vendors or Company (as appropriate) in relation to any cross-claims,

except where the taking of that action would, in the reasonable opinion of the Vendors or the Company (as appropriate), lead to a material risk of damage to the reputation, standing or business of the Vendors or the Company; and

- (iv) the Indemnified Person must:
 - (aa) keep the Vendors or the Company (as appropriate) fully informed of the relevant Indemnified Person's progress in defending the Claim and any Proceedings; and
 - (bb) at the Vendors' or the Company's request, consult with, and take account of the reasonable views of, the Vendors or the Company (as appropriate) so far as reasonably possible in the relevant Indemnified Person's defence of the Claim and any Proceedings.

For the avoidance of doubt, in the event of control or defence of a Claim being assumed or reassumed under this clause 14.10(b), the indemnity in clause 14.1 continues to apply in relation to all Claims and Losses suffered or incurred by any Indemnified Person.

14.11 Indemnity – third parties: Where Loss is suffered by the Vendors or the Company for which an Indemnified Person would otherwise be jointly, or jointly and severally, liable with any third party or third parties to the Vendors or the Company, the extent to which such Loss will be recoverable by the Vendors or the Company (as appropriate) from the Indemnified Person will:

- (a) be limited so as to be in proportion to the Indemnified Person's contribution to the overall fault for such Loss, as agreed between the Indemnified Person and the Vendors or the Company (as appropriate) or, in the absence of agreement, as determined by a court of competent jurisdiction; and

- (b) be no more than it would have been had any arrangements which limit the extent to which the Vendors or the Company (as appropriate) may claim against a third party or parties in connection with the Block Trade not existed.

14.12 **Contractual contribution:** If for any reason the indemnities given by the Vendors or the Company under this clause 14 are unavailable or insufficient to fully indemnify and hold harmless any Indemnified Person against any Claim or Loss against which the Indemnified Person is stated to be indemnified under this clause 14 (other than as a result of the operation of any exclusion, limitation or qualification in this clause 14), then the Vendors, in lieu of indemnifying such Indemnified Person, will contribute to the aggregate amount of such Claim or Loss, as incurred, in all cases in such proportion as is appropriate to reflect:

- (a) the relative benefits received by the Vendors and the Company on the one hand and the Underwriter on the other hand from the Block Trade; or
- (b) if the allocation provided by clause 14.12(a) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause 14.12(a) above but also the relative fault of the Vendors and the Company on the one hand and of the Underwriter on the other hand in connection with the acts or statements or omissions which resulted in such Claims or Losses, as well as any other relevant equitable considerations.

14.13 **Determination of contribution:**

- (a) The relative benefit of the Vendors and the Company on the one hand and the Underwriter on the other hand shall be deemed to be in the same respective proportions as the total net proceeds from the offering of Block Trade Shares pursuant to this Agreement (before deducting fees, commissions or expenses) received by the Vendors and the total fees and commissions received by the Underwriter bear to the total gross proceeds from the Block Trade.
- (b) The relative fault of the Vendors and the Company on the one hand and the Underwriter on the other hand will be determined by reference to, among other things:
 - (i) whether any untrue statement or alleged untrue statement in the Investor Presentation or any omission or alleged omission from the Investor Presentation relates to information supplied by the Vendors or the Company on the one hand, or the Underwriter on the other hand;
 - (ii) the participation in, instigation of, or other involvement of the Vendors or the Company on the one hand, or the Underwriter on the other hand in the act complained of; and
 - (iii) the Vendors' and the Company's, and the Underwriter's, relative intent, knowledge, access to information and opportunity to correct or prevent the publication of such untrue statement or alleged untrue statement or such omission or alleged omission.
- (c) The Vendors, the Company and the Underwriter agree that it would not be just and equitable if contribution pursuant to clause 14.12 were determined by pro rata allocation or by any other method of allocation which does not take account of the equitable considerations referred to in clauses 14.13(a) and (b).

- (d) Notwithstanding any other provisions of clause 14.12 or this clause 14.13, the Vendors and the Company agree that no Indemnified Person will be required to contribute under clause 14.12 to any Claim or Loss in an aggregate amount exceeding the aggregate commission and fees received by the Underwriter under this Agreement (other than as a result of the operation of any exclusion, limitation or qualification in clause 14.2(a) that would apply if the indemnity in clause 14.1 had been available to, or sufficient for, such Indemnified Person).

14.14 **Right to payment:** If an Indemnified Person pays an amount in relation to a Loss where it is entitled to contribution or indemnification from the Vendors or the Company under this clause 14, the Vendors or the Company agree (as appropriate) to promptly reimburse the Indemnified Person for that amount.

14.15 **Related provisions:** The indemnity, releases and contractual contribution rights set out in clause 14.1 are:

- (a) in addition to any liability the Vendors or the Company might otherwise have (including under the Engagement and Fee Letter);
- (b) in addition to any other rights which any Indemnified Person might otherwise have;
- (c) intended to confer a benefit on each Indemnified Person for the purposes of the Contract and Commercial Law Act 2017 and each Indemnified Person may enforce the indemnity, releases and contractual contribution set out in this clause 14 for his, her or its own benefit;
- (d) fully enforceable in accordance with their terms notwithstanding any act, matter, omission or thing that, but for this clause, would or may give rise to a defence or counterclaim; and
- (e) for the benefit of each Indemnified Person, each of whom may enforce the indemnity, releases and contractual contribution rights severally and without any need to join any or every other Indemnified Person in such proceeding.

14.16 **Indemnity to survive termination:** This clause 14 will survive and continue in full force and effect notwithstanding the termination of this Agreement for any reason.

14.17 **Sharing between Vendors and Company:** Without prejudice to the joint and several liability of the Vendors and the Company to the Underwriter, and subject always to clause 33 and 34, as between the Vendors and the Company liability under the indemnity in this clause 14 shall be shared between them in proportion to the extent that the Loss in question is attributable to the acts or omissions of each of them.

15. GUARANTEE

15.1 In consideration of the Underwriter entering into this Agreement, the Guarantor unconditionally and irrevocably guarantees to the Underwriter as principal obligor and not merely as a surety and by way of a continuing obligation, the due and punctual payment of any and all liabilities of the Vendors to the Underwriter under clause 14 and under the Engagement and Fee Letter. The liability of the Guarantor under this guarantee is not relieved or in any way affected in a manner prejudicial to the Underwriter by any variation of this Agreement, granting of time, waiver or forbearance to sue by the Underwriter or by any

other act, omission, matter, circumstance or law whereby the Guarantor as a surety only would, but for the provisions of this clause, have been released from liability. For the avoidance of doubt, this guarantee does not limit in any way clause 34.

