## **ASX Announcement**

5 January 2021

### **RELEASE OF SECURITIES FROM VOLUNTARY ESCROW**

MAAS Group Holdings Limited ("MGH") advises that, as announced to the market on 21 December 2020, 11,665,810 shares were released from voluntary escrow on 4 January 2021.

These securities were subject to voluntary escrow rather than ASX escrow requirements and all securities were quoted at the date of listing of 4 December 2020. As the released securities are already quoted, MGH does not need to lodge an Appendix 2A in relation to the shares released from escrow.

Notices of Change of Interests of Substantial Shareholders for changes in relevant interests for MGH and Wesley Maas and Emma Maas that arise because of the escrow release will be lodged separately with ASX today.

This announcement was authorised by Craig Bellamy, Chief Financial Officer and Company Secretary of MGH.

### **About MAAS Group Holdings Limited**

MGH is a leading independent Australian construction materials, equipment and service provider with diversified exposures across the civil, infrastructure, mining and real estate end markets.
