

ASX ANNOUNCEMENT

Simavita Releases Quarterly Activities Report 4C for the quarter ended December 31, 2020

For Immediate Release:

January 31, 2021

Sydney, Australia – Simavita Limited (ASX: SVA) reported its December 31, 2020 quarter end results on Friday January 29, 2021. Below is the Quarterly Activities Report to accompany the quarter end results.

Operations:

- During the quarter significant progress has been made with the corporate reorganisation strategy:
 - i) Shareholders of Simavita approved a Capital Reduction offer at a meeting of shareholders held on December 2, 2020. This program resulted in 46,587,231 CHESS Depositary Interests (CDIs) being purchased back by the Company on January 28, 2021 from 759 CDI holders at a cost of AUD\$861,864.09, being \$0.0185 per CDI.
 - ii) On January 20, 2021 92.52% of shareholders who voted approved the delisting of the Company. Simavita's CDIs will be suspended from close of trading on February 18, 2021 and removed from the official list of the ASX on February 22, 2021.
 - iii) During January 2021 the Company completed a capital raising by way of Secured Debt Notes totaling AUD\$2.3m. These Debt Notes were approved to become Convertible Notes on January 20, 2021 and were converted into 176,281,298 CDIs on the same day.
- The Company continues to progress discussion with major industry partners with a view to concluding a partnering, licensing or investment transaction with such industry participants. While those discussions are well advanced however there is no guarantee they will result in any binding agreements. We are however committed to finalising a commercial transaction and to reporting outcomes to our shareholders.

Financial Results:

- The Company ended the quarter to December 31, 2020 with cash reserves of AUD\$ 1.738m.
- Operating costs for the quarter were reduced by 32% compared to the previous quarter with a reduction in regulatory and restructuring costs.
- Total cash inflows for the quarter were AUD\$1.09m due to capital raising activities and funding associated with the 2021 R&D Tax Incentive.
- The Company expects to have negative operating cash flows whilst it builds a sustainable revenue pipeline. During this period, the Company may continue to rely upon the support of

its major shareholders. If required, the Company will raise additional cash to fund operations and to meet its business objectives.

- During the quarter the Company paid AUD\$0.15m to related parties in the form of salary to an Executive Director and Non-Executive Director's fees.

Forward-Looking Information

This document may contain “forward-looking information” within the meaning of Canadian securities laws (“forward-looking information”). This forward-looking information is given as of the date of this document.

Forward-looking information relates to future events or future performance and reflects Simavita management's expectations or beliefs regarding future events. Assumptions upon which such forward-looking information is based include that Simavita will be able to successfully execute on its business plans. Many of these assumptions are based on factors and events that are not within the control of Simavita and there is no assurance they will prove to be correct.

In certain cases, forward-looking information can be identified by the use of words such as “plans”, “expects” or “does not expect”, “is expected”, “budget”, “potential”, “scheduled”, “estimates”, “forecasts”, “intends”, “anticipates” or “does not anticipate”, or “believes”, or variations of such words and phrases or information that certain actions, events or results “may”, “could”, “would”, “might” or “will be taken”, “occur” or “be achieved” or the negative of these terms or comparable terminology. By its very nature forward-looking information involves known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of Simavita to be materially different from any future results, performance or achievements expressed or implied by the forward-looking information. Such factors include, among others, risks related to actual results of current business activities; changes in business plans and strategy as plans continue to be refined; other risks of the medical devices and technology industry; delays in obtaining governmental approvals or financing or in the completion of development activities; as well as those factors detailed from time to time in Simavita's interim and annual financial statements and management's discussion and analysis of those statements. Although Simavita has attempted to identify important factors that could cause actual actions, events or results to differ materially from those described in forward-looking information, there may be other factors that cause actions, events or results not to be as anticipated, estimated or intended. Simavita provides no assurance that forward-looking information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such information. Accordingly, readers should not place undue reliance on forward-looking information.

Notes

1. This quarterly cash flow report and the accompanying activity report provide a basis for informing the market about the entity's activities for the past quarter, how they have been financed and the effect this has had on its cash position. An entity that wishes to disclose additional information over and above the minimum required under the Listing Rules is encouraged to do so.
2. If this quarterly cash flow report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, *AASB 107: Statement of Cash Flows* apply to this report. If this quarterly cash flow report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standard applies to this report.
3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
4. If this report has been authorised for release to the market by your board of directors, you can insert here: "By the board". If it has been authorised for release to the market by a committee of your board of directors, you can insert here: "By the [name of board committee – eg Audit and Risk Committee]". If it has been authorised for release to the market by a disclosure committee, you can insert here: "By the Disclosure Committee".
5. If this report has been authorised for release to the market by your board of directors and you wish to hold yourself out as complying with recommendation 4.2 of the ASX Corporate Governance Council's *Corporate Governance Principles and Recommendations*, the board should have received a declaration from its CEO and CFO that, in their opinion, the financial records of the entity have been properly maintained, that this report complies with the appropriate accounting standards and gives a true and fair view of the cash flows of the entity, and that their opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.