- 15.2 The Guarantor waives any right it may have to require the Underwriter (or any agent on its behalf) to proceed against or enforce any other right or claim for payment against any person before claiming from the Guarantor under this clause 15.
- 15.3 For the avoidance of doubt, any intermediate payment or partial discharge by the Guarantor of its obligations under this clause 15 shall not discharge or release the Guarantor's obligations that have not been satisfied by such intermediate payment or partial discharge.

16. TERMINATION EVENTS

16.1 **Termination Events:** The obligations of the Underwriter to perform its obligations under this Agreement are conditional upon:

- (a) **Adverse events:** None of the following events or circumstances occurring or arising on or after the execution of this Agreement but prior to or on the Trading Date:

 - (v) *disclosures:* any information supplied by or on behalf of the Company to the Underwriter in relation to the Group or the Block Trade being inaccurate, incomplete, misleading or deceptive (including by omission)

and this is a Material Adverse Event; or

- (vii) *change in law*: there being announced, made, promulgated, or threatened any statute, regulation, order or enactment, or any direction or policy of any Government Agency, statutory or regulatory authority (including, without limitation, NZX, ASX, the Registrar of Companies, or the FMA) or similar body, in any jurisdiction, or of any Court, and this is a Material Adverse Event; or
- (viii) *listing*: the Company ceases to be admitted to the official list of NZX or ASX or its Shares are suspended from official quotation on the NZX Main Board or ASX (other than a voluntary suspension requested by the Company and consented to by the Underwriter to facilitate the Block Trade, such consent not to be unreasonably withheld or delayed), or the Company requests that trading in any Shares (including the Block Trade Shares) be halted by NZX or ASX without the prior written consent of the Underwriter, such consent not to be unreasonably withheld; or

 - (xv) *unable to proceed*: the Vendors or the Company is or will be prevented from conducting or completing the Block Trade by or in accordance with the NZX Listing Rules, ASX Listing Rules, the FMA, any applicable laws or an order of a court of competent jurisdiction, or otherwise are or will become unable or unwilling to do any of these things; or
 - (xvi) *regulatory Action*: NZX, ASX, the Registrar of Companies, the FMA or any other regulatory body or authority taking any Actions in relation to the Block Trade or Investor Presentation and this is a Material Adverse Event; or
 - (xvii) *market fall*: the S&P/NZX 50 Index or ASX 200 Index falls to a level that is 10% or more below its level as at the close of trading on the Business Day prior to the date of this Agreement:
 - (aa) at any time prior to the lift of the trading halt; or
 - (bb) at any time after the lift of the trading halt and at the close of trading on the Business Day after such a decline occurs is 10% or more below its level as at the close of trading on the Business Day prior to the date of this Agreement; or
 - (cc) at any time on the Trading Date; or
 - (xviii) *pandemic*: there is a major outbreak or a major escalation, otherwise than as to the extent subsisting (or reasonably foreseeable) as at the date of this Agreement, of a pandemic or epidemic, such as novel coronavirus, Severe Acute Respiratory Syndrome, or swine or avian influenza in New Zealand (but for the avoidance of doubt, the parties agree that a return to a higher Alert Level than in force as at the date of this Agreement is not reasonably foreseeable but further agree that the mere fact of returning to a higher Alert Level does not on its own satisfy the requirements of this sub-clause).
- (b) **Reports, opinions, letters etc:** The receipt by the Underwriter of:
- (i) a legal opinion from the Company's legal counsel in relation to compliance with law and the due diligence process (as described in the Due Diligence Process Memorandum); and

- (ii) a copy of the Due Diligence Report,

such opinions and report to be in a form agreed with the Company (and satisfactory to the Underwriter, acting reasonably) and such opinions addressed to, and expressed to be for the benefit of, the Underwriter in its capacity as underwriter;

- (c) **Due Diligence Investigations:** Any Due Diligence Investigations of the Company or conducted by, in conjunction with or on behalf of, the Company or the Underwriter not revealing any matter of which the Underwriter was not previously aware and this is a Material Adverse Event; and
- (d) **Certificate:** The receipt by the Underwriter of the Certificate required under this Agreement by the time required under this Agreement,

provided that the Underwriter shall perform its obligations under this Agreement until such time (if any) as any such conditions are satisfied or fail to be satisfied (as the case may be) in accordance with the terms of this Agreement.

Each of the paragraphs and sub-paragraphs in clause 16.1 above will be construed independently and no paragraph or sub-paragraph will be limited by implications arising from any other paragraph or sub-paragraph.

16.2 **Termination on non-fulfilment:**

- (a) Any or all of the conditions set out in clause 16.1 may be waived by the Underwriter, acting in its absolute and unfettered discretion.
- (b) In determining whether an event of the nature referred to in clause 16.1 has arisen, the Underwriter shall consult, to the extent reasonably practicable, with the Vendors and the Company. Nothing in this clause 16.2(b) shall limit the discretions or rights of the Underwriter under this Agreement.
- (c) If:
 - (i) by or on the Trading Date, or by any earlier date specified in respect of any condition, all of the conditions set out in clause 16.1 have not been fulfilled or waived by the Underwriter; or
 - (ii) at any time after the date of this Agreement, circumstances arise as a result of which the Underwriter is reasonably satisfied that any of the conditions set out in clause 16.1 have become incapable of fulfilment and have not been waived by the Underwriter,

then the Underwriter may, by notice to the Vendors and the Company terminate its obligations under this Agreement provided that, for the Underwriter to terminate pursuant to clause 16.1(a) with respect to a condition requiring a determination that the relevant event or matter is one that the Underwriter may reasonably consider to be a Material Adverse Event, the Underwriter must have made that determination and provided to the Vendors and the Company reasonable details in writing of its reasons for making that determination.

16.3 **Effect of termination:** In the event that the Underwriter validly terminates its obligations under this Agreement pursuant to clause 2.5 or 16.2, it shall be relieved of its obligations

under this Agreement and shall be entitled to any fees and expenses, as set out in any agreement relating to fees and expenses.

16.4 **Survival:** Notwithstanding any other provision of this Agreement, if this Agreement is validly terminated:

- (a) this Agreement shall be of no effect, except to the extent that claims arose prior to termination;
- (b) such termination shall be without prejudice to:
 - (i) any accrued rights or obligations of any party under this Agreement, and any claims arising out of the circumstances leading to termination; and
 - (ii) any obligation of the Company or the Underwriter in respect of any Block Trade Shares which have already been acquired and paid for or sold and paid for at the time of such termination; and
- (c) the provisions of clauses 1, 5.5, 7.1, 7.3, 10.2, 10.3, 14, 15, 16.3, this clause 16.4 and clauses 19, 21, 23, 24, 25, 26, 27, 30, 31, 32 and 33 shall remain in full force and effect.

