Dear Sir / Madam

**Request for trading halt:                      Uniti Group Limited                      ASX**  
**Code UWL**

We request a trading halt to be applied to our securities under ASX Listing Rule 17.1 and set out below details of the request as per the rules of the ASX.

We would like the trading halt to apply from the commencement of trading today (Wednesday, 16 December 2020) until the commencement of trading on Thursday, 17 December 2020.

Reasons for trading halt: To enable an orderly release of information regarding an acquisition and commencement of an associated capital raising via placement and offer by way of share purchase plan to eligible shareholders.

How long we want the trading halt to last: 1 day (as noted above).

The event we expect to happen that will end the trading halt: Announcement of completion of the placement to sophisticated and institutional investors (which is expected no later than commencement of trading on Thursday, 17 December 2020).

We confirm that we are not aware of any reason why the trading halt should not be granted.

Yours sincerely

**Ashe-lee Jegathesan**  
Company Secretary
