

ASX Announcement

18 December 2020

**Correction to prior announcement – incorrect URL for FullStack Labs**

**REFFIND LTD (ASX: RFN) ('RFN', 'Reffind' or 'the Company')**, wishes to advise the market of a typographical error to today's earlier announcement (18 December 2020) titled "Reffind appoints leading technology incubator to further enhance software development for Wooboard platform".

The Company has appointed FullStack Labs to carry out software development enhancements to Wooboard. The earlier announcement incorrectly stated the company website (URL) for FullStack Labs to be <https://www.fullstacklabs.com/> which was a typographical error. Rather, the correct URL for FullStack Labs is <https://www.fullstacklabs.com.au>

*Authorised for release by the Board of Directors of Reffind Ltd.*

**About REFFIND**

REFFIND (ASX:RFN) is an Australian-based software-as-a-service solutions company that is revolutionising employee peer recognition as well as how customer loyalty and employee incentives are created, rewarded and managed. Our employee experience technology platform, Wooboard, uses a gamified, social cloud-based platform to allow employees to send recognition and share updates instantly.