17. DELAY

17.1 No delay, grant of time, release, compromise, forbearance (whether partial or otherwise) or other indulgence by one party in respect of any breach of any other party's obligations under this Agreement is to:

- (a) operate as a waiver of or prevent the subsequent enforcement of that obligation; or
- (b) be deemed a delay, grant of time, release, compromise, forbearance (whether partial or otherwise) or other indulgence in respect of, or a waiver of, any subsequent or other breach.

18. POST COMPLETION

18.1 Each provision of this Agreement will, insofar as it has not been performed at the Termination Date or otherwise been extinguished under the terms of this Agreement, continue in full force and effect.

19. ENTIRE AGREEMENT

- (a) constitute the entire understanding and agreement of the parties relating to the underwriting of the Block Trade; and
- (b) supersede and extinguish all prior agreements, arrangements or understandings between the parties relating to the underwriting of the Block Trade.

19.2 The terms of this Agreement shall prevail over the terms of the Engagement and Fee Letter

to the extent of any inconsistency.

22. ASSIGNMENT AND SUB-UNDERWRITING

22.1 **No assignment by Vendors or Company:** The Vendors and the Company are not entitled to assign this Agreement or any part of their benefits or obligations under this Agreement.

22.2 **Assignment by Underwriter:** The Underwriter may assign its rights or obligations under this Agreement to a related company or, with the prior written consent of the Vendors and the Company (acting reasonably), to any other person but without releasing it from any of its

obligations to the Vendors and the Company.

- 22.3 **Appointment of Sub-Underwriters:** The Underwriter is entitled to appoint persons as Sub-Underwriters of its rights or obligations under this Agreement but without releasing it from any of its obligations to the Vendors or the Company.

23. SEVERABILITY

- 23.1 If at any time any provision (or any covenant contained in any provision) of this Agreement is or becomes illegal, invalid or unenforceable in any respect under the law of any relevant jurisdiction, such provision or covenant will be severed from this Agreement and will be ignored in construing this Agreement. Such illegality, invalidity or unenforceability will not affect the ability of any party to enforce the provisions (or, as the case may be, the remaining provisions or the remaining covenants contained in any provision) of this Agreement nor will the legality, validity or enforceability of such provisions under the law of any other jurisdiction in any way be affected or impaired thereby. However, the parties will, if so required by either of them, enter into good faith discussions in order to agree and (if agreed) implement such amendments to this Agreement as may achieve as nearly as possible its intent in a manner which is legal, valid and enforceable in all relevant jurisdictions.

24. GOODS AND SERVICES TAX

24.1 Interpretation:

- (a) Unless the context suggests otherwise, all words and phrases used in this clause 24 which are defined in the GST Act have the meanings given to them in the GST Act.
- (b) Any reference to GST paid or payable by the Underwriter or any of its Affiliates includes any GST paid or payable by the representative member of any GST group of which the Underwriter or the Affiliate is a member.

- 24.2 **GST exclusive consideration:** Unless otherwise expressly stated, all prices or other sums payable or consideration to be provided under this Agreement are exclusive of any GST. The parties agree that for the purposes of GST, the supplies (or parts thereof) made by the Underwriter pursuant to or evidenced by this Agreement are not taxable (other than at a rate of zero percent) being either not subject to GST, exempt, input taxed, zero rated or GST free and subject to clause 24.3 no amount shall be payable by the Vendors under or in accordance with this Agreement on account of GST.

- 24.3 **Payment of GST:** The parties agree that where the relevant tax authority has determined that GST is chargeable, other than at zero percent, on a supply made by one party (the "**Supplier**") to another party (the "**Recipient**") under or in accordance with this Agreement, the Supplier will issue a tax invoice to the Recipient and the Recipient will pay to the Supplier, in addition to the GST exclusive consideration for the supply, an amount equal to the sum of:
- (a) the GST charged on the supply ("**GST Amount**"); plus
- (b) any use of money interest (other than any use of money interest calculated by reference to a late payment penalty or shortfall penalty) imposed on the Supplier in

relation to the GST Amount under the New Zealand Tax Administration Act 1994 (NZ), the GST Act or any replacement legislation as a result of the late payment or non-payment by the Supplier of the GST charged on the supply ("**Default GST**"). However the Recipient is not liable for any Default GST that relates to the period after the date that the GST Amount plus any Default GST in respect of the GST Amount is paid in full by the Recipient to the Supplier.

For the avoidance of doubt, no amount on account of GST (including Default GST) will be or become payable by the Recipient to the Supplier unless the Supplier has first issued a tax invoice, debit note or adjustment note.

- 24.4 **Net down:** If an amount payable under or in connection with this Agreement is calculated or determined by reference to an expense, cost, loss or outgoing of a party ("**Relevant Expense**"), the amount of the Relevant Expense for the purpose of calculating the payment is to be reduced by an amount equal to any input tax credit or (if applicable) any deduction from output tax the person is entitled to as a result of incurring the Relevant Expense, or where that person is a member of a GST group to the representative member of that group.

25. TIME OF THE ESSENCE

- 25.1 Time will be of the essence for the performance of all obligations in respect of which a time period or date, or both, is specified in this Agreement.

26. DEFAULT

- 26.1 If any moneys payable by any party ("**First Party**") to this Agreement to any other party ("**Second Party**") are not paid by the due date for payment, the First Party will pay to the Second Party interest at the rate equal to the aggregate of the overdraft interest rate charged to the Second Party by its bank as at the due date and 2% per annum calculated daily (but not cumulatively), and compounding quarterly, on the amount unpaid from and including the due date until payment is made in full. This provision is without prejudice to any party's rights, powers or remedies against any other party in respect of any delay or failure by the second mentioned party to make payment.

27. NO FIDUCIARY RELATIONSHIP

- 27.1 **The Vendors and the Company acknowledge and agree that:**
- (a) the Underwriter is acting solely pursuant to a contractual relationship with the Vendors and the Company on an arm's length basis with respect to the Block Trade (including in connection with determining the terms of the Block Trade) and on the terms, and with the obligations and duties, expressly stated in this Agreement, and not as a fiduciary to the Vendors or the Company or any other person;
 - (b) except as provided in this Agreement, the Underwriter is not advising the Vendors or the Company or any other person as to any legal, tax, investment, financial and capital structure modelling, accounting or regulatory matters in any jurisdiction; and
 - (c) the Underwriter shall not have any liability for any claims brought against any

person (and the Vendors and the Company confirm they will not make any claim against the Underwriter) in respect of the timing, terms and structure of the Block Trade, or that the Bookbuild Price was set at a level that is too high or too low, or with respect to any sales of Block Trade Shares by investors following allocation to them by the Underwriter of such Block Trade Shares.

