ASX ANNOUNCEMENT

CLIME CAPITAL (ASX: CAM)

FORWARD GUIDANCE MARCH 2021 QUARTER DIVIDEND – 1.185 cents fully franked

The Board of CAM is pleased to provide forward guidance for the March quarter dividend.

Based on a solid portfolio return in FY21 (to date) the Board states its current intention is to declare a dividend of no less than 1.185 cents per share (fully franked) for the March 2021 quarter.

This dividend will continue the trend of increasing quarterly dividends to shareholders (see below) following the severe impact on market dividends that occurred following the onset of COVID19.

Dividends declared since COVID19 have been as follows:

June quarter 1.05 cents fully franked (paid July)

September quarter 1.125 cents fully franked (paid October)

December quarter 1.175 cents fully franked (payable January 2021)

The March quarter dividend will be formally declared with the half year accounts due in mid-February 2021.

This announcement is authorised for release by the Chairman of Clime Capital Limited.
