Dear Ms Kang,

Re: Request for a Trading Halt

Vango Mining Limited (“Vango” or the “Company”) (**ASX: VAN**) requests a halt in trading of Vango’s Equity Securities listed on ASX from trading on Monday 4 January 2021 pending the release of an announcement regarding a material drilling result at the Marymia Gold Project.

In accordance with ASX Listing Rule 17.1, Vango provides the following information:

- (a) The reasons for the trading halt are:
 - (i) There is a pending announcement regarding a material drilling result at the Marymia Gold Project being finalised by the Company;
 - (ii) There is a material risk that trading in Vango’s Equity Securities might occur while the market as a whole is not reasonably informed; and
 - (iii) The trading halt is needed to prevent a false or disorderly market;
- (b) Vango requests that the trading halt lasts until the earlier of re-commencement of Vango Equity Security trading on Wednesday 6 January 2021, or release of a market announcement regarding a material drilling result at the Marymia Gold Project;
- (c) The trading halt, if granted, is expected to be ended by a market announcement regarding a material drilling result at the Marymia Gold Project;
- (d) Vango is not aware of any reason why the trading halt should not be granted; and
- (e) Vango is not aware of any other information necessary to inform the market about the trading halt.