28. COUNTERPARTS

- 28.1 **Two or more counterparts:** This Agreement may be executed in two or more counterparts, each of which will be deemed an original, but all of which will constitute one and the same instrument.
- 28.2 **Any counterpart may be signed:** A party may enter into this Agreement by signing any counterpart (including any counterpart sent by way of facsimile or PDF email attachment).

29. ELECTRONIC SIGNING

- 29.1 A party may sign this Agreement by way of the application of that party's electronic signature (whatever form that electronic signature takes) in accordance with Part 4 of the Contract and Commercial Law Act 2017, and such method of signing is conclusive of that party's intention to be legally bound by this Agreement as if that party had signed this Agreement by manuscript signature.

30. SUCCESSION

- 30.1 The indemnity in clause 14 and all other terms of this Agreement shall be binding upon the parties and their respective successors and permitted assigns and any successor or permitted assign of any of their respective businesses and/or assets.

31. CONFIDENTIALITY

- 31.1 Each party shall at all times keep confidential, treat as privileged, and not directly or indirectly make or allow any disclosure or use to be made of:
- (a) the subject matter of this Agreement or any sub-underwriting agreement;
 - (b) any provision of this Agreement, of any sub-underwriting agreement, or of any information relating to any such provision; or
 - (c) any information directly or indirectly obtained from any other party under or in connection with this Agreement or any sub-underwriting agreement,
- except:
- (d) to the extent required by the law of any jurisdiction in which the Block Trade is made (including, without limitation, the disclosure of this Agreement by the Company in connection with the filing of substantial product holder notices in compliance with the FMCA);
 - (e) to the extent necessary to satisfy the requirements of any recognised stock exchange;

- (f) to any person as part of a sub-underwriting offer;
- (g) as contained in the Investor Presentation, the announcement contemplated by clause 2.1(b) or any other announcement approved by the Underwriter;
- (h) for the disclosure of information that is in the public domain except as a result of a breach of this clause; or
- (i) to the extent that the parties otherwise agree in writing.

32. GOVERNING LAW

32.1 **New Zealand law:** This Agreement is to be governed by and construed in accordance with the laws of New Zealand.

32.2 **Jurisdiction:** Each of the parties to this Agreement irrevocably:

- (a) agrees that any legal suit, action or proceeding ("**Actions**") arising out of or based on this Agreement may be instituted in any competent court in New Zealand;
- (b) waives, to the fullest extent it may effectively do so, any objection which it may now or later have to the laying of venue of those Actions in any such court; and
- (c) submits to the non-exclusive jurisdiction of those courts in those Actions.

33. COMPANY LIABILITY

33.1 Subject to clause 33.3, each of the Underwriter, the Vendors and the Guarantor acknowledge and agree that the Company's maximum Liability under this Agreement and otherwise in connection with the Block Trade (including the Investor Presentation and any other announcements or documents that refer to the Block Trade) to the parties to this Agreement and to all other persons (in aggregate, in respect of all such parties and persons taken together) is limited to, and will not exceed, an amount calculated as 10% of the Company's Average Market Capitalisation (as that term is defined in the NZX Listing Rules) on the date of this Agreement, minus \$10.

33.2 Each of the Underwriter, the Vendors and the Guarantor acknowledge and agree that the Company's maximum Liability under:

- (a) this Agreement and otherwise in connection with the Block Trade (including the Investor Presentation and any other announcements or documents that refer to the Block Trade); and

- (b) the Other Sale Agreement or in connection with the Other Sale,

to the following persons (in aggregate, in respect of all such persons taken together):

- (c) parties to this Agreement;
- (d) parties to the Other Sale Agreement; and
- (e) all other persons,

is limited to, and will not exceed, the amount that is 10% of the Company's Average Market Capitalisation (as that term is defined in the NZX Listing Rules) on the date of this Agreement, minus \$10.

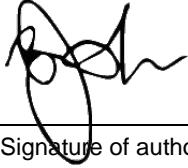

- 33.3 In this clause 33, "**Liability**" means all liability however arising, including under any indemnity, for breach of contract, in equity, in tort (including negligence), under statute or regulation or otherwise.

34. CHARITABLE FOUNDATION LIMITATION OF LIABILITY

- 34.1 The parties acknowledge that Mission 316 is a charitable foundation, incorporated and registered as a 501(c)(3) non-profit corporation in Washington, United States of America.
- 34.2 The liability of Mission 316 under this Agreement shall not be unlimited liability, but instead shall be limited to the assets of Mission 316 from time to time.
- 34.3 Notwithstanding any other provision of this Agreement, Mission 316 shall not be liable to pay any amount under this Agreement that would otherwise be payable by it, including as a result of any breach of this Agreement, except to the extent that:
- (a) it obtains reimbursement from the assets of Mission 316 for the amount, or could do so by taking appropriate action; or
 - (b) the amount payable is as a result of the fraud of Mission 316.

 - (b) are in addition to any liability which the Vendor or the Company might otherwise have, or any other rights which any Indemnified Person might otherwise have; and
 - (c) are fully enforceable in accordance with their terms notwithstanding any act, omission, matter or thing that, but for this provision, would or might give rise to a defence or counterclaim to such enforcement.
- 14.7 **Obligations of Indemnified Persons:** Subject to clause 14.8, the Underwriter must (and must procure that its Indemnified Persons must):

- (a) keep the Vendor and the Company informed on a timely basis of any developments in relation to any Claim in respect of which the indemnity in clause 14.1 will apply;
- (b) promptly take such reasonable action as the Vendor or the Company requests to avoid, dispute, resist, appeal, compromise or defend any Claim in respect of it;
- (c) not admit liability in respect of all or part of, or settle or compromise or consent to the entry of judgment in, any Claim without the prior written consent of the Vendor and the Company (not to be unreasonably delayed or withheld);
- (d) give all reasonable assistance and co-operation to the Vendor and the Company in the conduct of any Claims; and
- (e) do anything reasonably necessary or desirable to ensure that the Vendor and/or the Company (as appropriate) is subrogated to and able to enjoy the benefit of the rights of that Indemnified Person in relation to any cross-claims,

provided that a breach of any such requirement does not affect the other provisions of this clause 14.

14.8 **Conditions Precedent to Indemnified Persons' Obligations:** An Indemnified Person is under no obligation:

- (a) under clause 14.7(b) to (e) unless, at the time the Vendor or the Company requests that Indemnified Person to take any action, the Vendor or the Company (as appropriate) irrevocably and unconditionally agrees to indemnify the Indemnified Person against all Loss incurred by it in taking the action required, as and when it falls due, including legal costs and disbursements of its lawyers on a full indemnity basis and the cost of any involvement of any senior officers of the Underwriter at normal commercial rates; or
- (b) to take or refrain from taking action under clause 14.7 if to do so would, in the reasonable opinion of the relevant Indemnified Person or the Underwriter:
 - (i) cause it to lose or breach legal privilege; or
 - (ii) breach any statutory or regulatory obligation which it owes to any third party other than the Underwriter; or
- (c) to take or refrain from taking any action under clause 14.7(d) or (e) if to do so would, in the reasonable opinion of the relevant Indemnified Person or the Underwriter, lead to a material risk of damage to the reputation, standing or business of the relevant Indemnified Person or the Underwriter.

14.9 **Separate Representation:**

- (a) Without prejudice to its right of indemnity under clause 14.1, an Indemnified Person shall be entitled at its election, to be separately represented, and to be indemnified in each case for the costs and expenses of such representation under clause 14.1, in relation to any proceedings against an Indemnified Person in relation to which the indemnity in clause 14.1 applies, as and when they fall due, in any of the following circumstances:

- (i) the Vendor or the Company (as appropriate) not choosing legal counsel satisfactory to the Indemnified Person (acting reasonably);
 - (ii) a conflict arises for legal counsel chosen by the Vendor or the Company, or between the interests of the Vendor or the Company on the one hand and the interests of the Indemnified Person on the other hand;
 - (iii) where there may be defences available to the Indemnified Person that are different from or additional to those available to the Vendor or the Company or another Indemnified Person represented by such legal counsel and the counsel appointed by the Vendor or the Company does not mount and pursue those defences on behalf of the Indemnified Person to the reasonable satisfaction of such Indemnified Person; or
 - (iv) the Indemnified Person reasonably believes it desirable to do so in order to protect the Indemnified Person's reputation, standing or business.
- (b) For the avoidance of doubt, each Indemnified Person shall be entitled at its election to have separate legal representation in relation to any proceedings arising under clause 14.1 in any other circumstance, with the costs of such separate representation at its own cost.

14.10 **Conduct of Proceedings:**

- (a) Subject to clauses 14.10(b), the Vendor or the Company, at its own cost, may have sole conduct of the defence of any Claim referred to in clause 14.1 and for that purpose to defend any legal and other proceedings brought against the Indemnified Person in relation to the Claim (but, for clarity, only to the extent that the Claim is brought against the relevant Indemnified Person) and/or to institute such legal and other proceedings in the name of the Indemnified Person ("**Proceedings**"), provided that:
- (i) the Vendor and the Company:
 - (aa) each acknowledges, and continues to acknowledge, that it is liable to indemnify the relevant Indemnified Person under clause 14.1 in respect of such Claim, but such acknowledgement shall not bind the Vendor or the Company if it subsequently discovers in the course of the proceeding that as a consequence of the actions or omissions of an Indemnified Person the indemnity is excluded by clause 14.2 (in which case the Vendor or the Company (as appropriate) shall immediately notify the Indemnified Person in writing of that fact);
 - (bb) each pays (and continues to pay) for all legal and other costs in connection with the defence of the Claim as they arise;
 - (cc) each satisfies (and continues to satisfy) the Indemnified Person of its financial ability to indemnify the Indemnified Person under clause 14.1;
 - (dd) obtain legal advice from a Queen's Counsel or other senior lawyer experienced in the relevant area that there is a

reasonable prospect of successfully defending the Claim and the Queen's Counsel or other senior lawyer remains of that view;

- (ii) the relevant Indemnified Person has the right to information from, and consultation with, the Vendor and the Company, and the right to its own independent legal representation, concerning or with respect to the development and defence of any litigation or threatened litigation (where the circumstances in clause 14.9 exist, such representation will be paid for by the Vendor or the Company (as appropriate) under the indemnity in clause 14.1, otherwise costs will be met by the relevant Indemnified Person);
 - (iii) the Vendor and the Company must have reasonable regard to preserving the reputation, standing and (as applicable) business of the relevant Indemnified Person in conducting the defence of the Claim; and
 - (iv) the Vendor and the Company must not:
 - (aa) without the written consent of the relevant Indemnified Person (not to be unreasonably withheld or delayed), effect the settlement or compromise of, or consent to the entry of any judgment with respect to, any pending or threatened Claim or action in respect of which indemnification may be sought under this Agreement (whether or not the Indemnified Person is an actual or potential party to such Claim or action) unless the Vendor or the Company (as appropriate) first consults reasonably with the relevant Indemnified Person and such settlement, compromise or judgment:
 - (1) includes an unconditional release of each Indemnified Person from all liability arising out of such Claim or action; and
 - (2) does not include a statement as to an admission of fault, culpability or a failure to act by or on behalf of any Indemnified Person; or
 - (bb) otherwise make on behalf of such Indemnified Person or otherwise any admission of liability or compromise whatsoever in connection with the Claim or the Proceedings without the prior written consent of each relevant Indemnified Person and the Underwriter (such consent not to be unreasonably withheld or delayed).
- (b) Without affecting the indemnity in clause 14.1 (including, for the avoidance of doubt, in relation to the Vendor's or the Company's liability for costs associated with any assumed or reassumed control or defence of any Claim under this clause 14.10(b)), an Indemnified Person has a right at any time at its discretion to assume or reassume the control or defence of any Claim referred to in clause 14.1 in the name of the relevant Indemnified Person. If an Indemnified Person does this:

- (i) it will have the right to conduct the proceedings under its management and control, provided it must consult reasonably and co-operate with the Vendor or the Company (as appropriate) in respect of the conduct of those proceedings;
- (ii) prior to any settlement, admission of liability, or consent to the entry of any judgment with respect to, any pending or threatened Claim which would entitle the Indemnified Person to recover under the indemnity in clause 14.1, the Indemnified Person must first obtain the Vendor's and the Company's prior written consent to that settlement, admission of liability or consent to entry of any judgement (not to be unreasonably withheld or delayed); and
- (iii) the Vendor and the Company must:
 - (aa) render, upon request, all reasonable assistance and co-operation to the Indemnified Person in the conduct of any such Claim; and
 - (bb) do anything reasonably necessary or desirable to ensure that the Indemnified Person is subrogated to and enjoys the benefits of the rights of the Vendor or Company (as appropriate) in relation to any cross-claims,

except where the taking of that action would, in the reasonable opinion of the Vendor or the Company (as appropriate), lead to a material risk of damage to the reputation, standing or business of the Vendor or the Company; and

- (iv) the Indemnified Person must:
 - (aa) keep the Vendor or the Company (as appropriate) fully informed of the relevant Indemnified Person's progress in defending the Claim and any Proceedings; and
 - (bb) at the Vendor's or the Company's request, consult with, and take account of the reasonable views of, the Vendor or the Company (as appropriate) so far as reasonably possible in the relevant Indemnified Person's defence of the Claim and any Proceedings.

For the avoidance of doubt, in the event of control or defence of a Claim being assumed or reassumed under this clause 14.10(b), the indemnity in clause 14.1 continues to apply in relation to all Claims and Losses suffered or incurred by any Indemnified Person.

14.11 Indemnity – third parties: Where Loss is suffered by the Vendor or the Company for which an Indemnified Person would otherwise be jointly, or jointly and severally, liable with any third party or third parties to the Vendor or the Company, the extent to which such Loss will be recoverable by the Vendor or the Company (as appropriate) from the Indemnified Person will:

- (a) be limited so as to be in proportion to the Indemnified Person's contribution to the overall fault for such Loss, as agreed between the Indemnified Person and the Vendor or the Company (as appropriate) or, in the absence of agreement, as determined by a court of competent jurisdiction; and
- (b) be no more than it would have been had any arrangements which limit the extent to which the Vendor or the Company (as appropriate) may claim against a third party or parties in connection with the Block Trade not existed.

14.12 **Contractual contribution:** If for any reason the indemnities given by the Vendor or the Company under this clause 14 are unavailable or insufficient to fully indemnify and hold harmless any Indemnified Person against any Claim or Loss against which the Indemnified Person is stated to be indemnified under this clause 14 (other than as a result of the operation of any exclusion, limitation or qualification in this clause 14), then the Vendor, in lieu of indemnifying such Indemnified Person, will contribute to the aggregate amount of such Claim or Loss, as incurred, in all cases in such proportion as is appropriate to reflect:

- (a) the relative benefits received by the Vendor and the Company on the one hand and the Underwriter on the other hand from the Block Trade; or
- (b) if the allocation provided by clause 14.12(a) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause 14.12(a) above but also the relative fault of the Vendor and the Company on the one hand and of the Underwriter on the other hand in connection with the acts or statements or omissions which resulted in such Claims or Losses, as well as any other relevant equitable considerations.

14.13 **Determination of contribution:**

- (a) The relative benefit of the Vendor and the Company on the one hand and the Underwriter on the other hand shall be deemed to be in the same respective proportions as the total net proceeds from the offering of Block Trade Shares pursuant to this Agreement (before deducting fees, commissions or expenses) received by the Vendor and the total fees and commissions received by the Underwriter bear to the total gross proceeds from the Block Trade.
- (b) The relative fault of the Vendor and the Company on the one hand and the Underwriter on the other hand will be determined by reference to, among other things:
 - (i) whether any untrue statement or alleged untrue statement in the Investor Presentation or any omission or alleged omission from the Investor Presentation relates to information supplied by the Vendor or the Company on the one hand, or the Underwriter on the other hand;
 - (ii) the participation in, instigation of, or other involvement of the Vendor or the Company on the one hand, or the Underwriter on the other hand in the act complained of; and
 - (iii) the Vendor's and the Company's, and the Underwriter's, relative intent, knowledge, access to information and opportunity to correct or prevent the publication of such untrue statement or alleged untrue statement or such omission or alleged omission.

- (c) The Vendor, the Company and the Underwriter agree that it would not be just and equitable if contribution pursuant to clause 14.12 were determined by pro rata allocation or by any other method of allocation which does not take account of the equitable considerations referred to in clauses 14.13(a) and (b).
- (d) Notwithstanding any other provisions of clause 14.12 or this clause 14.13, the Vendor and the Company agree that no Indemnified Person will be required to contribute under clause 14.12 to any Claim or Loss in an aggregate amount exceeding the aggregate commission and fees received by the Underwriter under this Agreement (other than as a result of the operation of any exclusion, limitation or qualification in clause 14.2(a) that would apply if the indemnity in clause 14.1 had been available to, or sufficient for, such Indemnified Person).

14.14 **Right to payment:** If an Indemnified Person pays an amount in relation to a Loss where it is entitled to contribution or indemnification from the Vendor or the Company under this clause 14, the Vendor or the Company agrees (as appropriate) to promptly reimburse the Indemnified Person for that amount.

14.15 **Related provisions:** The indemnity, releases and contractual contribution rights set out in clause 14.1 are:

- (a) in addition to any liability the Vendor or the Company might otherwise have (including under the Engagement and Fee Letter);
- (b) in addition to any other rights which any Indemnified Person might otherwise have;
- (c) intended to confer a benefit on each Indemnified Person for the purposes of the Contract and Commercial Law Act 2017 and each Indemnified Person may enforce the indemnity, releases and contractual contribution set out in this clause 14 for his, her or its own benefit;
- (d) fully enforceable in accordance with their terms notwithstanding any act, matter, omission or thing that, but for this clause, would or may give rise to a defence or counterclaim; and
- (e) for the benefit of each Indemnified Person, each of whom may enforce the indemnity, releases and contractual contribution rights severally and without any need to join any or every other Indemnified Person in such proceeding.

14.16 **Indemnity to survive termination:** This clause 14 will survive and continue in full force and effect notwithstanding the termination of this Agreement for any reason.

14.17 **Sharing between Vendor and Company:** Without prejudice to the joint and several liability of the Vendor and the Company to the Underwriter, and subject always to clause 32, as between the Vendor and the Company liability under the indemnity in this clause 14 shall be shared between them in proportion to the extent that the Loss in question is attributable to the acts or omissions of each of them.

15. GUARANTEE

15.1 In consideration of the Underwriter entering into this Agreement, the Guarantor unconditionally and irrevocably guarantees to the Underwriter as principal obligor and not

merely as a surety and by way of a continuing obligation, the due and punctual payment of any and all liabilities of the Vendor to the Underwriter under clause 14 and under the Engagement and Fee Letter. The liability of the Guarantor under this guarantee is not relieved or in any way affected in a manner prejudicial to the Underwriter by any variation of this Agreement, granting of time, waiver or forbearance to sue by the Underwriter or by any other act, omission, matter, circumstance or law whereby the Guarantor as a surety only would, but for the provisions of this clause, have been released from liability. For the avoidance of doubt, this guarantee is not limited in any way by clause 32.

- 15.2 The Guarantor waives any right it may have to require the Underwriter (or any agent on its behalf) to proceed against or enforce any other right or claim for payment against any person before claiming from the Guarantor under this clause 15.
- 15.3 For the avoidance of doubt, any intermediate payment or partial discharge by the Guarantor of its obligations under this clause 15 shall not discharge or release the Guarantor's obligations that have not been satisfied by such intermediate payment or partial discharge.

16. TERMINATION EVENTS

- 16.1 **Termination Events:** The obligations of the Underwriter to perform its obligations under this Agreement are conditional upon:

- (a) **Adverse events:** None of the following events or circumstances occurring or arising on or after the execution of this Agreement but prior to or on the Trading Date:
- (i) *Material Adverse Event:* a Material Adverse Event; or
 - (ii) *financial, economic and political conditions:* any material or fundamental change in national or international, financial, economic or political conditions affecting capital markets or financial markets in New Zealand, Australia, Japan, any member state (or former member state of the European Union), Hong Kong, Singapore, the United States or the United Kingdom and this is a Material Adverse Event; or
 - (iii) *banking and settlement:* a general moratorium on commercial banking activities in New Zealand, Australia, Japan, any member state (or former member state of the European Union), Hong Kong, Singapore, the United States or the United Kingdom is declared by the relevant central banking authority in any of those countries, or there is a material disruption in commercial banking or security settlement or clearance services in any of those countries; or
 - (iv) *disclosures in NZX Notice and other advertising materials:* any information or statement contained in the Investor Presentation, the NZX Notice or any advertising or promotional materials or other documentation prepared or approved by the Company in accordance with clause 6 being false, deceptive or misleading or likely to mislead or deceive (including by omission) or unsubstantiated (being a statement for which the Company does not have reasonable grounds, other than a statement that a reasonable person would not expect to be substantiated) in any material

adverse respect, or any material amendment being required to be made to the Investor Presentation; or

- (v) *disclosures*: any information supplied by or on behalf of the Company to the Underwriter in relation to the Group or the Block Trade being inaccurate, incomplete, misleading or deceptive (including by omission) and this is a Material Adverse Event; or
- (vi) *compliance*: there being a failure by the Company or any of its Subsidiaries or any of their respective directors to comply, and continue to comply, with any provision of the Company's constitution, the Companies Act, the NZX Listing Rules, ASX Listing Rules, the FMCA, the FMCR or any other statute, regulation or order required to be complied with by that person (including the requirements of any relevant foreign jurisdiction) and this is a Material Adverse Event; or
- (vii) *change in law*: there being announced, made, promulgated, or threatened any statute, regulation, order or enactment, or any direction or policy of any Government Agency, statutory or regulatory authority (including, without limitation, NZX, ASX, the Registrar of Companies, or the FMA) or similar body, in any jurisdiction, or of any Court, and this is a Material Adverse Event; or
- (viii) *listing*: the Company ceases to be admitted to the official list of NZX or ASX or its Shares are suspended from official quotation on the NZX Main Board or ASX (other than a voluntary suspension requested by the Company and consented to by the Underwriter to facilitate the Block Trade, such consent not to be unreasonably withheld or delayed), or the Company requests that trading in any Shares (including the Block Trade Shares) be halted by NZX or ASX without the prior written consent of the Underwriter, such consent not to be unreasonably withheld; or
- (ix) *notifications*: prior to the Trading Date the issue of an order preventing the Vendor or the Company from offering for sale or transferring the Shares (including the Block Trade Shares) by any regulatory body having jurisdiction in respect of the Block Trade (including under the FMCA), or any such regulatory body otherwise commencing an investigation into conduct or affairs relating to the Block Trade, or a third party applies to a court of competent jurisdiction seeking orders to prevent, or which will have the effect of preventing, the Vendor or the Company from offering for sale or transferring the Shares (including the Block Trade Shares) and that application to a court of competent jurisdiction is a Material Adverse Event; or
- (x) *default*: a breach by the Vendor or the Company in the performance of any of its obligations under this Agreement occurs and this is a Material Adverse Event; or
- (xi) *warranties*: a breach of any Warranty, or any Warranty is incorrect or untrue or misleading (by omission or otherwise) and this is a Material Adverse Event; or

- (xii) *certificate*: any Certificate given by the Company is false, misleading, deceptive or inaccurate as at the date the Certificate is given and this is a Material Adverse Event; or
- (xiii) *capital structure*: other than as contemplated in clause 7.1(a), the Company alters its capital structure without the consent of the Underwriter and this is a Material Adverse Event; or
- (xiv) *force majeure*: there is an event or occurrence, including any statute, order, rule, regulation, directive or request (including one compliance with which is in accordance with the general practice of persons to whom the directive or request is addressed) of any Government Agency, and as a result of which the Underwriter is prevented from or materially delayed in performing any of its obligations under this Agreement, or from marketing, promoting or settling the Block Trade in any material respect, and in each case that is beyond the reasonable control of the Underwriter, including without limitation, natural forces, civil unrest or other civil disturbance, currency restriction, embargo, action or inaction by a Government Agency or any other event similar to those noted above and in each case this is a Material Adverse Event; or
- (xv) *unable to proceed*: the Vendor or the Company is or will be prevented from conducting or completing the Block Trade by or in accordance with the NZX Listing Rules, ASX Listing Rules, the FMA, any applicable laws or an order of a court of competent jurisdiction, or otherwise are or will become unable or unwilling to do any of these things; or
- (xvi) *regulatory Action*: NZX, ASX, the Registrar of Companies, the FMA or any other regulatory body or authority taking any Actions in relation to the Block Trade or Investor Presentation and this is a Material Adverse Event; or
- (xvii) *market fall*: the S&P/NZX 50 Index or ASX 200 Index falls to a level that is 10% or more below its level as at the close of trading on the Business Day prior to the date of this Agreement:
 - (aa) at any time prior to the lift of the trading halt; or
 - (bb) at any time after the lift of the trading halt and at the close of trading on the Business Day after such a decline occurs is 10% or more below its level as at the close of trading on the Business Day prior to the date of this Agreement; or
 - (cc) at any time on the Trading Date; or
- (xviii) *pandemic*: there is a major outbreak or a major escalation, otherwise than as to the extent subsisting (or reasonably foreseeable) as at the date of this Agreement, of a pandemic or epidemic, such as novel coronavirus, Severe Acute Respiratory Syndrome, or swine or avian influenza in New Zealand (but for the avoidance of doubt, the parties agree that a return to a higher Alert Level than in force as at the date of this Agreement is not reasonably foreseeable but further agree that the

mere fact of returning to a higher Alert Level does not on its own satisfy the requirements of this sub-clause).

- (b) **Reports, opinions, letters etc:** The receipt by the Underwriter of:
- (i) a legal opinion from the Company's legal counsel in relation to compliance with law and the due diligence process (as described in the Due Diligence Process Memorandum); and
 - (ii) a copy of the Due Diligence Report,

such opinions and report to be in a form agreed with the Company (and satisfactory to the Underwriter, acting reasonably) and such opinions addressed to, and expressed to be for the benefit of, the Underwriter in its capacity as underwriter;

- (c) **Due Diligence Investigations:** Any Due Diligence Investigations of the Company or conducted by, in conjunction with or on behalf of, the Company or the Underwriter not revealing any matter of which the Underwriter was not previously aware and this is a Material Adverse Event; and
- (d) **Certificate:** The receipt by the Underwriter of the Certificate required under this Agreement by the time required under this Agreement,

provided that the Underwriter shall perform its obligations under this Agreement until such time (if any) as any such conditions are satisfied or fail to be satisfied (as the case may be) in accordance with the terms of this Agreement.

Each of the paragraphs and sub-paragraphs in clause 16.1 above will be construed independently and no paragraph or sub-paragraph will be limited by implications arising from any other paragraph or sub-paragraph.

16.2 **Termination on non-fulfilment:**

- (a) Any or all of the conditions set out in clause 16.1 may be waived by the Underwriter, acting in its absolute and unfettered discretion.
- (b) In determining whether an event of the nature referred to in clause 16.1 has arisen, the Underwriter shall consult, to the extent reasonably practicable, with the Vendor and the Company. Nothing in this clause 16.2(b) shall limit the discretions or rights of the Underwriter under this Agreement.
- (c) If:
 - (i) by or on the Trading Date, or by any earlier date specified in respect of any condition, all of the conditions set out in clause 16.1 have not been fulfilled or waived by the Underwriter; or
 - (ii) at any time after the date of this Agreement, circumstances arise as a result of which the Underwriter is reasonably satisfied that any of the conditions set out in clause 16.1 have become incapable of fulfilment and have not been waived by the Underwriter,

then the Underwriter may, by notice to the Vendor and the Company terminate its obligations under this Agreement provided that, for the Underwriter to terminate pursuant to clause 16.1(a) with respect to a condition requiring a determination that the relevant event or matter is one that the Underwriter may reasonably consider to be a Material Adverse Event, the Underwriter must have made that determination and provided to the Vendor and the Company reasonable details in writing of its reasons for making that determination.

- 16.3 **Effect of termination:** In the event that the Underwriter validly terminates its obligations under this Agreement pursuant to clause 2.5 or 16.2, it shall be relieved of its obligations under this Agreement and shall be entitled to any fees and expenses, as set out in any agreement relating to fees and expenses.
- 16.4 **Survival:** Notwithstanding any other provision of this Agreement, if this Agreement is validly terminated:
- (a) this Agreement shall be of no effect, except to the extent that claims arose prior to termination;
 - (b) such termination shall be without prejudice to:
 - (i) any accrued rights or obligations of any party under this Agreement, and any claims arising out of the circumstances leading to termination; and
 - (ii) any obligation of the Company or the Underwriter in respect of any Block Trade Shares which have already been acquired and paid for or sold and paid for at the time of such termination; and
 - (c) the provisions of clauses 1, 5.5, 7.1, 7.3, 10.2, 10.3, 14, 15, 16.3, this clause 16.4 and clauses 19, 21, 23, 24, 25, 26, 27, 30, 31, 33 and 34 shall remain in full force and effect.

17. DELAY

- 17.1 No delay, grant of time, release, compromise, forbearance (whether partial or otherwise) or other indulgence by one party in respect of any breach of any other party's obligations under this Agreement is to:
- (a) operate as a waiver of or prevent the subsequent enforcement of that obligation; or
 - (b) be deemed a delay, grant of time, release, compromise, forbearance (whether partial or otherwise) or other indulgence in respect of, or a waiver of, any subsequent or other breach.

18. POST COMPLETION

- 18.1 Each provision of this Agreement will, insofar as it has not been performed at the Termination Date or otherwise been extinguished under the terms of this Agreement, continue in full force and effect.

19. ENTIRE AGREEMENT

- 19.1 This Agreement and the Engagement and Fee Letter:
- (a) constitute the entire understanding and agreement of the parties relating to the underwriting of the Block Trade; and
 - (b) supersede and extinguish all prior agreements, arrangements or understandings between the parties relating to the underwriting of the Block Trade.
- 19.2 The terms of this Agreement shall prevail over the terms of the Engagement and Fee Letter to the extent of any inconsistency.

20. AMENDMENTS

- 20.1 No amendment to this Agreement will be effective unless it is in writing and signed by each party.

21. NOTICES

- 21.1 **Form of notice:** Each notice or other communication under this Agreement is to be in writing, is to be made by personal delivery, post or email to the addressee at the address, and is to be marked for the attention of the person or office holder (if any), from time to time designated for the purpose by the addressee to the other party. 22. ASSIGNMENT AND SUB-UNDERWRITING

- 22.1 **No assignment by Vendor or Company:** The Vendor and the Company are not entitled to assign this Agreement or any part of their benefits or obligations under this Agreement.
- 22.2 **Assignment by Underwriter:** The Underwriter may assign its rights or obligations under this Agreement to a related company or, with the prior written consent of the Vendor and the Company (acting reasonably), to any other person but without releasing it from any of its obligations to the Vendor and the Company.
- 22.3 **Appointment of Sub-Underwriters:** The Underwriter is entitled to appoint persons as Sub-Underwriters of its rights or obligations under this Agreement but without releasing it from any of its obligations to the Vendor or the Company.

23. SEVERABILITY

- 23.1 If at any time any provision (or any covenant contained in any provision) of this Agreement is or becomes illegal, invalid or unenforceable in any respect under the law of any relevant jurisdiction, such provision or covenant will be severed from this Agreement and will be ignored in construing this Agreement. Such illegality, invalidity or unenforceability will not affect the ability of any party to enforce the provisions (or, as the case may be, the remaining provisions or the remaining covenants contained in any provision) of this Agreement nor will the legality, validity or enforceability of such provisions under the law of any other jurisdiction in any way be affected or impaired thereby. However, the parties will, if so required by either of them, enter into good faith discussions in order to agree and (if agreed) implement such amendments to this Agreement as may achieve as nearly as possible its intent in a manner which is legal, valid and enforceable in all relevant jurisdictions.

24. GOODS AND SERVICES TAX

24.1 Interpretation:

- (a) Unless the context suggests otherwise, all words and phrases used in this clause 24 which are defined in the GST Act have the meanings given to them in the GST Act.
- (b) Any reference to GST paid or payable by the Underwriter or any of its Affiliates includes any GST paid or payable by the representative member of any GST group of which the Underwriter or the Affiliate is a member.

Pushpay Holdings Limited (NZSX:PPH, ASX:PPH, ‘Pushpay’ or ‘the Company’) announces a fully underwritten bookbuild to facilitate a sell down of ordinary shares held by interests associated with co-founder, Chris Heaslip¹ (former Chief Executive Officer and former Director) and interests associated with Executive Director and Visionary, Chris Fowler².

Under the terms of that Deed, interests associated with Chris Fowler cannot, before close of business on 13 June 2021, directly or indirectly, sell, transfer or otherwise dispose of (including entering into any agreement to dispose of) any legal or beneficial interest in or control of any voting rights in respect of the Restricted Shares.
